PIRATES BEATEN TWICE, SENATORS TIE ATHLETICS

NEW YORK, Sept. 14.—(A. P.)—Stubborn resistance to leaders in the pennant race marked the start of the last three weeks of the major league season.

The Senators and the Athletics wrestled through an eleven-inning game at the capital yesterday with the score 6 to 6 when darkness intervened.

Goose Goslin was suspended and fined \$100 by Ducky Harris for errors.

Pitching weakness caused the downfall of the Pirates in both sections of a double bill with the Cardinals, 8 to 4, and 6 to 2, the last game being called in the fifth to permit Pittsburg to catch a train home.

The Giants, meanwhile, were beating the New Haven Eastern league team 5 to 2 in an exhibition game and Pittsburg's lead was cut to six games.

"Dazzy" Vance of Brooklyn pitched a no-hit game in the opener of a double-header with the Phillies. He shut out the same club last Tuesday with one hit in the second inning, so that he has allowed no hits in the last 16 innings. It was his first no-hit game of his major league career, which dates back intermittently to 1914 and the only no-hit game in the big leagues this season.

The Robins won the first game, 10 to 1, the lone tally of Vance coming on two errors and a sacrifice fly, and the Phillies took the second, 7 to 3, Hawks and Leach made home runs.

Pop bottles were showered on Harper of the Phillies in the second game when he nearly came to blows with Hargreaves after a collision at first base.

The Reds tightened their grip on 2. The Yankees lost to the Red Sox, 2 to 1. Babe Ruth snapped his streak of consecutive hitting games, stopping at nine.

The White Sox topped the Browns, 4 to 3, while the Tigers were humbled by the Indians, 8 to 6, in ten innings.

FOOTBALL OUTLOOK EUGENE, BRIGHT

EUGENE, Ore., Sept. 14.—With practically every letterman who is eligible for this year's varsity football team at the University of Oregon already at hand the training season for the 1925 team will start tomorrow. Oregon backers are hopeful over the outlook, though Coach Dick Smith has little to say.

One thing stands out in the minds of the followers of the sport this year, Oregon will have adequate and competent substitutes.

The list of veterans who will report tomorrow is encouraging, and the outlook quite bright.

LEFTY O'DOUL IS TIED FOR HITTING HONORS

SAN FRANCISCO, Sept. 14.—(A. P.) Lefty O'Doul went into a slump last week and the Pacific Coast league is without a batter who is hitting over the 400 mark. The Salt Lake outfielder dropped eleven points and is now tied with Paul Waner for top place with an average of .396, unofficial figures show.

Frank Brazill of the Seattle Indians is next with a .390 average and Rohver of Portland, batting .351 trails Brazill.

U. S. Golfers Win Cup ST. ANDREWS BY THE SEA, New Brunswick, Sept. 14.—The United States retained the Devonshire cup, emblematic of the senior team golf championship of the North American continent when American players defeated their Canadian opponents in a series of matches here today.

RELIGIOUS SCHOOL IN ASHLAND OPENS METHODIST CHURCH

ASHLAND, Sept. 13.—The Weekly Bible School of Religious Instruction was presented at the First Methodist church last night, with a splendid program, in short addresses from the ministers, a member of the Board of Education and the Superintendent of Schools, G. A. Briscoe. This school is to be conducted by the Ashland Evangelical association, financed by the members of the different churches represented. The Board of Education of the city schools of Ashland has granted the association permission to conduct two schools this year. They will be maintained for seven months beginning the first week in October, and held in the Methodist and Congregational churches. Children of the city of the third, fourth and fifth grades, will be welcomed into the Bible school, regardless of the church relationship.

The program, after song, scripture reading and prayer, and a solo by Mrs. E. O. Smith, "Holy Bible, Book Divine," was made up of five minutes, right-to-the-point addresses. The first "What Is the Week Day Bible School?" by the Rev. M. S. Woodworth; second, "Why I Believe in the Week Day Bible School?" the Rev. J. F. Rodman; "The Week Day Bible School, From the Viewpoint of the Superintendent of Schools," given by George A. Briscoe; "The Week Day Bible Schools from the Viewpoint of the Board of Education," by President V. O. N. Smith; "The Objectives of the Week Day Bible School," the Rev. S. J. Chaney; "The Bible in the Life of the Child," the Rev. W. J. Oldfield, and the closing appeal by the Rev. J. C. Mergler, "What You May Do for the Week Day Bible School." The evening was planned that parents and friends could gain a very definite idea of the plans for, and the possibilities of the school. In spite of the storm just at the hour of the assembly, there was a good attendance at the meeting. When the matter of raising the required budget of \$1000, which is already underwritten by the churches, over half the sum was pledged at last night's meeting, evidencing the keen interest in the project.

H. L. Claycomb, formerly of Walla Walla, Washington, who recently purchased the Ford Agency from the Harrison Brothers, took formal possession Saturday morning. Mr. Claycomb expressed himself as delighted with Ashland and its possibilities. He retains almost the entire force of the Harrison Brothers staff. Harry Harrison will remain at the head of the parts department. Alden Powell has been engaged in the sales department, Kenneth McWilliams having become the head of the sales department of the Pierce-Harrison Motor company. Miss Ruth Osmun, will remain in Ashland for a time representing the firm in the closing up of affairs, but will go to Medford later as head of the office force in the Pierce-Harrison company. C. H. Pierce and N. H. Harrison having purchased the Patton-Robinson interests and become the Chevrolet distributors for southern Oregon. Mr. Claycomb expressed his regret at losing any of the Harrison Brothers staff stated that his business transaction with the firm had been both pleasant and satisfactory.

