

EUGENE INVADDED BY KELSO MAYOR ON EDITOR CASE

EUGENE, Ore., Oct. 14.—A. Ruric, former mayor of Kelso, was in Eugene today, making arrangements for a mass meeting which he said he proposed to hold here Thursday evening at which he intends to tell the people the facts about recent political events at Kelso and the murder of Thomas Doherty, newspaper editor.

Mr. Todd declared that in his opinion Doherty was not killed by robbers and thugs but in furtherance of a political plot. Mr. Todd said that although he recently filed suit to contest the result of the recall election whereby he was removed from the office of mayor of Kelso the case was not being pressed.

"I have no desire to be mayor again," he said.

KELSO, Wash., Oct. 14.—Vilda Russell of Portland was being held incommunicado in the woman's ward of the county jail here today under \$2000 bond as a material witness in the case of the murder of Thomas Doherty, Kelso editor, who was slain June 19.

Deputies in the absence of Sheriff Clarke Studebaker refused to state what connection the woman had with the case. Apparently no effort had been made to raise a bond.

The woman's name had not previously been mentioned in connection with the case and was not included in a list of 45 witnesses in the joint information charging John W. Smith and Frank T. Hart, itinerant prize fight promoters with the murder of Doherty.

SEATTLE, Oct. 14.—A dispatch published in the Seattle Times today said that Vilda Russell of Portland was held in Kelso, Wash., as a material witness in connection with the assassination of Thomas Doherty, Kelso editor.

Hall was set at \$2000. Reports here said the woman was taken to Kelso a week ago from Portland. Doherty was slain June 19.

TWO SENTENCED TO STATE PRISON

Bill Short, alias Shannon, Applegate moonshiner, who pleaded guilty to a charge of possession of liquor and pointing a gun at Sheriff Jennings, was sentenced today by Circuit Judge J. M. Thomas to three years in the state prison on the first charge and three years on the second, the sentences to run concurrently.

R. Dawson of Klamath Falls, who some time ago pleaded guilty to a charge of perjury in his trial on a charge of possession of liquor while armed, was sentenced also to three years in state prison, this to run concurrently with his sentence of three years on the original conviction, which resulted from a raid on the "hut" during the O. N. G. encampment.

The complete new Ford line is now in display at the C. E. Gates Auto company, according to George Gates. This line comprises the four-door sedan, Tudor sedan, coupe, roadster and touring car with the newest Ford stream-line bodies. A cordial invitation has been extended to southern Oregon people to see these new cars at Gates.

Local Bites

Two years ago Monday, four men were killed in the Siskiyou mountains when passenger train No. 13 was held up by men who have never been apprehended. The three DeAutremont brothers of Eugene, were indicted by federal and state courts, and many clues at times to their whereabouts since proved groundless.

WEDDING BELLS

On Sunday afternoon at 1 o'clock at the residence of the minister, Carroll L. Griffith and Miss Hilda H. Hamaker, both of Klamath Falls were united in marriage. Rev. J. B. Coan officiated. The ring wedding was used to seal the troth of this happy young pair. Both young people are well known in Klamath Falls where the families of both are in business. Mr. Griffith is in the employ of the branch of Mason-Ehrman wholesale house in that city where they plan to make their home. A small party of friends and relatives accompanied them.

LITTLE DAUGHTER OF REUTHER VERY ILL IN HOSPITAL

SAN FRANCISCO, Oct. 14.—(A. P.) One of life's tragedies, linked with the playing of the world's series, was being enacted in San Francisco this week as Washington and Pittsburgh struggled for baseball supremacy.

It was learned today that Ruth Naomi, nine year old daughter of Walter Reuther, Washington pitcher was in a hospital here critically ill. Suffering from pneumonia, pain racked, obviously disinterested in life's daily routine, nevertheless the little girl had one great thought in mind—the world's series.

"What was the score?" was her father's pitch? It was the first time in eight years that Ruth had not attended baseball's annual classic with her father.

