## DOUBLE VICTORY IN GAMES TODAY CLINCHES PENNANT

NEW YORK, Sept. 24.—(A. P.)—The National league pennant race is over with the bunting nailed firmly to the Pirates' mast. Washington could settle the American league controversy today if it should win its double bill from the Indians and the Athletics should bow to the Browns.

Pittsburg has been chasing the championship for 16 years without success. Manager McKechnie, his assistants and players were given an ovation by fans who swarmed the field yesterday after the Corsairs defeated the Phillies, 2 to 1. President John A. Heydler of the National league, at the game extended his congratulations.

Roger Peckinpaugh, Washington shortstop, has been chosen as the American league's most valuable player in 1925 by a committee composed of one veteran baseball writer in each city of the circuit. He received 45 points out of a possible 64. Al Simmons of the Athletics was given the next best rating with 41 points.

The Giants concluded their appearance at St. Louis by taking a double trouncing from the Cardinals, 8 to 0 and 8 to 2. Sothoron blanked the New Yorkers in the first fray. The second game was called after six innings to allow the Giants to catch a train.

Chicago took the final game of a series from Brooklyn, 2 to 1. The Robins have lost ten straight. The victory gave the Cubs an even break in the 22 games played this year with Brooklyn.

The Braves annexed both sections of a double-header from the Reds, 6 to 1 and 2 to 1, the last game going 12 innings.

While the Senators were without a game, due to cold weather, the Mackmen whipping the Browns twice, six to three and seven to three, cut Washington's lead to seven and one-half games. Hale's circuit smash with two on base sewed up the first game while successive homers by Welch and Holt in the fifth inning, decided the second fracas.

Garland Braxton, recruit from the Springfield Eastern league club, pitched his first game for the Yankees and defeated the White Sox 7 to 6.

Detroit topped the Red Sox, 15 to 1. Fred Haney, third sacker for the Tigers, sustained a slight concussion of the brain after being hit by a pitcher's ball by Howard Ehmke in the fourth inning. Haney was taken to a hospital.

## SPORT BRIEFS

SEATTLE, Sept. 24.—(A. P.)—Coach Enoch Bagshaw is putting the University of Washington Huskies through two stiff practice sessions daily in preparation for the first gridiron tilt of the season Saturday with the eleven from the Willamette university.

Lineups in scrimmage squads are changed each session as Bagshaw is seeking material for the line which will face tougher games later in the season.

Two full teams probably will be tried out in the Willamette game to give Bagshaw an opportunity to observe the behavior of some of his new men under fire.

MOOR PARK, England, Sept. 24.—(A. P.) Jack Dempsey, heavyweight boxing champion will appear in an eight round boxing exhibition at Ashland, Ky., October 3. Pat Canepa, promoter, announced today. Canepa said he would select two boxers to face the champion.

## BULL BUFFALO IS EMBLEM YANKEE FLYERS IN RIFF

OUZZAN, Morocco, Sept. 24.—(A. P.) A charging black bull buffalo painted in an orange circle on their planes, is the emblem of the American aviators serving on the Moroccan front. The emblem was designed by two of the American fliers, Captain Lansing C. Holden, and Lieutenant Cousins, both well known in the younger American art circles of Paris. Their work with the paint brush on the fuselage of their own machines are masterpieces which have evoked the admiration of the natives.

Other members of the Sherifian squadron, the name given the American contingent were not as expert in painting. Some of the native soldiers thought that the beast on Captain Mustane's plane was a sea lion.

## RED CROSS SEEKS AID FOR FAMILY

The Red Cross has on its list a family with six children who are greatly in need of clothing. The children's ages range from 12 to one year old. The three boys, 8, 10 and 12, need clothing so they can enter school; also a little girl of five years needs to be supplied.

The Thrift Shop can supply some of their needs but is very low on boys' clothing so the shop is asking for clothing for this family, hoping that some one who has garments which have been discarded will respond to this request. Phone 456.

## COL. MITCHELL WILL TESTIFY MONDAY AIR BOARD QUIZ

WASHINGTON, Sept. 24.—(A. S.) With its preliminary survey of the military and postal and air services completed, hearings before the president's air board were in suspension today until Monday when the next phase of the inquiry will open with the testimony of air pilots.

In the interim the board will have opportunity to study the mass of information already presented by the war and navy departments, including the controversial issues emphasized by the divergence of opinion in the war department on the question of air defense organization.

Colonel William Mitchell, whose advocacy of a unified air service under a department of national defense found support in the views presented to the board Major General Patrick, chief of the army air service, is one of the army fliers to be heard. The former assistant army air chief, whose most recent attack on the army and navy air service administration caused a controversy that largely brought about the present inquiry is expected to appear before the board on Tuesday.

## LIONS CLUB LISTENS TO WET TALKERS

The regular weekly meeting of the Lions club on Wednesday was as wet as it was at the fair last week owing to the nature of the speeches made. Mr. Dillard, engineer for the water board, gave the Lions some facts about the present water system and stated answers to questions concerning the proposed new system. His hearers were much impressed with the logic of his conclusions which seemed to indicate that a new water system is a necessity.

Henry Gard, a prominent member of the Oregon Irrigation Congress who has been in Medford several days addressing the various service clubs and urging them to take an active interest in the coming Irrigation Congress in Grants Pass on October 6th, 6th and 7th, also addressed the Lions. His talk was very interesting and showed that Oregon must organize its forces in order to secure the necessary funds for further irrigation development in the state.

"Spike" Dawson, one of the Lions, entertained with vocal selections.