Mr. and Mrs. J. L. Elhart of Caldwell, Idaho, are house guests at the home of Mr. and Mrs. H. H. Elhart on Nob Hill street. They expect to make an extended visit at the home of their son. They are former residents and have a host of friends who are glad for the opportunity to see them again.

Mr. and Mrs. Otto Winter have returned from their visit in Los Angeles where they were called on account of the critical illness of their son. It is a pleasure to state that he has recovered from the long and severe illness that has occasioned so great anxiety to his friends.

Mr. and Mrs. J. R. Robertson arrived from Berkeley, California, the last of the week and are in their own home on Almond street. The Robertsons have been traveling for a number of months for the benefit of Mrs. Robertson's health. It will be a matter of interest to their many friends that Mrs. Robertson has fully recovered from the long illness and is happy to be at home and engaged in the regular round of home affairs which she has missed for so long.

Miss Marjorie Payne leaves soon for Los Angeles, where she will attend the Bible Institute of that city. Miss Payne has been the efficient and courteous stenographer in the Billings' office for some time past, and her cheerful presence will be missed. Miss Dorothy Butcher is the new office assistant.

Miss Marion Leach leaves Saturday for Eugene, where she will attend the University. Miss Leach is one of the 1925 graduates of Ashland high.

On Monday evening the ladies of the Social Circle of the Christian church will have a social in the parlors of the church with refreshments served and a pleasing program arranged. Monday evening also marks the date set for a picnic given by the Ladies' Art Club, to be held in the park, weather permitting; otherwise it will be at the Civic club house, their usual place of meeting.

The Missionary society of the Presbyterian church meets at the church Wednesday afternoon at 2:30 o'clock. Mrs. J. M. Ross, president, has charge of the business meeting. The program is in charge of Mrs. Grace E. Andrews, assisted by Mrs. J. R. Elley, Miss Lucy Niver and Mrs. C. W. Nims. The devotionals are to be led by Mrs. J. C. Mergler. The subject under consideration is the "Youth Movement" with a survey of the Presbyterian program for the coming year.

A large attendance enjoyed the meeting of the Home Missionary society of the Methodist church Friday, with Mrs. S. J. Chaney, hostess, at the Yvonne. Mrs. Mallicoat led the devotionals, and Mrs. H. J. Van Fossen was in charge of the program. The subject was "Temperance," and she was assisted in the presentation by a number of others, Mrs. J. R.

McCracken presided at the business meeting and visited the hostess in the evening of the delicious refreshments, which followed the social hour.

The Markets

Livestock.

 Potatoes steady, new \$1.75@2.

San Francisco Markets
 SAN FRANCISCO, Sept. 14.—Butterfat f.o.b. San Francisco 69 1/2c.

DEER JUMPS BEFORE CAR AND IS KILLED

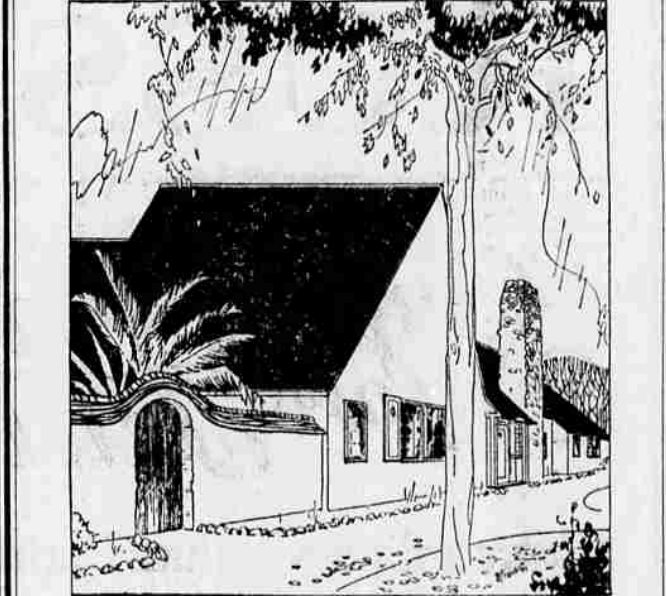

When motoring to Medford from Dorris, Calif., Saturday evening between 7 and 8 o'clock, Raymond Crump was the unwilling killer of a doe that jumped from a 12 foot bank to the road directly in front of his car. The deer was dragged 20 or 30 feet breaking its shoulder and back.

The animal's throat was promptly cut, its carcass loaded into the car and brought to this city, where it was dressed and hung in a tree. The game warden was then notified of its case. As the meat had hung un-salted it had spoiled and as a result was buried, instead of being given to the county poor farm as was planned. It is the request of local game wardens that if such cases should arise again in the future, a report should be made in a like manner.

Walter Offered Piano Job
 NEW YORK—Walter Damrosch, conductor of the New York Symphony orchestra is exhibiting proof that his genius has been recognized in the form of a letter from a New Jersey woman asking him to call and tune her piano.

Castle hats style

For men who like fine style

CASTLE Hats are moderately priced, but we couldn't put finer style into them if you paid us twice as much. Castle style is the result of two things—superb workmanship and the finest materials that can be bought. Castle hats come in many models—but you'll get Castle quality in any Castle hat.