Every day, however, has come a telephone call from Washington or Pittsburgh to St. Mary's hospital, where the child lies with lack lustre eyes. Each time a sob choked voice has asked for the latest word from the bedside of the child.

Each day brings a bouquet of flowers bearing the names of many of baseball's greatest players. But better still each day brings a message of love and affection from a father whose thoughts, if not his person, are in San Francisco.

HARD TO GET NORMAL SCHOOL INSTRUCTORS SAYS J. A. CHURCHILL

SALEM, Ore., Oct. 14.—Salaries of normal school instructors and department heads in the middle west range from 30 to 50 per cent higher than in Oregon, consequently it is difficult to bring instructors from those states into Oregon, says J. A. Churchill after a trip of inspection of normal schools. Mr. Churchill is state superintendent of schools and president-elect of the new normal school to be established at Ashland. He visited normal schools in Minnesota, Wisconsin, Michigan, Ohio, Illinois and Iowa. Mr. Churchill says he gleaned many valuable ideas for normal school operation while on the trip.

U. S. MARINES HELD WITH 2 WOMEN

ROSEBURG, Ore., Oct. 14.—Lew Sanders and William Hawley, marines from San Pedro, Cal., are being held here today for investigation by the United States department of justice, following their arrest this morning with Leona Vay and Frances Crump, young married women, also from San Pedro. The marines and the two women told the officers that they were on their way to Seattle where the men were to rejoin their boat, upon which the husbands of the two women are serving as mess officers. City police found liquor in their rooms. The young men pleaded guilty to the charge of possession of intoxicants and paid fines of \$25 each.

K. P. SESSION CLOSES AT EUGENE TONIGHT

EUGENE, Ore., Oct. 14.—With a blare of trumpets and a flash of well drilled marchers, the Dramatic Order of Knights of Khorassan, sunshine branch of the Knights of Pythias, took possession of Eugene last night. A parade of the streets announced the arrival of the Abd-Ul-Ater temple of Portland, the band playing as the full uniformed Dokkies marched. Twenty-five candidates were initiated into the order later in the evening.

Vale Man Heads K. P.

EUGENE, Ore., Oct. 14.—Robert D. Lytle of Vale was today elected grand chancellor of the grand lodge of the Knights of Pythias, domain of Oregon. He is former vice-chancellor.

Business Women Meet

The Business and Professional Women's club met at the public library Tuesday evening. Mrs. Hope Hamilton, vice-president, presided over the brief business meeting and program which followed. The program consisted of a reading by Miss Elizabeth Burr and talk on "Civic Art" by Mrs. G. R. Satchwell, followed by informal discussion. Several guests were present.

SILVERTON WOMAN ELECTED CHIEF OF PYTHIAN SISTERS

EUGENE, Ore., Oct. 14.—Mrs. Helen Weightman, of Silverton, was elected grand chief of the Pythian Sisters of Oregon at the session held this morning in the local Knights of Pythias hall. She is advanced from the office of grand senior. Mrs. Hazel Butler of Enterprise, was chosen grand senior. Other officers elected were Mrs. Irene Ballagh of St. Helens grand junior; Mrs. Carrie Knight, of Eugene, grand manager; Mrs. Rose Farrington, of Portland, manager of records and seals; Mrs. Pearl Kinzer of Hubbard, grand manager of finance; Mrs. L. Tells Women to Avoid "Physics"

To Dr. W. B. Caldwell, of Monticello, Ill., a practicing physician for 47 years, it seemed cruel that so many constipated women and girls had to be kept constantly "stirred up" and half sick by taking cathartic pills, tablets, salts, calomel and nasty oils. While he knew that constipation was the cause of nearly all headaches, biliousness, sallow skin, indigestion and stomach misery, he did not believe that a sickening "purge" or "physic" every little while was necessary. In Dr. Caldwell's Syrup Pepsin he discovered a laxative which regulates the bowels. A single dose will establish natural, healthy bowel movement for weeks at a time, even for those chronically constipated. Dr. Caldwell's Syrup Pepsin not only causes a gentle, easy bowel movement, but, best of all, it is often months before another dose is necessary. Besides, it is absolutely harmless, and so pleasant that even a cross, feverish, sick child gladly takes it. Buy a large 60-cent bottle at any store that sells medicine, and just see for yourself. IMPROVEMENT IN CATTLE MARKET NOW PREDICTED

