WOMEN RELEASED IN LARCENY CASE, THREE BOYS HELD

Delbert, 15, Clyde, 17, Cyril, 11, and Ellis Lacy, 13, of Ashland will face charges of larceny arising from thievery they are alleged to have committed in different homes in that city. The action will shortly be filed.

The four boys are alleged to have stolen furniture from the homes of Guy Good and Verne Temple, part of which was later recovered in the Lacy home. Many articles that could be burned were destroyed in a heating stove, while the rest of the loot was found scattered promiscuously about the house, local officials claim.

Mrs. Eva Saxton and Mrs. Ossie Bennett, alleged to have taken part in the thieving, were given a preliminary hearing in Judge Taylor's court yesterday and because of lack of evidence their cases were dismissed. Chief of Police McNabb of Ashland, a state witness, was unable to attend, while the expected testimony of another witness did not materialize.

"The whole affair," said District Attorney Chaney this morning, "will be turned over to the action of the next grand jury."

The boys are at liberty on their own recognizance with the exception of Clyde who is in the city jail at Ashland.

H. S. Wheaton, 21, charged with larceny from a dwelling, was also given a preliminary hearing before Judge Taylor yesterday. His case was turned over to the next session of the grand jury.

He is alleged to have stolen several articles of furniture, including a large mirror, and to have sold them to a front street second hand store, receiving \$15 in remuneration. Ray Scott, the proprietor, at yesterday's hearing identified Wheaton as the man selling him the furniture alleged to have been stolen from a country residence some time ago.

On his plea of guilty to a charge of careless and imprudent driving, preferred against him by State Traffic Officer K. F. Bloom of Albany on duty here a short time, Elmer Harris of Phoenix was fined \$15 in Judge Glenn O. Taylor's court this forenoon.

Henry C. King of San Francisco forfeited a \$25 cash bail by not appearing this morning in the same court to answer a charge of unlawfully passing a car on the Pacific highway without proper clearance. The charge was preferred against him by the same officer.

High School Selects A New School Room

After it has been somewhat remodeled, a room in the Salvation Army building on North Bartlett street will be used as additional class room by the high school, according to the city school superintendent's office today.

Classes will be held there daily to take care of the overflow of the English and algebra classes, with the possible addition of one or two others. Last year's overflow classes met in the Medford building.

The teacher who will be in charge of the room has not been engaged, but such action is expected to be completed by the school board in the near future.

FOREST FIRE SEASON IN DESCHUTES CLOSED

BEND, Ore., Sept. 18.—All lookouts in the Deschutes national forest were brought in yesterday, marking the end of the 1925 forest fire season. Rains during the last few weeks made possible the removal of the lookouts earlier than a number of years, according to forestry officials.

This season has been the lowest ever recorded here. While the number of fires spotted, 135, during 1925 was about the same as during 1924, the acreage in 1925 was only 400 as against 14,525 during 1924.
