#### SCHOOL BOOKS IN SAMS VALLEY ARE A VEXING PROBLEM

SAMS VALLEY, Sept. 18.—The heavy rain of Wednesday evening must have put quite a damper over things at the fair grounds. It at least served to awaken our people of the fact that fall was near and the time for getting up the winter's wood and putting the straw under cover had arrived.

School opened Monday with all teachers on deck, but a small attendance. Many more will enter later. Owing to the inability to purchase the new books and fair week being on, school was held but two days of the week and will open again next Monday. The new books worry gets somewhat on one's nerves as each time there's a change it is almost impossible to get the books anywhere. Since there is a complete record of every school pupil in the state and a knowledge of their requirements we can't find any excuse for this drawback to schools' progress occurring repeatedly each year of the change.

At the last meeting of the grange, two new members, Mr. and Mrs. Lamb, were initiated. The grange will meet again the second Saturday in October a basket dinner is a feature for the day and the farmers and wives of the precinct are invited to join the grangers with baskets and selves in attendance.

The grange will be called to order at 1:30 o'clock p. m. The meeting will be at the school house.

Mrs. E. A. Wilhite returned Sunday from a pleasant visit with her son's family at Lake Creek. She was accompanied home by her granddaughter, Miss Elsie Wilhite, who will remain here to attend high school for the year.

Two recent weddings concerning young people from our district came as surprises to most of us, especially the marriage of Miss Mabel Scott to Walter Messenger of Sardine, which took place at the county court house August 4. The happy couple left immediately for North Bend where Mrs. Messenger had contracted to teach for the coming year, it being her 5th term there. Miss Scott has been a resident of Sams Valley for a greater part of her life and is highly thought of by all her acquaintances. She is the daughter of Mr. and Mrs. Walter Scott and a popular teacher of Southern Oregon. Mr. Messenger formerly resided here, where he and his father were interested in a saw mill and later moved to Sardine, where he still follows the same business.

The marriage of Miss Ivern Holst, daughter of Mr. and Mrs. John Holst, to Ernest Hollenbeck, had been expected but not so soon. Mr. Hollenbeck has been a resident of our community for most of her life and was a high school sophomore last year.

The groom is well known in Jackson county, having served several years in the government forestry employ previous to taking up a position with the Copco, where he is now employed in California. The well wishes of friends go with both couples for a long and happy union.

Will Moore of Evans creek has been through our precinct looking for feeder hogs which seem to be rather scarce now.

Mr. and Mrs. Ernie Pearson of Salem, Ore., are pleasant house guests at the home of Mr. and Mrs. John Hall.

A coyote, which caused a great deal of excitement last week in our community fell victim to a miner's rifle after an interesting chase of several miles.

The pester was first discovered in a bunch of fine turkeys belonging to Mrs. O. H. Tresham, where he succeeded in slaying 19 fine birds before shots from a rancher's rifle could frighten him away. While on the run he came through a band of turkeys belonging to Mrs. W. A. Tresham and ravishly bit one's head off. The Tresham hounds were soon turned loose and the coyote was next seen at the Wilson place. Men with guns soon frightened him on his way till Nelson Oden who had seen the animal at his second stop, caught sight of him in the public road on the way to Gold Hill. The animal seemed to prefer the road to the hills where the dogs seemed to have better chance. Mr. Oden described the coyote as the boldest one he ever saw, it having run along in front of his car for two hundred yards. He was wishing hard for a gun when a resident along the road near Gold Hill caught a glimpse of the animal and with his rifle ended the chase.

The Johnson boys and Treshams returned Monday evening from a deer hunt in the Evans creek vicinity. From the decoration of horns they came back well supplied.

#### MANY YOUNG PEOPLE FROM PHOENIX NOW ATTENDING COLLEGE

PHOENIX, Sept. 18.—Mr. and Mrs. Harold Davison of Santa Rosa, Calif., have been visiting Mr. and Mrs. A. H. Fisher.

Roscoe Owens of Wellen was a Phoenix visitor last Thursday.

Phoenix young people who are leaving this week for college are as follows: Leonard Brown who graduated from Coe college in Iowa will enter San Anselmo Presbyterian Seminary; Edith Gore goes to the normal at San Jose; Mildred Ward, Andrew Stevens, and Ruth Miller will enter O. A. C.; Mildred Bolz, Jeannette Sheets, and Sylvester Stevens return to the University of Oregon; and Guinevere Kerns will enter the normal at Monmouth. Of this group Andrew Stevens and Guinevere Kerns were graduates of Phoenix high school last May.

Next Sunday morning Rev. R. W. Nelson will preach on the subject, "The Camp of the Lord," and in the evening, "The Man Who Might Have Been."

Mr. and Mrs. Walter Fraser Brown have been called to Kalispel, Mont., by the death of Mr. Brown's sister, Miss Lella Brown who is well known here. Their many friends sympathize with them in their bereavement.

Mrs. Von der Hellen was in Phoenix this week on business.

Bessie Hilderbrand and Marvin Montgomery have entered high school.

Fresh paint and new wall paper make the high school study hall very attractive.

For the school exhibits at the fair, the high school won the first prize for schools of its class; and the grade school won second prize in its class.

The Phoenix schools met in the assembly room Wednesday afternoon for a Constitution day program. Following the singing of patriotic songs by the school, and the reading of the governor's proclamation by Elsie Bolz, Principal Avarad Whitman introduced Judge W. D. Barnes as the speaker of the afternoon. After briefly reviewing the history of the Constitution, Judge Barnes interpreted the meaning of good citizenship, and urged the pupils to prepare to perform with integrity their duties as citizens.

Clyde hall was filled Wednesday evening, Sept. 9 with the many friends of Rev. and Mrs. R. W. Nelson who met to welcome them home after their summer in Montana. After the supper was over, Mr. and Mrs. Nelson were given a canned fruit shower, by the friends who realized that Mrs. Nelson had been away during the greater part of the singing season. The evening was spent with singing and impromptu entertainment.

Picture Brides at Rialto.

The smuggling of Chinese "picture brides" into this country, a little known industry which has assumed enormous proportions on several of our far flung frontiers, is the subject of a particularly vivid and dramatic picture which comes to the Rialto theater today.

"Speed Wild" is the title of this production, which features Lefty Flynn. The part of Jack Ames, a wealthy idler about town who turns motorcycle cop to help his friend, the chief of police, and who becomes embroiled in the tolls of the traffic in Chinese girls, fits the debonair and athletic Lefty like glove.
