#### SAMS VALLEY

A mistake was made in our last issue when our next Grange meeting was given as the second Saturday of October. Our Grange meets the first Saturday of each month and will meet the first Saturday of October with a basket dinner at noon. Any visiting Granger will be gladly welcomed.

News is slack this week and items scarce, but since we heard an Ashland recently say the Sams Valley items were greatly missed when not given each week, it will be our endeavor to have ourselves on the map each week to be ever so small; for it is of interest to know that readers so far from here are watching our progress.

In reading of the recent traffic death of Miss Tabor of Chicago, daughter of the late Senator Tabor of Colorado and known as "Queen of the Miners" D. C. Wilson brings distinctly to mind the memory of the fair haired little girl he had met in the freighting days of the eighties at Silver Cliff, Colo. The little girl who was so devotedly worshipped by the food father, resulted in those days little prospect of leading the sad part in future life which caused her death.

Pear picking in this vicinity is practically ended and apple harvesting is now well on the move.

Mr. and Mrs. J. A. Cook and Mrs. Pitta Hayler attended the Pioneer's Reunion at Ashland, Thursday.

Sams Valley people are glad to read that some of our people were enthusiastic enough to send in exhibits for the county fair and are proud that Mrs. Ed Moore who won so many premiums in the culinary art is from our precinct, though recorded from Gold Hill.

Many Sams Valley people returned from the fair with the feeling that they could have possessed several first prizes if they had exhibited their produce. We hope this experience will awaken new interest again in our fair. We have won premiums and can again.

The road graders are at work on roads this week, where some needed improvement has been plainly noticeable.

It was certainly a pleasure to those interested in the progress of the Granges of Jackson county to witness the splendid showing made by them in their booth at the county fair. Through a misunderstanding Sams Valley failed to help in the exhibit, but she will do her share next year and hope the Grangers can make their booth the best of all.

Rev. Randall of Medford delivered an interesting sermon at the school house Sunday evening.

#### REESE CREEK RIPELETS

The all day meeting Sunday was quite well attended, the forenoon service was taken up with the Sunday school and preaching. Rev. D. D. Randall, the American Sunday school Union missionary. He took for his text Isa. 53:4-5: "Surely He hath borne our griefs, and carried our sorrows: Yet we did esteem Him stricken, smitten of God and afflicted for our transgressions. He was bruised for our iniquities; the chastisement of our peace was upon Him; and with His stripes we are healed." Rev. Randall brought out many good things after dinner and the social hour. Rev. Eaton of the Baptist church of Medford spoke on "Why I believe the Bible to be the Word of God." He gave some timely thoughts and Rev. Johnson of the federated church of Central Point spoke on "The Deity of Jesus Christ as taught by Himself." He gave some very conclusive proofs that Christ is the Son of God. Next Sunday is the quarterly review and will be Rally Day. The memory verse is: "Whom having not seen, He love; in whom, though now ye see him not; yet believing, ye rejoice with joy unspeakable and full of glory."

### GENE TUNNEY HOPES TO BEAT MADDEN IN BOUT TONIGHT

MINNEAPOLIS, Sept. 25.—(A. P.)—Gene Tunney, American light-heavyweight champion, hopes to stamp himself as the outstanding contender for Jack Dempsey's crown in his fight here tonight with Bartley Madden of New York, a match the fight, scheduled for 10 rounds, will be in the Minneapolis hockey arena, the largest auditorium in the city. There will be no referee or judges' decision, only the usual newspaper verdict.

Tunney hopes to do what no other heavyweight has done—knock out Madden. Madden stayed 15 rounds with Harry Wills, the negro heavyweight, losing the fight on points.

"I feel that if I can stop Madden," Tunney said today, "it will further my interests toward a match with Dempsey. It should create an immediate demand for a Tunney-Wills match. That is my first ambition."

Madden says he is not worrying about a knockout. He insists he will be quite able to stand when the bout ends, and hints at a belief that he will be the only one able to do so.

