

Local and Personal

A cigarette, which had been thrown into a box filled with sawdust for the purpose, caused a small fire on the second story of the Armory Saturday night at 11:30, which was quickly extinguished by the fire department with the use of a small amount of chemicals. The blaze, which was centered in the box and on a window casing, was very smoky, leading the firemen to believe that the situation was worse than it really was.

Everfast materials for school dress, Gingham in plain and checks. Heavier materials of sutting, kindergarten, funeweave and Jerseyweave, in a variety of shades. Handicraft Shop, 137.
