ASSOCIATED PRESS PAYS TRIBUTE TO CHICAGO EDITOR

NEW YORK, Oct. 8.—(A. P.)—A tribute to Victor Fremont Lawson was adopted unanimously by the board of directors of the Associated Press as the first action of the first meeting held since his death.

In a resolution eulogizing him as a true American, a Christian gentleman and a courageous newspaperman and a tower of wisdom and strength, the directors ordered Mr. Lawson's portrait reproduced in a steel engraving and a copy sent to every member of the Associated Press, which he founded.

Sympathy was extended to members of Lawson's family and co-workers in the Chicago Daily News.

The resolution follows: Victor Fremont Lawson. Born at Chicago, Ill., September 9, 1859. Died at Chicago, Ill., August 5, 1925. Proprietor of the Chicago Daily News.

Founder of The Associated Press. The members of the board of directors of The Associated Press lament the death of Victor Fremont Lawson, a man of brilliant and conscientious mind, with the highest conception of his obligations as a citizen; fair, just and honorable in all his transactions; of pleasing personality; a loyal friend, a charming companion. He was a true American in every fibre, an outstanding Christian gentleman who made Divine wisdom his guide, a courageous, generous and enterprising newspaper man, practicing the highest ideals and ethics of journalism; a tower of wisdom and strength in every activity with which he was associated.

Mr. Lawson's life, his work, his achievements, the devotion of his most intimate friends and the impression he made upon all who had the privilege of his acquaintance, will not only be a cherished memory of the profession to which he gave his life, but will also be an example and inspiration to all who are right minded and aspired to useful life and the respect and admiration of mankind.

Victor Fremont Lawson was the first president of a national association of newspapers to gather and distribute news without profit and with the sole purpose of fairly, promptly and honestly informing the public of the happenings and occurrences of the day. He led the revolt against privately owned and controlled news agencies and gave to the movement the stamp of his high character and unselfish public service and the financial outstanding of America and created the greatest news gathering organization in the world—The Associated Press—in which 1200 newspapers, representing diverse opinions and divergent interests, cooperate in demonstrating that brethren can dwell in unity for a great and useful purpose.

The Screen

By Ye Press Agent.

At the Riata. Tom Mix will close tonight at the Riata theater in "The Rainbow Trail." The story, thrilling sequel to "Riders of the Purple Sage," also comes from the prolific pen of Zane Grey.

William Desmond went through what he says is the most thrilling experience of his long and exciting screen career while working in "Ridin' Pretty," to be shown in the Riata theater commencing tomorrow matinee. In "Ridin' Pretty" Desmond was on the back seat of a motorcycle piloted by Slim Cole. They raced for miles against a train aboard which Desmond finally swung himself from the speeding machine.

"Ridin' Pretty" is a comedy drama, the hero of which is a cowboy who was left a fortune by an uncle providing he would live for a year in a big city, where the mansion and servants of the late uncle were at his disposal. The cowboy took five companions of the range with him, and the experiences of the latter furnish some screamingly funny situations.

Auto Racing Comedy. An automobile racing comedy with popular Richard Dix driving the exciting 40 mile course, is the highlight of the Hunt's Craterian new presentation, beginning tomorrow matinee.

"The Lucky Devil," tells the story of a daredevil youth whose ambition to pilot a fast car is realized when he wins one in a raffle. He gives up his job and hits the open road. On his travels he meets a pretty girl in need of assistance, and Dix proceeds to make himself the fair haired boy to give it. The two fall in love and fate makes Dix an entrant in a famous road race with a \$10,000 purse.

The automobile race is the most furious and exciting since the days of Wally Reid's pictures. Dix is supported by a new leading lady, Esther Ralston, as well as dozens of other popular with fans. A comedy, News Views and Raymond Ballad at the organ are other features.

PRESIDENT COOLIDGE'S TRAIN ENROUTE TO WASHINGTON, MARTINSBURG, W. VA., OCT. 8.—(A. P.)—A freight wreck early today delayed the train on which President Coolidge was returning to Washington from Omaha and forced a detour.

President and Mrs. Coolidge were in no danger as the wreck occurred more than an hour before their train, stopped at some distance from the scene, was due.

OREGON DEFENSE BEST SINCE 1919 SEASON

EUGENE, Ore., Oct. 8.—One of the best University of Oregon defensive football teams since 1919 when Harvard was held to a 7 to 6 score, will take the field here Saturday against the University of Idaho, according to critics who have followed the game through since the early days.

The Oregon line is believed to be more powerful than that of the Vandykes. The Oregon ends and backfield, however, are causing Coach Dick Smith some worry. The backfield is strong individually, but Idaho is reputed to have a smooth working backfield combination that is hard to break up.

Captain Bob Mautz and Sherman Smith, ends, are laid up with injuries that are not serious, but which slow them up.

Medford Rotary Club News

The Medford Rotary club were fortunate this week in having as their speaker Mr. Paul Rynning, county engineer, who gave an interesting talk on the road problem and their earnest endeavor to get maximum results with funds available for this work. Mr. Rynning reviewed the road problems as fully as time would permit and answered questions pertaining to the road program of the coming season. The state highways and forest road coming under other than county court supervision are cared for by their respective departments.

Judge C. B. Wolverton of the federal court was an honored guest and visitors included Mr. Rynning of Jacksonville, Austin Brownell and W. C. Carnahan of Grants Pass; Harry Leland of Los Angeles and H. F. Bosworth of Buffalo, New York.

Frank Newman gave a talk on the boy scout work in Jackson county and the various members of the club are helping the boy scout movement in a very substantial manner.

One of the best Association vaudeville hills in weeks was presented at the Craterian theater last night. It was an even balanced program, and had variety and novelty. The latter was furnished by the DeKoo Trio of acrobats, who closed their act, by one of the troupe balancing on the head of a dog, while the dog was seated in the head of a fellow acrobat. Gasson Brothers and Marie presented a clever dancing act, and Kingston and Elmer, a singing team that was here a year ago, was as popular as ever. A good line of "nut" chatter was passed out by Leland and St. Chaire. Lucile and Winifred executed popular numbers on the ylophone.
