LEAGUE LEADERS THROWN BACK BY CELLAR OUTFITS

NEW YORK, Aug. 26.—(A. P.)—Recession of National league waves tossed up in New York by a steaming picnic crew today permitted baseball fans to turn their major interest once more to an American league battle of thrills and spills between Philadelphia and Washington. For the last two days the spills have prevailed with such telling effect, that the two leaders, separated by but a single game, have been chained together in common submission by a firm western team fortified by unbeatable pitching.

The Athletics in their worst slump of the year yesterday dropped their sixth game in eight starts to Cleveland but the champion Senators were helped before the pitching of Gaston in St. Louis, connecting only for five safeties and taking an 8 to 2 defeat. Mack's men received the count from the Indians with a stronger protest. After a promising rally in the second inning had been snuffed out by a triple play they sprang again in the eighth but the devil felt short on run, 4 to 3. Both teams conclude their western invasion on Sunday. They will then come to a sure definite settlement at Washington, September 7 and 12 and at Philadelphia 7, 8 and 9.

The Pirates, fresh from their sweeping victory over New York ran into cross currents at Boston, where the Braves, fighting to emerge from the cellar, tossed back the pennant bound craft 2 to 1, and clinched to within a single game of seventh place. A Giant cut off Jess Barrow, flouted the Pittsburgh outfit to six hits as President Barney Dreyfuss coming to the hub for the third time since 1908 to see his men perform, viewed his entry in defeat.

The New York Giants gave notice that they were still in the fight by thrashing back the challenge of Cincinnati 7 to 6 and cutting Pittsburgh's lead to five games.

Brocklyn and St. Louis had it out for fourth place and the Cardinals lost the decision 5 to 4. The Cubs and Phillies put on a long range firing duel which deated the Quaker City field with 37 terrific shots, including five homers. Chicago brought forth the most luscious hit ammunition to win with 22 safeties 19 to 19.

Two homers by Bob Meusel, his 24th and 25th of the season, liberated the Yankees from a five game losing streak at the expense of the White Sox, 7 to 4, while the Boston Red Sox resigned to Detroit after a nine run rally by the Tigers in the opening inning, 14 to 4.

CITY OF DETROIT VOTES \$1000 FOR TY COBB TRIBUTE

DETROIT, Mich., Aug. 26.—The city council last night voted \$1000 to provide a fitting testimonial to Tyus Raymond Cobb, manager of the Detroit American league baseball club. Cobb will celebrate his 20th anniversary as a member of the club Saturday. Appropriate exercises are planned for Saturday afternoon and a banquet is scheduled for tonight.

In asking the council for the appropriation, Mayor John W. Smith said: "Two names alone in all Detroit's history are associated with the supreme degree of achievement in their respective fields. They are those of Henry Ford and Tyus Cobb."

G. LAMSON AND O'BRIEN WIN PORTLAND BOUTS

PORTLAND, Ore., Aug. 26.—Chub Crawford of Washington State college was knocked out last night in the fifth round of a ten-round match by George Lamson, Omaha heavyweight. Lamson knocked Crawford down for nine counts in the second and also in the third round. Crawford tipped the beam at 211 and Lamson at 188.

Tommy O'Brien, Portland bantam, won a ten-round decision over Danny Edwards, negro of Oakland. O'Brien showed great improvement over his first professional appearance here three weeks ago, when he lost a ten-round bout with Edwards.

HEAVYWEIGHTS TO GIVE DEMPSEY EXHIBITION

SAN FRANCISCO, Aug. 26.—(A. P.)—The heavyweight comedian at the Olympic club, Bill Lora, who formerly had aspirations to become a heavyweight fighter, has been signed to oppose Jack Dempsey in the first half of a four round exhibition match at the ball park here on Labor day.

Although nobody seems particularly anxious to go into the ring, an opponent number two, it is reported here that Jim Herman of Portland will probably attempt to stay the last two rounds with the champion.

