

PRIZE WINNERS AT STATE FAIR ARE ENTERTAINED

ASHLAND, Oct. 14. (Special.)—The winners of the Boys' and Girls' clubs who were prize takers at the state fair at Salem were the guests of the chamber of commerce at the Tuesday forum luncheon. The group included Adena Joy, who received a score of 98.5 in canning; Mary Galey, whose score of 98.9 in sewing made her one of the high point winners of the state; Dorothy Stevens and Iwanda Bateman, bread demonstration team, and Ellice Galey, winner of second place in prune bread making. The Misses Madge and Marie Mitchell furnished some fine piano duets and Miss Rose Atkins played most acceptably two cello numbers. Miss Atkins was accompanied by her mother, Mrs. Harold Atkins.

V. O. N. Smith gave a report of the visit of the committee that attended the harbor conference at Crescent City. I. E. Vining gave a very interesting report of the railroad conference in Portland.

County Superintendent Susanna Homes Carter was a speaker and gave a summary of the club work in the county. Mrs. Carter feels that the success of club work depends upon the home.

The Delphian Study club opened its season's work on Tuesday with the finest possible outlook. The membership, divided into three conversational groups, met at the homes of Mrs. H. C. Galey, Mrs. D. Peruzzi and Mrs. Clyde Malone. The three groups were under the leadership of Mrs. H. C. Galey, Mrs. D. Peruzzi and Mrs. John Fineran. Attendance was excellent and the membership most enthusiastic over the work. The next meeting will be the regular chapter meeting to be held in the Civic Clubhouse, October 27. At that time formal talks will be given by several of the members.

Miss Margaret Casad of the biology department of the high school, is ill and unable to meet her classes. Cleo V. Howell, who handles the biology classes in the grades, has charge of Miss Casad's work during her absence.

Miss Caroline Warner, who is sales girl for Candiland, is taking a short vacation and will make a short visit in Grants Pass.

Miss K. J. Raine is here from Portland for a few days to attend to business interests. While in Ashland Miss Raine is the guest of Mrs. Lulu Wilson of Liberty street.

The Ashland high school football squad meets Grants Pass on the Ashland field on Saturday. If the present fine weather continues there will be ideal conditions for a game and a good-sized crowd is expected.

Mrs. J. F. Denham, Talent resident, dropped dead at 11 o'clock Tuesday morning. Mr. Denham is a man well along in years.

The Ashland Order of Demolay acts in capacity of host on Wednesday evening to both the Yreka and Medford orders. The Wednesday night affair is to be a venison banquet.

Miss Margaret Van Dyke has accepted a position in Medford, where she will work in a clerical position for the California Oregon Power company.

Rev. S. J. Chaney and family leave on Thursday for their new home at Eugene. They will drive down in the family car. One of the Whittle trucks will carry their household goods, which left today.

Mrs. J. H. McGee is able to be out again after several days of illness.

LIQUOR RUNNERS SAIL FOR FLORIDA FOR WINTER TRADE

ATLANTA, Ga., Oct. 14.—(By the Associated Press.)—Rum row, that moveable mart for illicit trade in forbidden beverages, is now more or less firmly established in southern waters. Present activities there are so extensive it is believed that the trade includes most of those former operators who managed to escape the sharp shooting coast guardmen's campaign to break up flourishing business off Boston, New York and Atlantic City shores.

Rum runners have accepted literally the admonition of Colonel Luke Lea of Tennessee to "come south, young fellow," paraphrased from Horace Greeley's famous advice to young men.

And they have come—fleets of them. Many have been lured to Florida by tales of fabulous riches and an orgy of spending by winter tourists. Others have been driven to Florida by Uncle Sam's intense efforts in other southern waters.

Three branches of America's combat service are represented in Florida by Colonel B. I. Simmons, retired army officer, state prohibition administrator; Commander P. P. Hambach, retired navy officer, his assistant and Captain John G. Berry, active commander of the coast guard force.

Colonel Simmons has set up headquarters at Tampa with branch offices at Miami, Jacksonville and Pensacola. Key West is headquarters for the coast guard.

Commander Hambach has discovered that a gigantic English rum running syndicate is operating in Florida waters. In the syndicate's fleet are ships carrying cargoes of 15,000 to 20,000 cases, valued at \$500,000 and retailed in Florida for \$3,500,000. There are seven vessels—six schooners and a converted yacht—in the fleet which keeps its supplies replenished by fast motor boats capable of outdistancing any craft in the coast guard service.

Mr. and Mrs. J. A. Ruger are moving from their home on North Main street to Allison street.

A money raising campaign for the Y. M. C. A. work of the city started at 9 o'clock Wednesday morning to raise funds for 1925-26, beginning September 1. The budget amounts to \$1800, which will cover the increase in the work over the past year. On Tuesday evening 18 business men of the city met at the Plaza confectionery to spend the dinner hour planning the work of the campaign. O. F. Carson presided at the meeting and gave a stirring talk on the needs of work for the boys of the town. Homer Billings and H. C. Galey put on a catchy dialogue in which they featured the various reasons pro and con that are met with by the canvassers in their work. A. E. Yount of Portland, superintendent of the Y. M. C. A. boys' work in this state, gave the main talk of the evening. Roland Parks represented the Hi-Y club and expressed the needs and hopes of the high school boys. This year the Y. M. C. A. work has been handled under the leadership of Cleo V. Howell, who has given half time to the work. Mr. Howell is retained on half time again this year and it is hoped that in another year it will be possible to employ a man on full time. No community work pays bigger dividends than time and money spent on boys. Ashland is fully awake to the needs and the committee who have the work in charge anticipate no difficulty in raising the required budgets.

