WOMEN BORN 1873 TO 1881

Now is the Critical Time. Lydia E. Pinkham's Vegetable Compound will Help You Safely Through

Conroy, Ohio.—"During the Change of Life I was weak and run-down and could hardly do my work. By reading your advertisements I found out about Lydia E. Pinkham's Vegetable Compound and it has straightened me right out and made me feel like a new woman. By the time I had taken eight bottles I was well and could do my housework on the farm without trouble. I recommended it to my daughter-in-law after her second baby was born and it did her a wonderful lot of good. I told her to try it and if it didn't help her I would pay for it, and before she had taken one bottle she said to me, 'You won't have to pay for it! It is helping me wonderfully!' And she took three bottles of it. You can use my testimonial if you wish."—Mrs. ELSIE ACKERMAN, Conroy, Ohio.

Consider carefully Mrs. Ackerman's letter. Her experience ought to help you. She tells of the trials of middle age and the wonderful results she obtained from Lydia E. Pinkham's Vegetable Compound.