BROOKHART LOSING IN SENATE COUNT

WASHINGTON, Aug. 26.—(A. P.)—Senate tabulations for 87 counties complete gave Smith W. Brookhart, 263,970 and Daniel F. Steek 270,518 uncounted votes with 519 Brookhart and 11,819 Steek votes challenged, a total of 269,959 for Brookhart and 272,328 for Steek.

These same counties as shown in the state auditor's report gave Steek 274,943 and Brookhart 267,507.

The figures show that 2567 more votes were counted here than in his state count which is being canvassed on a contest. Of these Brookhart has received 1583 and Steek 2385.

SEES 2,000,000 JEWS IN PALESTINE SOON

VIENNA, Aug. 26.—(Jewish Telegraph Agency)—The prediction that in 20 years from now Palestine will have a Jewish population of not less than 2,000,000, was made by Mr. Surinjak, head of the labor and immigration department of the Zionists in Jerusalem. In his report to the Zionist congress today.

"Jewish immigration into Palestine averaged 2900 monthly this year," said the report. "In the next two years this will go to 60,000 annually. No unemployment is prevalent in that country despite the arrival of these immigrants."

BOYCOTT EXTENDED TO AMERICAN GOODS

LIVERPOOL, England, Aug. 26.—(A. P.)—The Shanghai correspondent of the Liverpool Post says the boycott declared by the Cantonese government against British and Japanese shippers has been extended to include American goods.

The Cantonese government has officially notified American firms and steamship lines having offices in Shanghai that all American merchandise intended for Canton must be loaded at Shanghai and re-shipped in Russian or Chinese boats.

Oh, Ho! For Kickless Child!
 WASHINGTON, Aug. 26.—(A. P.)—A recipe for kickless child and other four legged which will preserve the healthy glow and not endanger the health has been found by experts of the department of agriculture after several years of experimenting will be announced in a few days.

U. S. AMBASSADOR HAS TRUMP CARD IN DEBT WRANGLE

LONDON, Aug. 26.—(A. P.)—The meeting at luncheon yesterday between Alanson B. Houghton, the American ambassador and M. Gabriel, the French finance minister is regarded as an incident of the highest importance in the negotiations here over the war debt of France to Great Britain. The ambassador entertained both Winston Churchill, chancellor of the exchequer and the French ambassador. All reports of the conversation seemingly confirm the suggestion that the general debt situation was discussed and that nothing will be done in London toward settling France's debt to Great Britain until it is known what arrangements France can make with the United States.

Political writers today say there can be no Anglo-French settlement without the participation of the United States, which is the real arbiter of the situation here.

AN AMERICAN KILLED BY BAND MEXICAN INDIANS

EL PASO, Texas, Aug. 26.—(A. P.)—An American was killed and another man, whose nationality was not determined, had his lower jaw shot away by a band of Indians who ambushed three cowboys southwest of Palomas, Chihuahua, Mexico, Saturday.

The report reached here through J. T. Lorio, chief of the fiscal guards at Palomas, south of Columbus, N. M., who came to Juarez today to confer with officials about conducting warfare against the Indian band. The American killed, Mr. Lewis said, was an employee of the Benton ranch, south of Columbus.

"We do not know to what tribe the renegades belonged," Mr. Lorio said. "We do know that they are a desperate, bloodthirsty band and that they should be wiped out."

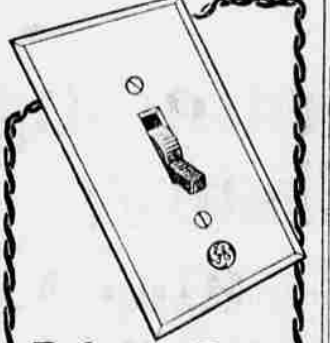

FAT MORE DANGEROUS THAN AN AIRPLANE

CHICAGO, Aug. 26.—(A. P.)—It is more dangerous to be fat than it is to travel on an ocean liner, ride on a railroad train or fly in an airplane.

Fat is killing off Americans at such a rate that special legislation is needed, thinks President Albert M. Johnson of the National Life Insurance company of the United States of America in convention here.

The cabin of an ocean liner is the safest place in the world, a railroad train is next and it is possible the third may soon be an airplane, he told delegates.
