SALEM, Oct. 2.—A lively discussion was raised at the M. E. conference today when the matter of payment of a pledge made by the conference for a part payment of the Bishop Matthew S. Hughes memorial window in the Medford Methodist Episcopal church was brought up. The conference a year ago pledged \$500, half of which had been paid. This morning a solicitation among the ministers resulted in nearly collecting the balance. The campaign for a fund of \$250,000 for a permanent ministerial pension fund has resulted in a sum of \$125,000 being raised. 174
