JACKSON COUNTY FAIR, SEPTEMBER 16-19

MISS MANN, CO. NURSE, RESIGNS TO GET MARRIED

The news that Miss Irene Mann, one of the county nurses for the past year whose special field of duty was the south part of the county, had recently resigned her position to become effective October 1st, to make her future home in Paris, Arkansas, will be received with much regret by the many hundreds of friends she had made in Medford and elsewhere throughout the county the past twelve months.

Her efficiency, quiet demeanor, likable personality and zeal for work won her friends with all whom she came in contact.
Miss Mann, who had been enjoying her vacation for a week past, left in her auto Thursday with her police dog as companion and protector for Paris, Ark., via Denver, where she formerly resided. It is understood that she has retired from her many years of public health work and will be married on her arrival at Paris.

Miss Leah Jennings, for the past six months, relief nurse on duty at the inter-denominational hospital at Santa Domingo, and who was formerly connected with the state board of health of Texas, has been chosen to succeed Miss Mann in the Jackson county Health Unit work, and will take up her duties on October 1st, and become the team mate of Miss Vera Beard, the other county nurse. They have been friends for years, having met in public health work in Texas.

LUKE RYAN TO SELL SMART SHOP GOODS

The entire stock of the Smart Shop, which was formerly located at the corner of Main and Grape streets, has been purchased by Luke Ryan of this city and will be placed on sale in the near future. "This stock is surprisingly complete," says Mr. Ryan, "and will afford southern Oregon people an opportunity of buying at sacrifice prices some high quality merchandise. The stock is sufficient to enable shoppers to select from full lines."

The date of sale of ladies' wear which will be held by Mr. Ryan will be announced in the near future in the Mail Tribune. A location has already been secured by Mr. Ryan and already a corps of helpers are marking stocks in preparation for the event.

Local Briefs

Reese Baughman was fined \$25 and suffered a 30-day suspension of his driver's license when he pleaded guilty yesterday to a charge of speeding a Crater Lake stage in the vicinity of Eagle Point at a rate exceeding 40 miles per hour. Deputy Sheriff Paul Jennings was the arresting officer.

Arthur C. "Robbie" Robinson of Portland, who was in the city 10 days ago en route on a trip around the world with a camera, passed through last night after having returned to Portland, where he received an official start. He has with him a reference written by Mayor George Bager suggesting that courtesies be shown the traveler, who is making the trip with only \$100 cash, which renders it necessary for him to work his way. His itinerary will include the out of the way places not touched by the usual travel itinerary. After a year, the allotted time, he expects to be back with sufficient material to write a book.
