HEAVY DOCKET OF CRIME CASES IN CIRCUIT COURT

One of the heaviest criminal calendars in months in this county will be heard at the term of the circuit court commencing Monday, October 19th, and the first four cases on the docket for trial, are as follows:

Bill Short, alias Shannon, charged with threatening the lives of Sheriff Jennings and Federal Enforcement Officer Cletus McCredie during the progress of a premature raid for illicit liquor, by holding them at bay with a rifle, while alleged associates dumped the moonshine. The officers were visiting the Shannon ranch on the Applegate when they unexpectedly came upon Shannon and two others engaged in loading an auto with moonshine. Shannon "got the drop" on the two officers. After the moonshine had been destroyed, Shannon "listened to reason." Three other indictments, charging violations of the prohibition laws stand against Shannon. Shannon is defended by Attorney Rawles Moore.

Jack Durando of this city, will be the second to go to trial, charged with the setting up and operation of a still for the manufacture of intoxicating liquor.

The third case is that of Willis A. Scott of this city, charged with driving an auto while intoxicated.

The fourth case is that of the state against Omar Murphy of this city, charged with manslaughter, in connection with the death of his wife last spring following the alleged administering of a beating by the defendant, during the progress of a domestic quarrel. The case is expected to last four days. The defense will be represented by Attorney George M. Roberts.

There are seven other criminal cases and a long list of civil actions to be tried, including the suit of the Ashland Baptist church against the First Baptist church of Ashland, which is expected to last a week or ten days, and be one of the hardest fought civil actions in the history of Jackson county.

INJURED JOCKEY WINS BIG RACE AT STATE FAIR

SALEM, Ore., Oct. 1.—Jockey Rettig, who was injured in racing last Monday, riding Rochester, Jr., to a whipping finish, captured the Governor Pierce derby yesterday afternoon on Lone Oak track when he came across the wire ahead of three other entries. The fast time of 1:47 3/4 was made for the mile and a sixteenth. Miss Eva Sande of Salem, sister of Earle Sande, America's premier jockey, crowned the winning jockey and horse. A \$2000 purse and a large silver cup were presented to Rettig by Governor Pierce who made a few short remarks on the history of the racing game.

Rettig got his horse off to a good start and led the rest of the field for nearly half a mile before the rest of the field was able to close up on him. Poor Pass, with Buell up, took second place and Bernice E with Gibson up, came in third. Black Shasta, ridden by Donovan came in fourth.

Rettig rode a remarkable race and seemed to have totally recovered from his injuries sustained when he fell Monday. Governor Pierce, in presenting the trophy to Rettig, a Portland boy, expressed satisfaction in the interest shown in the event. "It pleases me greatly that a horse bred in the northwest has taken first place," said the governor. Rochester, Jr., was bred by B. J. Bagley of Vancouver, Wash.

YOUTH GETS PAROLE FROM COUNTY JAIL

A parole was issued Wednesday by Circuit Judge C. M. Thomas to Howard D. Dorman, sentenced to serve six months in the county jail, on his plea of guilty to a charge of larceny in September. The order of parole states that Dorman is a young man, and his present predicament is his first entanglement with the law, and upon these facts the court decided to extend leniency. Under the terms of parole Dorman is to engage in some useful occupation, and report monthly to the court.

MEDFORD SCORED FOR ACTION ANENT CAVES

In an editorial on "Southern Oregon Unity," based on reports of a unified action by the southern Oregon chambers of commerce for work on the Crescent City harbor, and looking forward to an east and west transcontinental railroad with a water outlet at that port, which the editorial commends, a verbal fall is taken out of Medford as follows:

"And in the discussion of co-operation, special mention must be given to Medford, citizens of that city, beholding the desire of Williams creek residents for a road to the Caves, have taken upon themselves the task of bringing about the organization of a super-road district, embracing a part of this county. They have even gone to the expense of sending a delegation to Portland to meet with the highway commission. Noble, magnanimous Medford! Surely such a spirit should be rewarded, even to the extent of offering aid to Gold Hill for their super-road district to Crater Lake."
