BOX SOCIAL AT CLIMAX RAISES FUND FOR OREGON

CLIMAX, Oct. 8.—Our box social proved to be a grand success. A large crowd was present. A short school program was given followed by indoor and outdoor games. The boxes were sold by Sam Coy beside a large bonfire in the yard. There were not enough boxes for the buyers but the lucky ones were supplied with sandwiches and cake from the kitchen. Forty-three dollars and seventy cents were made which is a sufficient quantity for buying an organ for our school.

Nim Charley is digging his potatoes. He has a fine crop this year. One smatook is hauling them to Medford.

Mrs. A. J. Grissom, Nellie Grissom, and Olive Turpin were visitors at school Monday.

GET READY for TOMORROW ~ Everyone

Within the next ten years, we see more industries, better development of the resources of this region, better business for everyone; and now is the time to get ready.

Our New Industries Department is with you—new capital and new people are needed to make the most of your wealth of natural resources.

The New Industries Department is disclosing to investing capital the great raw material wealth of our Agriculture, Timber and Minerals. It is working for the legitimate expansion of every industrial possibility for the region, and supplying a consolidated, supplementary Chamber of Commerce type of service for the five Oregon counties and the one California county within our territory.

We have every confidence in what the future holds in store, and hydro-electric power's participation in it. At present the industries of this region are counting more on electricity than ever before; and we are proud to be able to say that the communities we serve have advanced further in the use of labor-saving household equipment than many of the largest cities on this coast or anywhere else. If you are ready to have your household work done electrically—a member of this company will be glad to tell you how little it costs.