### WASHINGTON GRABS PENNANT, DOUBLE VICTORY CINCHES

NEW YORK, Sept. 25.—The American league pennant, few unchallenged at the Washington masthead today for the second consecutive season. Clark Griffith's Senators made certain of meeting the Pirates in the world series by sweeping both ends of a double header against Cleveland yesterday, 4 to 1, and 6 to 2, while the Athletics were succumbing to the Browns in an eleven inning contest, 6 to 4.

Nine games ahead, Washington can lose all its remaining games and still take the flag. Leading the Tigers to four hits, Ruffing pitching shutout ball for the Red Sox yesterday, 5 to 0, reducing the chances of the Cobb men finishing better than fourth. The Tiger's defeat coupled with the St. Louis victory over the Mackmen put Detroit two and one-half games behind the third place Browns.

Habe Ruth beat the White Sox by a homer in the tenth with the bases filled, making the score 5 to 5.

Habe's twenty-first homer in his career marked the sixth time in his career that he had delivered a four ply smash with the wicks filled.

Pittsburg, with the National pennant already won, could afford to suffer a shutout, four to nothing, at the hands of the Giants. But New York had the satisfaction of clinching second place in spite of a 2 to 2 verdict scored by Cincinnati over Brooklyn in eleven innings.

Bob McGraw, Brooklyn recruit from St. Paul allowed only eight hits. Eppa Rixey won his own game with a single which drove home the deciding tally.

WASHINGTON, Sept. 25.—(A. P.)—Although they have clinched the American league pennant, the Senators will place their full strength in the field today against St. Louis here and the regulars will continue in the lineup during the three-game series.

With the Browns, Detroit and Chicago fighting for the third and fourth place, Manager Harris said he would use the same strength against St. Louis that he did against the two other clubs. When the Senators go to Boston next week most of the regulars will be left behind to put themselves in shape for the world series.

President Griffith said the Senators would arrive in Pittsburgh October 5. This will give them the next day to work out on Forbes field preparatory to the opening clash of the world series, October 7.

President Coolidge, who threw out the first ball in the opening game of the world series here last year, was invited today by Clark Griffith, president of the Washington club, to act in a similar capacity October 9, the first day the Pirates appear here. He took the invitation under consideration. The president will return to the city from his trip to Omaha October 8, thus permitting him to attend the opening game if he desires.

### THIRD PLACE RACE AMERICAN LEAGUE KEEPS UP INTEREST

### FOOTBALL SEASON STARTS TOMORROW, EAST AND WEST

NEW YORK, Sept. 25.—(A. P.)—Football's steady march to new heights of competition of popular interest apparently will have increased momentum in the season which has its main kickoff tomorrow in various sections of the country. The campaign of 1924, starting in many aspects, set new marks, but 1925 is expected to see most of these records displaced. With no wetdays, this fall's battles should shatter all previous attendance standards.

Public interest will be spurred by brilliant conflicts, east and west, with more than two score inter-sectional frays.

Inter-sectional strife starts tomorrow when two colleges whose teams stood at the top in 1924 come to grips at South Bend, Ind. These are Notre Dame, the nation's outstanding eleven last fall, and Baylor university of Texas, champion of the southwestern conference.

Many of the individual satellites of 1924 have passed from the gridiron but the most brilliant of all—Red Grange of Illinois—will be back to captain his team in his final season. He will campaign through eastern as well as western fields for Illinois meets Pennsylvania at Philadelphia in one of the season's inter-sectional contests.

The University of California has gone through five straight seasons without setback and begins its campaign for a sixth tomorrow.

For the most part tomorrow's opening games will amount to only preliminary flourishes for major college's priming themselves for bigger quarry. Most of the leading teams, however, will be seen in action except for the members of the eastern "Big Three"—Harvard, Yale and Princeton—and the western conference eleven which do not start their schedule until next Saturday, October 3.

WASHINGTON, Sept. 25.—(A.
