SOUTHERN OREGON DISTRICT PRAISED BY M. E. LEADERS

EUGENE, Ore., Oct. 1.—The meeting of the 73rd annual state conference of the Methodist Episcopal church last night was given over to the anniversary board of home missions and church extensions.

"Problems and opportunities of the modern city for Christian service," were discussed by Rev. Byron H. Wilson, D. D., superintendent of the Seattle district and "Problems and possibilities of the rural church" was the topic of Rev. J. H. Secor, of Pendleton.

The women's foreign missdon department of the conference held its first session yesterday, during which its work was highly praised in an address by Rev. Joseph Knott of Roseburg. The work of supporting the 32 missionaries that the women of Oregon, Washington and Idaho are doing was highly complimented. The church now has 700 missionaries in nineteen foreign countries, it was said. Last year was declared to be the banner year of the department in point of service and Christian work.

The reports of the four districts of Oregon were given during the business session yesterday. Dr. S. A. Danford of Eugene, read the report of his district of southern Oregon and was highly commended by Bishop Walter Sheppard who is presiding, and by other members of the conference.

The year has been one of great accomplishments in all districts, the reports showed. Dr. Danford is retiring from the position of superintendent, after serving the alloted time, six years.

RALLY DAY SUNDAY AT CHRISTIAN CHURCH

Next Sunday will be "Rally Day" at the First Christian church, at 9:45. The Bible school will assemble when the mark of 404 in attendance is hoped to be reached. Teachers and classes will be provided for all ages. The primary department has just been enlarged and will accommodate 100 little folks. All members of the church are urged to come. Several new families are expected to unite with the church.

The sermon by the pastor, D. J. Howe, at the morning service, will be a message in keeping with the program of the day, the text being, "For This Cause."

The young people will rally their forces for a great meeting at 6:30 p. m. And an evangelistic sermon at 7:30 will close the day's program. Work on the new building has begun and will be pushed to early completion.

A richness that satisfies, a flavor that charms, in these *Coffees aged* in the *tropics*

Nature is sometimes slow in yielding to us her treasures. And so the *real* goodness stored away in fine coffees must be patiently coaxed to the breakfast cup by aging these coffees *in the tropics* before they are shipped.

So great is the demand for coffee that little can remain in tropic warehouses to age properly. Hence most coffee drinkers experience but partly, the entrancing flavors that are really there.

Not so with those who have found S&W Coffee. Adequate supplies of the rare aged coffees are secured for S&W. To this blend is added just a dash of new coffee to emphasize mildly the smooth mellowness.

Imagine, then, the delectable flavor, the deep richness, the delights, that await the palate! Yes, you'll notice a difference, but S&W Coffee grows upon you as you detect the true coffee-goodness developed by nature.

S&W Coffee maintains the reputation of all other S&W Fine Food Products for extraordinary goodness. If you've used S&W Products you'll know what S&W Quality means.

S&W—Consistent Goodness

Consistent, as well as extraordinary goodness is characteristic of S&W Fine Food Products! For more than a quarter century this reputation has prevailed for S&W. An exacting standard in quality, grading and packing methods has built this reputation.

WEAK, RUN-DOWN NERVOUS, DIZZY

Mrs. Lee Suffered From All These Troubles, but Lydia E. Pinkham's Vegetable Compound Made Her Well

Terre Haute, Indiana.—"I was weak and run-down and in such a nervous condition that I could hardly do my work. I was tired all the time and dizzy, had no appetite and could not sleep. I tried different medicines for a year but they did not help me. Then my husband saw the ad. for Lydia E. Pinkham's Vegetable Compound in the newspapers and had me take it. I regained my strength and never felt better in my life. It completely restored me to health. I had practically no suffering when my baby boy was born and he is very strong and healthy. I know that the Vegetable Compound is the best medicine a woman can take before and after childbirth for health and strength. I would be willing to answer letters from women asking about the Vegetable Compound."—Mrs. Wm. J. Lee, Route E, Box 648, Terre Haute, Indiana.

Lydia E. Pinkham's Vegetable Compound is a dependable medicine for all these troubles.
