AUTO PURCHASE BY DIST. ATTY. O. K'D BY JURY

The following grand jury report was made public today: In the circuit court of the state of Oregon, for Jackson county.

Circuit Judge, Jackson County, Ore. We, the grand jury of Jackson county, state of Oregon, duly empaneled in the October term of the circuit court...

That we have examined all the witnesses in all cases in which crimes have been alleged to have been committed, and found indictments in these cases in which the evidence was sufficient, and not true bills in those cases in which the evidence was insufficient to warrant a conviction.

We have carefully examined into the matter of the purchase and use of automobile equipment by the district attorney and find same was handled in an honest and businesslike way; that the results accomplished by the use of said equipment, as provided under the law, has warranted the purchase and use of an automobile.

We further find that the said automobile purchased was purchased out of the prohibition fund created by the prohibition law violators namely, the bootleggers, and not by the taxpayers of Jackson county, Oregon.

We further find that the system of bookkeeping and record kept by the district attorney is true and correct and that his expenditures of the prohibition funds have been made as provided under the law, and that the district attorney has had his prohibition fund and system audited twice by E. M. Wilson, C. P. A., of Jackson county, Oregon.

Having examined into all matters that have been brought to our attention, we beg leave to be excused until further order of the court.

Dated this 3rd day of September, A. D., 1925.

S. P. HUNTER, Foreman, H. S. HARRISON, GEORGE W. KING, J. W. WAKEFIELD, JOHN A. MARCH, ORVILLE RICHY, LEWIS H. WYANT.

SUES FOR DAMAGES AS RESULT OF AUTO ACCIDENT, ASHLAND

C. M. Miles, age 67 years, a bookkeeper filed Friday a suit in the circuit court against W. T. Minor for \$17,940, for alleged personal injury and damage sustained in an auto accident on February 3, last.

Both litigants are residents of Ashland. Minor is one of the defendants named in the suit of the Ashland Baptist Church against the First Baptist Church, Inc., now pending on motions in the circuit court.

Miles charges in the complaint that he was returning from church, about 11 o'clock on the night of February 3, last, and while on the north side of the street known as the Boulevard, the defendant "old handle" and drove his automobile, carelessly and negligently, running same over plaintiff.

Beside the shock and nervous strain, Miles asserts that he suffered a severe gash on the side of the head, nearly had his right ear severed, sustained bruises and cuts on his legs and shoulders, and was unconscious for about eight hours.

Miles asks for judgment of \$1000, direct damages, \$500 special damages for loss of time at his occupation and \$59.40, the amount of his hospital bill, as a result of the accident.
