

AIRCRAFT PROBE READY TO HEAR EVIDENCE MONDAY

WASHINGTON, Sept. 18.—(A. P.)—The aircraft situation moved toward a complete sifting today as the president's special board of inquiry prepared for the opening of public hearings here next Monday.

Selection of a list of witnesses was the task assigned to several members of the board today, and these, the board has announced, will include Colonel William Mitchell, central figure in the storm of controversy over army and navy aircraft policies.

While the former assistant army chief thus will have opportunity to present to the board his criticism of the nation's aircraft defense, it also has become increasingly apparent that war department officials are satisfied his specific charges against the air service administration will lead to court martial proceedings. It is virtually certain that such a court would be ordered to sit here, although routine procedure probably will require another week before such a decision is reached.

Dwight W. Morrow, chairman of the president's board announced after its organization meeting yesterday that it planned to hear first representatives of the army, the navy and the postoffice. From this testimony the board presumably will chart the subsequent course of the broad inquiry with which the president has charged it with witnesses to be asked for criticisms and constructive suggestions.

LAND IS SOLD ON TUMALO PROJECT

BEND, Ore., Sept. 18.—The sale of four tracts of land on the Tumalo project was announced yesterday as the first concrete result of the campaign to secure 200 settlers for the project. None of the sales were of a speculative nature, D. J. McLellan, project manager, said.

Except for a deal two years ago this is the first sale of raw land in seven years. The tracts sold this week were each of 40 acres, half of the land being the \$1 an acre Carey act land while the balance sold for \$5 an acre.

STEPHEN MATHER TO DEDICATE TABLET

KLAMATH FALLS, Ore., Sept. 18.—Stephen A. Mather, director of national parks, is expected to be here Sunday to take part in ceremonies at Crater Lake when a bronze plate will be placed at the crater's rim in memory of John Wesley Hillman, who discovered Crater Lake on June 12, 1853. The memorial is being placed by the Klamath county chamber of commerce.

State and national officials also will be present. A speaking and musical program is being arranged. (Mr. Mather will stop in Medford en route to the lake to visit friends.)

The Markets

Livestock.
PORTLAND, Ore., Sept. 18.—Cattle receipts 50, market nominally steady.
Hogs steady; receipts 500 (87 through). Market steady.

NEW YORK, Sept. 18.—(A. P.)—The Pirates are now leading the National league flag race by seven games and the Senators are in front in the American league scramble by seven and one-half contests.

Ray Kremer limited the Braves to seven bingles while his buccaneer teammates rolled up thirteen hits for and 11 to 2 verdict yesterday. The Pirates gained half a game as the Giants were not scheduled.

The Phillies met with a five to two defeat in opening a series at Cincinnati, Carl Mays beating Ring in a pitching duel.

After Walter Johnson fell victim to the Tigers in the first part of a double header by 12 to 9, Stanley Coveleskie twirled the Senators to a 1 to 0 victory in the afterpiece, which was called on account of darkness in the sixth inning. It was Johnson's seventh defeat and Covey's eighteenth victory of the season.

The Red Sox weakened the Browns' hold on third place by handing them a double shut out, 2 to 0 and 4 to 0. As the Bengals drew an even break with the Griffins, Detroit edged to within one and one-half games of the third rung.

Quinn held the White Sox to seven hits while the Mackmen turned out a 6 to 3 victory in the final lineup of the clubs this season. In their series with Chicago the Athletics have won fourteen games and lost eight.

With Henry Johnson, Florida rookie, in the box, the Yankees won the final game of a series from the Indians, 5 to 0. It was the third straight victory for the Yanks over Cleveland and in the season's play, the Huguenots have won twelve of twenty-two games from the Speaker tribe.

Spaniards Land Again.
FEZ, French Morocco, Sept. 18.—(A. P.)—The Spaniards are reported to have affected another landing in Alhucemas bay, occupying a strip three kilometers (1.85 miles) deep flanking their original position on Moro Nuevo peninsula.

KLAN ISSUE IS UPSETTING DOPE IN BADGER STATE

MILWAUKEE, Wis., Sept. 18.—(A. P.)—Dissension in the anti-La Follette republican ranks which had more or less become apparent during the campaign for United States senator, came to a head yesterday when, after a conference of leaders for the purpose of uniting on one candidate, two candidates appeared.

Roy P. Wilcox, selected by a convention of anti-LaFollette republicans meeting at Oshkosh, as the primary and Edward F. Diethmar, a republican who registered as an independent, are in the running.

The conference succeeded in definitely eliminating one man, Arthur Barry, a republican, who filed as an independent and the only avowed wet candidate.

In the background, waiting for the situation to clarify itself sits Daniel Woodward with the endorsement of the Ky Klux Klan who, without making any apparent campaign in the primary, ran a good third. He has announced that he will get on the ticket if he finds it necessary, although he declines to make clear how he intends doing this in view of the fact that he has not registered as an independent and cannot get on the ticket in any manner, according to the opinion of politicians unless he has supporters write in his name.

William George Bruce, the democratic candidate in the primary, who did not poll five per cent of the

total of the democratic vote of the last election, will also run as an independent. John M. Work is the socialist nominee and George Bauman is the socialist-labor nominee. Tonight La Follette, who won the republican nomination by a plurality of approximately 90,000 votes, starts his speaking campaign in the final round of the campaign at Stevens Point.

JAILER FIRED, NO TRACE OF ESCAPES

SEATTLE, Sept. 18.—(A. P.) King County Sheriff Starvich today indefinitely suspended Head Jailer Dave Morgan for failure to pull a lever in the King county jail when six prisoners escaped Tuesday. The lever would have sounded an alarm at police headquarters.

"It took the prisoners twenty minutes to make their get-away," Starvich said. "Even after they left, the alarm would have brought out the motorcycle squad in ample time to take up the trail and keep their quarry in sight. Morgan not only
