RACE FOR THIRD PLACE NOW BIG BASEBALL THRILL

NEW YORK, Sept. 11.—(A. P.) Blows dealt by Washington and Pittsburg have taken most of the fight for first place out of Philadelphia and New York but there is every indication that the season-long struggle for the third and fourth rungs in the division of both leagues will continue to the end.

After hammering away at the third place held by White Sox in the American league for weeks, the Tigers and the Browns passed the barrier yesterday and Chicago led to the second division.

Masterful pitching by Gaston and Winzard of the Browns, coupled with timely hitting by Herschel and Bennett accomplished a double defeat of Collins' team, 4 to 2 and 6 to 4, both contests going to extra innings.

Sister's team thereby rose from fifth to third place, while Detroit in fourth place, was the bridge over which the advancing and retreating baseball forces marched. The Tigers could get no better than an even break with the Indians, winning the first at six to one and losing the second, 7-2. The Browns are now one game ahead of the Tigers and the Sox a half game astern of Detroit.

St. Louis and Boston kept up their scramble for fourth and fifth places in the National. The Braves pulled up to within a single game of fifth place, St. Louis by sharing a double-header with the Phillies, winning an 8-3 victory after they had been shut out at 4 to 0 by Carlson, the Cards made the slight advance possible by dropping their game with the Pirates 9 to 5.

The Yankees equalled a 23-year old major league record when three of their heavy batting artillerymen maced the ball for consecutive homers in the opening game of a double-header with the Athletics. Bob Meusel, Babe Ruth and Lou Gehrig turned in the same performance. The Yanks won, 3 to 3.

The Philadelphia team turned the tables in the second encounter 5 to 4, after twelve innings. Cincinnati added another to its third place fortifications by routing the Cubs 8 to 3.

SLATTERY HOPES TO GAIN TITLE TONIGHT

NEW YORK, Sept. 11.—(A. P.) An opportunity to vault from the abyss of a stunning defeat to the light-heavyweight pugilistic throne, is afforded Jimmy Slattery of Buffalo, N. Y., in a fifteen round fight to a decision with Champion Paul Berlenbach at the Yankee stadium tonight.

Although Slattery, in the opinion of some critics has an excellent chance to lift the crown, the title-holder is an eight to one favorite.

Berlenbach is about ten pounds heavier and a hard puncher. He counts on his aggressiveness to sweep the clever Slattery off his feet.

World Series Tickets Are Already Sold Out

WASHINGTON, Sept. 11.—(A. P.) The champions' seven game lead for the American league pennant looks so big that Edward R. Bynon, Jr., secretary of the club, announced to today fans would be wasting time to send any more applications for world series tickets. Bynon said all reservations for all games Washington can hope for in the world's series have been made. No tickets, however, have been distributed.

PRESIDENT LUMBER COMPANY KILLED

EUGENE, Ore., Sept. 11.—Willbur A. Bourgeois, 41, president of the Bourgeois and Evans Lumber company of Noti was instantly killed yesterday morning when he was caught on the main drive belt of the company's plant and dashed against a pile of lumber.

His neck was broken when he struck the lumber. A bruise on the shoulder was the only other indication of injury. Bourgeois was one of the owners of the mill and had been connected with the firm about five years.

STINNES FORTUNE DISSIPATED IN LESS THAN YEAR

BERLIN, Sept. 11.—(A. P.)—Recently there has been world-wide curiosity as to whether the sons and daughters of the late Hugo Stinnes would succeed in emulating the example of "the five Frankfurters," as the five Rothschilds of Frankfurt became known because of their success in maintaining the family's unity and fortune. This curiosity now is rewarded by a spectacle which reveals the quickly accumulated estate of Stinnes, Germany's greatest industrialist, forced into liquidation, for money loaned, to save Stinnes' industrial empire.

Already Stinnes' banks, iron works, hotels, real estate, steamships, electrical plants, coke, coal and steel concerns, and the apple of the dead man's eye, the Deutsche Algemeine Zeitung, have been sold. But the family still has the Muehlem coal mines in which Stinnes started on the way to wealth.

"Stick together and stand by mother," this was the admonition of Hugo Stinnes as he lay dying in April of last year, addressed to his sons and daughters. He had in mind a family union for the protection of his vast and varied interests—valued at many millions of dollars.

But in less than a year of his passing the injunction became an ignominiously discarded family shibboleth due to conflicting opinions between the three sons and the widow, and soon the great estate became entangled in a web of financial difficulties which culminated in the present liquidations.

Intimate friends of Stinnes say he foresaw disaster in the diverging opinions of his sons.

There is some speculation as to whether the bankers will save for the family the Stinnes coal mines at Muehlem, or whether these also will be put upon the auction block.

SHOW GIRLS ARE RULED OUT MISS AMERICA CONTEST

ATLANTIC CITY, N. J., Sept. 11.—(A. P.)—The crown of "Miss America" will be placed tonight on the head of an "amateur beauty." The home girls have won their fight to bar Broadway show girls and other "professional" beauties from the annual beauty pageant.

The home influence permeated even the bathers' review yesterday on the board walk. It was a mile of parade in negligence. But the one-piece bathing suit was missing. Only two of the 65 beauties wore rolled stockings and only one braved the stares of 150,000 spectators with no stockings at all. There was much white silk and cretonne.

The fuss about professionalism started when Miss Ruth Malcolmson of Philadelphia, "Miss America" last year, refused to participate this year. Then Mildred Walker, "Miss Pittsburg," revolted. She thought it was all set for a Broadway professional to get the title and a motion picture contract at the same time. Dorothy Knapp as "Miss Manhattan," of the Ziegfeld Follies, and Kathryn Ray, "Miss Coney Island," of Earl Carroll's Vanities, quit the competition in response to the protests. So did Miss Walker and Mary Ann Guth, "Miss Erie."

The field of beauties has been narrowed to 15 for the selectio of Miss America tonight. The winners of first places in the sectional divisions are: New York and New England—Beatrice Roberts, New York City. Middle Atlantic—Helen Corcoran, Newark. Mid-western—Jane Porter, Detroit. Western—Fay Lanphier, "Miss California." Southern—Ruth Woodall, Miami.
