A car of blackberries from the Bagley Canning company's plant was shipped early this week, consigned to a large wholesale house in Ohio. This is the first carload of this fruit to be shipped from Southern Oregon. The car contained six hundred dozen cans or about 38,000 pounds of fruit, representing a payment of $1800 to the growers. The berries were grown in the Applegate country and until this year were never harvested. They were hauled 40 miles. Tons are declared to be going to waste for lack of pickers.

At the present time there are about 200 employed at the cannery, of whom 150 are employed during the day and 50 on the night shift. The heavy run is now on tomatoes, pears and berries. The pay roll is around $600 a day.

One of the pleasant times so often enjoyed by the "Who Do" class of the Methodist Sunday school occurred Thursday of this week. It was a combination swimming party and picnic dinner, each one having brought a covered dish, while insured a delightful feast of good things at noon, spread under the beautiful trees at Helman's, where the group enjoyed swimming during the morning hours. The afternoon was spent in a social time, fingers busied with needlework. There were twenty-five present, inclusive of the children, at this first meeting before the fall work begins. STATE MOTORISTS BRING ACTION TO GET SOLE AGENCY

SALEM, Ore., Sept. 5. — Circuit Judge L. H. McMahan this afternoon granted a writ of mandamus to the petition of Joe Dunne for the Oregon State Motor association directing Sam A. Kozer, secretary of state, to appear and show cause why he should not be directed to name the motor association as his sole agency in the city of Roseburg, for the purpose of registering motor vehicles.

In his petition Mr. Dunne sets forth that by virtual agreement with the secretary of state it was agreed that the motor association branch in that city was to be the sole registration office for motor vehicles from outside the state and that contrary to that agreement Mr. Kozer has refused to issue registration cards to the motor association. Further the petition states:

"That said service in said city of Roseburg as now conducted entails confusion, is a useless expenditure and waste of public funds, and the continuation of the said chamber of commerce of the city of Roseburg, as an agency of defendant for registration of said motor vehicles is in the interest of defendant's future political ambitions and to build up a political organization and machine in furtherance thereof, and his refusal to utilize said Oregon State Motor association at Roseburg, is arbitrary and without reason or excuse."

Judge McMahan set October 22 as the date for Secretary Kozer to appear in court and make answer to the writ.

Germany Grieves Over Shenandoah Disaster

BERLIN, Sept. 5.—(A. P.)—The destruction of the American naval dirigible Shenandoah brought expressions of extreme regret among the Germans. The German public knows what a dirigible accident means, since this country, the home of Zeppelin construction, has lost several in storms.

News of the catastrophe was posted on the bulletin boards in front of the newspaper offices and the successive dispatches giving the details and showing the full extent of the loss were eagerly scanned by crowds.

CENTRAL POINT

Thursday morning a party of fruit workers on their way to the orchard stopped to repair a tire and while one of the men was using a hammer on the rim Miss Iona Morton, who was one of the passengers of the car, looked over his shoulder to watch the work. Not knowing that anyone was near, the worker in delivering a hard blow swung the hammer quite forcibly over his shoulder hitting Miss Morton on the forehead just over the eye, stunning her to some extent and inflicting a painful cut in the brow.

Miss Morton was taken to a nearby house where the wound was treated and at last report she was apparently suffering but little. However, we should call it a close call, to say the least.

Mr. and Mrs. Roy Persall who have lived in this city for the past year have returned to their old home in Chehalis, Washington. Mr. Persall went to Chehalis some little time ago to secure employment and arrange for living quarters, returning Thursday evening of last week with a truck to move his household effects to the Washington home.

His son, Carl, went with the truck which left Friday afternoon, while the rest of the family left Saturday morning by auto. A letter to friends stated that the trip was made without mishap and in good time.

Mrs. J. S. Sanderson, who was visiting her mother and brother, Mrs. L. H. and C. E. Smith, has returned to her home which is in Sanborn, Iowa.

Miss Jeanette and Master Gerome Trill, son and daughter of Attorney W. G. Trill, left early this morning for Cascade Locks, Oregon, where they will attend school this term. Their father, Attorney Trill, is the bustling editor of the Central Point "American."

The family of C. E. Smith who were visiting in Portland for some six weeks, returned home last week. C. E. Smith and his mother motored to the northern city to bring them home.

Mr. and Mrs. Denton and family who have been spending the summer at their farm near Fort Klamath, have returned to Central Point for the school term.

Mr. and Mrs. E. M. Drysdale and baby daughter of Myrtle Point are visiting with Mrs. Drysdale's parents, Mr. and Mrs. R. H. Paxson.

Master Jack Smith, who had his tonsils removed last week, is doing nicely.

Baby Violet, three year old daughter of Mr. and Mrs. H. Fields, was taken to the Sacred Heart Hospital last Sunday evening, suffering with an attack of typhoid fever. While she has been a very sick little lady, she is getting along very nicely, and it is hoped that she will be well enough to be removed to her home soon.

Mrs. B. A. Atkinson and two sons returned Sunday from Diamond Lake where they spent several days. They report good fishing and a wonderful time.

L. N. Swartz, who injured his foot badly last week is again able to walk about. Mr. Swartz says that never again will he use his foot as a "chuck block" under a flivver wheel.

Postmaster and Mrs. Guy Tex returned Saturday from their vacation. They traveled by auto, visiting Oregon, Washington and Canadian points covering some 2500 miles in eight days of travel. They report a glorious trip and the northern country as looking very good.

E. F. Atchley and family left on Tuesday for Eugene, where they will make their future home.

H. L. Gear, wife and son of Steamboat Springs, Colorado, are spending a few days visiting Mr. Gear's brother, J. H. Gear of the Hotel Central. They will leave shortly for southern California points, where they expect to spend the winter.

R. H. Paxson attended the supper given in Medford Wednesday night by the Jackson County Health association for the visiting members of the Oregon State Medical society.

Families are again beginning to move into town, for the coming school term, that is, the few who can find some place to live. No houses, no new families; how can a town grow when there are not enough accommodations for the ones already here?

The Misses Violet and Elizabeth Scott spent Sunday at Crater Lake, having motored up Saturday night. The fair young ladies report a very enjoyable trip except for the fact that it was a bit lonesome, which situation seems entirely unnecessary, when one has met the young ladies.

No Flappers Allowed.
