BEND BOY WINS IN HARD BATTLE AS CROWD CHEERS

BEND, Ore., Aug. 11.—Spec Woods of Portland, former Bend boy, who has just returned after a long absence, won a ten round decision here last night from Submarine Dean of this city, in what is termed the hardest fought fight ever seen here.

From the top of the going in the first round until the end, both men never ceased battling. Time and again both became so tired they could not knock each other out. In the third round, cheering of the crowd made it impossible for the fighters to hear the gong. They had to be stopped by the referee. Each round was the same, both standing up and slugging, or with heads together and arms going like pistons, lambasting each other until the round ended.

Woods fought at 153½ and Dean at 144. Earl Stiles, of Bend, won by a knockout from Earl Smith of Spokane in the third round of a scheduled six round bout. Smith went in on four days' notice and was not in condition.

Freddie Gaspard knocked out Cowboy Baxter in one and one quarter minutes. Both are workers in the logging companies here. Fred Greenlee knocked out Bat Loupe of this city in an exhibition bout, in one minute and 54 seconds of the second round.

J., Chicago's hope, Emmet Pare, moved into the third round by defeating his townsman E. Lejeune in straight sets.

Walter Thomas, Elmora, N. J., was the stellar performer in the first round of the boys' division.

LOS ANGELES, Aug. 11.—(A. P.)—Joe Stecher retains his claim to the world's heavyweight wrestling championship. Renato Gardini, Italian challenger, scored one fall in their bout at the new Olympic auditorium last night but failed to get his hands upon the title. Stecher won the first fall with a body scissors in 27 minutes. Gardini took the second in 11½ minutes, with a headlock and then Stecher ended the match by taking the last fall in six minutes with another body scissors.

Stanislaus Zbyszko defeated Andreas Castanos in a one-fall match in 40 minutes.

WALKER MUST SIGN OR BE SUSPENDED

NEW YORK, Aug. 11.—Mickey Walker, world's welterweight boxing champion, will be suspended within the jurisdiction of the New York state athletic commission at that body's meeting next Friday unless Jack Kearns, his manager, signs at that time an irrevocable agreement to box Dave Shade, California challenger.

Kearns did not appear before the commission today and there was no indication whether he would accede to the ultimatum to arrange for a Walker-Shade battle.

PORTLAND, Aug. 11.—In one of the hardest fought heavyweight bouts ever staged in the northwest, Sam Baker, Hollywood movie celebrity, won a 10 round decision from Floyd Johnson, one time contender for the heavyweight crown.

LOS ANGELES, Aug. 11.—(A. P.)—A legal bout featuring Jack Dempsey and his deposed manager, Jack Kearns, has been placed on the world's heavyweight champion's schedule of possible future engagements. LABOR PRESIDENT TO FIGHT COURT SYSTEM IN U. S. A.

STUEBENVILLE, Ohio, Aug. 11.—(A. P.)—Senatorial courtesy which thrives on the policy of "you scratch my back and I'll scratch yours" was attributed by William Green, president of the American Federation of Labor, in a speech here last night before the Ohio Federation of Labor as being responsible for lowering the quality and capability of judges appointed recently to the federal bench.

President Green said insofar as he could make his influence felt the five million workers of the nation will never sit still until they curb the judiciary of the state and nation and "bring back freedom to American citizens."

The address Mr. Green said, was his first pronouncement of a militant program for organized labor since he assumed leadership following the death of Samuel Gompers. Plans for an intensive campaign among workers this fall to enroll 10,000,000 additional members of the federation was announced.

Federal and state judges were declared to be constantly "encroaching upon our rights."

Mr. Green said he was ready to lead the forces of organized labor in its fight for liberty "even though my criticism may reach to the courts of our land." He asserted that the president in making judicial appointments is "merely the instrument through which senators have their favorites appointed."

Such appointments, he said, "tend to lower the respect of Americans in the judiciary and put men on the bench who are responsible to politicians and not to the people."

SALEM PLANS TO PURCHASE WATER COMPANY'S PLANT

SALEM, Aug. 11.—Two important steps toward the proposed purchase of the Salem water company's plant by the city of Salem were taken at the mass meeting held last night at the Chamber of Commerce.

The first of these was a vote that engineers be selected to make an appraisal of the plant, one to be selected by the city, one by the company and a third to be selected by the other two.

The second step was a vote that Mayor Giesy and President T. M. Hicks of the Chamber of Commerce appoint an advisory committee to consult with the city and chamber authorities from time to time.

Prior to the adoption of these two motions the approximately 90 persons present voted unanimously that the city should take over the system. T. B. Kay came in after the vote had been taken, and when his vote was demanded he voted against it, standing alone.

LITTLE MONEY LOST IN MAIL ROBBERY

SAN FRANCISCO, Cal., Aug. 11.—(A. P.)—C. E. Caine, postoffice inspector in charge of investigation of the robbery Saturday when a mail truck was held up and eight pouches of air mail taken by six men, declared yesterday that a partial check up revealed there were virtually no negotiable securities in the loot. Caine said that such as were obtained would be difficult to cash as the serial numbers had been broadcast to banks.

Actual figures on the amount of loot secured were not available. A reward of \$2000 each for the members of the gang was posted by the postoffice department today. The automobile used in the holdup was found abandoned near Colma, a few miles south of here.

CHILDLESS HOMES

Read Mrs. Benedict's Letter Praising Lydia E. Pinkham's Vegetable Compound

Kewanee, Illinois. — "When I was married about a year and a half I took Lydia E. Pinkham's Vegetable Compound because of ill health. I did not have any children. I now have two healthy little girls and I am sure would not have had them had it not been for your medicine. Last spring and summer I got all run-down, irregular, and I had awful headaches, and my back and side hurt me so that I could stay up only a short time. My limbs would get so tired and ache till I could cry. I started to take the Vegetable Compound again and used the Sanative Wash, and it was not long till I was relieved. Now I do all my own work and help others. I sure praise Lydia E. Pinkham's medicines to any one I meet that is suffering from similar troubles. I think if mothers with girls would give it to them when they come to womanhood it would make them stronger. People who have known me all my life are astonished to see me now as I was always sickly when in my teens and until I started taking the Vegetable Compound."—Mrs. MARY R.
