

SLAYER OF MISS AUDREY BURLEIGH DECLARED SANE

MANILA, Aug. 2.—(A. P.)—Declared sane by an army medical board which has observed his actions since he killed Miss Audrey Burleigh last April, Lieutenant J. S. Thompson faced court martial here today on a charge of murder.

Major Raymond F. Longacre, a member of the medical board testified that he considered Thompson "a constitutional psychopath" which he described as a person subject to minor deviations from normal, but not much out of the ordinary.

Each member of the medical board testified that they believed the army officer was sane at the time he took Miss Burleigh in his automobile, after she participated in an amateur theatrical, and shot her to death, bringing her body to Fort McKinley where he surrendered.

In a letter to his sister in the United States, which Lieutenant Thompson never mailed, he told of his love for Miss Burleigh.

GIRL MOUNTAIN CLIMBER KILLED

EVERETT, Wash., Aug. 2. (A. P.)—Mildred Hasselman, 19, daughter of Mr. and Mrs. J. H. Hasselman, residing two miles west of Granite Falls, was instantly killed Sunday when she fell from the highest point on Mount Pilchuck. The girl was one of a party of boys and girls from the Granite Falls district climbing the mountain. With Harold Brandt, the girl, against advice of older members of the party, tried to climb a rocky crag on the north side. She fell 300 feet into a snow field and rolled several hundred feet. Brandt, endangering his life, went to the girl and found her dead and rattled the U. S. ranger station. The body was taken from the mountain by a party organized by rangers. The girl is survived by her parents and one brother.

DEATH OF SCHOOL TEACHER MYSTERY STILL UNSOLVED

MATTOON, Ill., Aug. 2 (A. P.)—Tora Stallman, the former school teacher, found dead in a cistern Saturday on the farm of her sister, Mrs. Anna Seaman, was delicious last Friday night and moaned, "that man made me take something that made me awfully sick."

That was the information given Coroner F. S. Shilling, who has undertaken to solve the mystery surrounding her death, which is a tangled web of facts and rumors, including a sheet of nearly a dozen threatening and anonymous notes, some signed "K. K. K." and "Three Boys and Two Girls," "Mrs. So and So" and other inexplicable signatures.

The strange situation leaves the probability that Miss Stallman was poisoned, Coroner Shilling said, although he added that it may have been suicide, but not by drowning.

"She was not drowned, we're sure of that," said the coroner.

Comparison of the notes with the handwriting of Miss Stallman showed