WASHINGTON, Oct. 14.—(A. P.)—Prospects for a strong continuing market in feeder cattle were reported today by the department of agriculture. The statement was based on the heavy marketings of cattle, the generally improved feeding in western cattle regions and the improved feed situation in recent weeks in the southwest. The department reported somewhat reduced shipments of stocker and feeder cattle into the corn belt during July, August and September as compared with the corresponding months last year, although receipts of cattle at leading markets during the same period showed an increase. Shipments of stocker and feeder cattle from the 12 leading markets into all states totaled only 898,000 for the three months period this year, against 988,000 for the same period in 1924. The reason for this decrease, the department explained, "is probably found in the general shortage in pasture that has existed all summer in most of the important cattle feeding states."

SCHOOL ATTENDANCE GROWS 10 PER CENT

An increase of approximately 10 per cent over last year's attendance, or a total of 1940 students, are attending the Medford public schools, according to the latest census. 480 of whom are enrolled in the high school and the remainder in the grammar schools. A total of 387 students are enrolled in the seventh and eighth grades alone, and 16 school rooms have between 40 and 50 occupants each. To teach this large number a corps consisting of 70 teachers or over is required, it is said.

CITY INJUNCTION AGAINST BARNUM RAILROAD UPHELD

Circuit Judge Charles M. Thomas this morning sustained the demurrers of the Cities of Medford and Jacksonville against W. S. Barnum and the Medford Coast railroads, and continued the temporary injunction against the dismantling of the railroad, until after the Public Service commission hearings at the city hall tomorrow. The demurrers held that the circuit court had no jurisdiction in the case, being a duty of the public service commission, the court sustaining this contention. Final decision in the injunction will be made after the decision of the Public Service commission. The defendants were represented by Attorney W. E. Phipps; Medford by City Attorney John Carlin, and Jacksonville by Fred A. Williams of Salem.

COLDS THAT DEVELOP INTO PNEUMONIA

Persistent coughs and colds lead to serious trouble. You can stop them now with Creomulsion, an emulsified creosote that is pleasant to take. Creomulsion is a new medical discovery with two-fold action: it soothes and heals the inflamed membranes and inhibits germ growth. Of all known drugs, creosote is recognized by high medical authorities as one of the greatest healing agencies for persistent coughs and colds and other forms of throat troubles. Creomulsion contains, in addition to creosote, other healing elements which soothe and heal the inflamed membranes and stop the irritation and inflammation, while the creosote goes on to the stomach, is absorbed into the blood, attacks the seat of the trouble and checks the growth of the germs. Creomulsion is guaranteed satisfactory in the treatment of persistent coughs and colds, bronchial asthma, bronchitis and other forms of respiratory diseases, and is excellent for building up the system after colds or flu. Money refunded if any cough or cold is not relieved after taking according to directions. Ask your druggist. Creomulsion Company, Atlanta, Ga. (adv.)

"LIVE WIRES"

The degree that a town uses electricity—like the size of its banks—is pretty apt to tell how "live" a town is. It's interesting to note then that the communities we serve have advanced further in the use of electric ranges, washing machines, and other labor-saving equipment—than many of the largest and presumably most advanced cities in the country! It is a region of "live wires" and of unlimited natural resources and wealth—an up-and-coming one in which to live and grow.

In helping to develop the region this Company sees a real opportunity for service and to that end has created its New Industries Department. The Department is supplying a supplementary Chamber of Commerce type of service to the one California and five Oregon counties within our territory. If you know of anyone whom you believe might come here either to live or take part in our industrial growth, the Department will be glad to help you bring them here.

Or if you are ready to let electricity do the work in your own household, or business—cost information and other data will be supplied at any of our offices.
