Report Made on Local Apple Crop

Medford, Jackson County, Ore.—A larger crop of apples will be produced in this section and fruit will be better quality, larger sizes and free from frost marks and worms. Orchards are being cared for in fairly good shape this season. The principal variety grown is Newtowns. Ashland, Rogue River and Grants Pass are points nearby shipping apples.—C. A. K.

JACKSON COUNTY FAIR A HOME COMING

With bigger and better exhibits and attractions arranged for this year's Jackson County Industrial fair, which opens September 16 and closes September 19, officials are making preparations to handle the largest crowds in years.

It will be home coming for thousands of residents who will gather at the fair, meet old friends, talk over old times and in general have a good time. "We are going to have the most successful fair we have ever staged this year," says President E. C. Gaddis of the fair board.