Mrs. Homer Billings and Mrs. F. S. Emde, who visited Salem as delegates to the missionary conference of the Methodist church, returned home Monday night.

MARVELOUS STUNT DONE BY AVIATOR

MITCHEL FIELD, NEW YORK, Oct. 14.—(A. P.) Captain E. E. W. Duncan of Langfield, Va., electrified thousands who were watching the concluding races today when he brought his big Douglas transport plane, carrying one ton of cargo and an observer, safely to the ground, despite the loss of the entire left side of his landing assembly. Race officials who had declared the feat impossible, had sent a police plane aloft to warn the flier and had ambulances waiting at the point he was expected to crash.

PANAMA RENT RIOTS QUELLED BY TROOPS

NEW YORK, Oct. 14. (A. P.)—Disorders due to a general strike against high rents have led to action by United States troops in Panama at the request of the Panamanian government. Advice from Panama tell of the city being policed by United States soldiers. Presumably they are members of the 33rd infantry, stationed in the canal zone at Port Clayton, five miles from Panama City.

Disorders ceased on arrival of the troops. When the troops raided strike headquarters one striker jumped to the street from a balcony and was killed. The troops closed strike headquarters and confiscated literature. Tenants have been on strike all the month in an effort to compel landlords to limit their earnings to 12 per cent yearly.

TUCSON, Ariz.—Patrick Acuna, en route from Nogales, Ariz., to San Diego where he is wanted on fifty charges of forging \$6,500 worth of checks, said that he attended a theater in Los Angeles with police officers while they were looking for him.

What My Neighbor Says

Is of Interest to Medford Folks.

When one has had the misfortune to suffer from backache, headaches, dizziness, urinary disorders and other kidney ills—and has found relief from all this sickness and suffering, that person's advice is of untold value to friends and neighbors. The following case is only one of many thousands, but it is that of a Medford resident. Who could ask for a better example?

Mrs. J. H. Gustin, 521 S. Grape St., says: "I have been taking Doan's Pills off and on and have always received satisfactory results. My kidneys have always been weak and the least cold or strain affects them and makes my back weak and lame. A couple boxes of Doan's Pills never fail to remove the misery and strengthen my kidneys."

FOUR YEARS LATER, Mrs. Gustin said: "Doan's Pills have never failed to give me relief."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mrs. Gustin had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. Adv.

Thought 3 Little Children Needed Mother's Care

"My stomach suffering was so severe that I could not have lasted much longer. I did not care so much for myself but did not want to leave my three little children who needed a mother's love and care. A cousin in California wrote me about May's Wonderful Remedy and I took a course of it. I have since been entirely well." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. At all druggists.

THE ELEPHANT HAS NO JOINTS—people used to believe

Therefore, according to medieval gossip, he is obliged to sleep leaning against a tree. When the nocturnal hunter cuts down the tree, the sleeping elephant falls and having no joints, is unable to rise, and is easily captured or slain.

Superstitions Don't Work Out in Practice

An entertaining superstition, but no more absurd than that "eastern" motor oils are "somehow" better merely because they cost more and are made in the East.

As a matter of fact, the most suitable crude so far discovered for the manufacture of a motor lubricant is western naphthenic

base crude. And the most highly developed refining process is this company's patented high-vacuum process, during the use of which Zerolene is submitted to 15 positive checks for quality.

Zerolene Proves Quality in Use

Zerolene challenges comparison with any oil made, whether of eastern or western origin. If you

have not yet tried Zerolene—remember it is successfully lubricating every make of car in use—high priced and low—more cars in the Pacific Coast states than any other oil made!

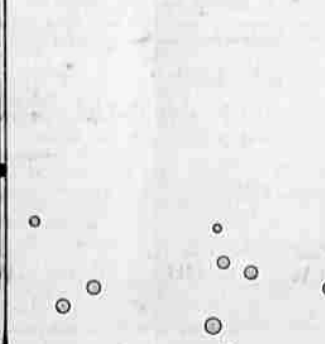

Why pay tribute to a superstition? Insist on Zerolene. Always ask for ZEROLENE by name.

Get the Facts!

A series of independent and impartial reports showing the experience of large users with Zerolene motor oil has been collected in our booklet, "Why Pay Tribute to a Superstition?" Ask any Standard Oil Company representative or Zerolene dealer for a copy.

Before Investing Your Savings in a Home

Make sure of the Electrical Installation
Insist on "Check" Seal Electrical Wiring

A home is an important investment—one step you can take to safeguard that investment is the selection of a "Check" Seal contractor to make the electrical installation.

The "Check" Seal identifies qualified electrical contractors who put in convenient connections for electrical appliances, who use good workmanship and install only standard wiring devices. Before you build or buy, insist that the wiring be done by a "Check" Seal contractor. Also remember that "Check" Seal retailers sell quality electrical merchandise.
