C. P. NEWSPAPER PURCHASED BY GRANTS PASS MEN

By P. M. Jones. CENTRAL POINT, Sept. 11.—A deal was consummated here this week in which the Central Point American was purchased from the founder, W. G. Trill by Messrs. John B. Sheley and Fred Miltenberger, both of Grants Pass.

We have a mighty nice paper in Central Point and there is reason to believe that it will continue to be

such, for the new owners are men of experience in the newspaper business. They are installing presses and will very shortly be in a position to handle anything in their line. Central Point welcomes the new firm Green and family, Fresno, Calif., and we all feel sure that they will not regret coming here.

Dr. Estrella Ford Warren of the Marion county health unit visited in Central Point this week. Dr. Warren needs no introduction to a large proportion of local people since she has become so well known by reason of her work in the public health service, especially in baby welfare.

Clyde Hanson and family have moved to Butte Falls where they will make their future home. Mr. Hanson is employed there as engineer by the logging railroad.

Fred Miltenberger and family have moved into the Isaacson apartment located over the Mary Mee drug store.
