In direct competition with the California peaches, picked for the eastern markets, and all averaging much larger than the local peaches, Ashland peach growers this year received a better price for their fruit than did the California farmers. Carl Brommer, manager of the Ashland Fruit and Produce association, declared today, "California had the largest peach crop in her history this year," he said, "and the fruit was of wonderful size. Not a carload went out of the southern shipping points where the fruit was smaller than 75% of the Ashland peaches averaged, from three to 15 per cent smaller than 84's. In spite of that fact, the Ashland growers realized from 77 cent to 85 cents per crate on the fruit."—Ashland Tidings.

WOMAN SO ILL WASHED DISHES SITTING DOWN

Mrs. Ashcroft's Remarkable Recovery After Taking Lydia E. Pinkham's Vegetable Compound

Covington, Ky.—"I was so weak and nervous I could hardly do my housework as I could not stand because of the bearing-down pains in my back and abdomen. I sat down most of the time and did what I could do in that way—as washing dishes, etc. One day a book describing Lydia E. Pinkham's medicine was put in my mail-box. I saw how the Vegetable Compound had helped others so I gave it a trial. I had to take about a dozen bottles before I gained my strength but I certainly praise this medicine. Then I took Lydia E. Pinkham's Blood medicine for poor blood. I was cold all the time. I would be so cold I could hardly sit still and in the palms of my hands there would be drops of sweat. I also used the Sanative Wash and I recommend it also. You may publish this letter and I will gladly answer letters from women and advise my neighbors about these medicines."—Mrs. HARRY ASHCROFT, 632 Beech Avenue, Covington, Kentucky.

Ampico Re-Enacting Pianos

It will cost you a few dollars more to buy a truly good piano than it will to buy the so-called "bargain." But think of the solid, moral satisfaction of owning a piano like the Kingsbury, the Conover, the Ludwig, or the Cable—as against the doubtful pleasure of owning an instrument of inferior make.

We sell these celebrated pianos in their latest, most beautiful designs, on the easiest kind of terms, and if you have an old instrument you wish to get rid of we will accept it as part payment at its full value.
