

# CAN YOU BE A CHRISTIAN AND GET A DIVORCE?

There was an increased attendance at the Presbyterian church last night to hear the second address by Rev. N. Wayne Phelps, lecturer on moral purity subjects, as representative of the World's Purity League. His theme was "The Key to Noble Living," which he pointed out to be the beauty which says, "Blessed are the pure in heart, for they shall see God." This, he said, is not only the key to the whole list of beautitudes, but to a life of moral purity. A man cannot live a life that is pure and think impure and unworthy thoughts. The speaker showed by many telling illustrations drawn from our every day lives how our thinking is back of everything we do.

If the child is thrown into associations, hears language or sees pictures that suggest impure and immoral living, it easily falls into habits that are questionable. To back up his point the speaker pointed out the downward tendency of many things today, such as the suggestive movie, questionable books and magazines, billboards, all of which lay the basis for wrong attitudes and base deeds of shame and criminality.

The third address of the series will be given this evening in the Methodist church South at 7:30 o'clock, with the Lutheran church co-operating. Every one is invited. The theme will be "Can One Be a Christian and Get a Divorce?" Thursday night the subject will be, "The Woman All the World Loves," and will be given in the Methodist Episcopal church.

# Rin-Tin-Tin at the Rialto Again

New thrills are introduced by Rin-Tin-Tin in "Tracked in the Snow Country," which began a three day engagement yesterday at the Rialto theater. The wonderful German shepherd dog ever outdoes the sensational stunts of "Where the North Begins."

This time Rin-Tin-Tin is cast as a wolf dog born of a race of man killers. The story tells how he tracks the murderer of his master. In doing so the dog is seen in some of the most thrilling fights ever depicted on the screen.

"Tracked in the Snow Country" is a picturization of a dramatic story of the far north. The cast includes June Marlowe, David Butler, Mitchell Lewis, Charles Sellon and Princess Lea.

# JARDINE WARNS FARMERS AGAINST OVERDOING WHEAT

WASHINGTON, Oct. 21.—(A. P.)—Pointing to increasing foreign competition in the wheat market, Secretary Jardine in an address today told American farmers that they "may wisely look beyond this year while seeding or preparing to seed for next year's wheat harvest."

"From indications it appears that the prices for wheat at the beginning of the season were causing them to plan to increase the area seeded," the secretary said. "It is mainly, however, a partial crop failure which has reduced the production of many classes of wheat below domestic needs and which, together with the tariff has caused farmers to receive prices somewhat better than at the beginning of the season last year."

"It seems probable that the market has already discounted all the bearish factors in the wheat situation for this year."

# BUDGET COMMITTEE HEARS COMPLAINTS

The budget committee, composed of Horace Nicholson of Medford, J. O. Isaacson of Central Point and J. P. Dodge of Ashland, held a short meeting Tuesday, and with the county court listened to the annual protest filed against the expenses of the county agent's office and allied activities. Delegations expressed themselves for and against, and no action was taken. The budget calls for \$8500 from county funds for maintenance of the county pathologist, home demonstration and club work, finances being received from the state and federal government for carrying on the work.

# UPTON SINCLAIR DEMANDS PARDON FOR MISS WHITNEY

OAKLAND, Cal., Oct. 21.—Miss Anita Whitney, Oakland civic worker and lecturer, who failed in her effort to have the United States supreme court overturn her conviction and penitentiary sentence for a violation of the state syndicalism law, left her cottage at Carmel, Monterey county yesterday for San Francisco where she will confer with her attorney.

She told the representative of the Oakland Tribune that she was going cheerfully to prison and that she had compelled the county of Alameda to expend a great deal of money for her trial she felt that she should make restitution by fulfilling the sentence of the court. She mentioned one bill of \$178 for magazines, cigars and cigarettes consumed by the jury who tried her and said that she had no way of paying this bill except by meeting the sentence.

The bill referred to was found excessive by county authorities and cut to thirty dollars.

# Miss Marian Towne Visiting in So. Oregon

Miss Marion Towne, who is a guest of her sister, Mrs. C. M. Smith, at Phoenix, was in Medford Tuesday.

Miss Towne, who was a candidate for representative on the democratic ticket in this county several years ago and who was prominent in the councils of her party, is still loyal to her faith, but is not active in politics now. She left Jackson county six years ago and has lived in Seattle, Wash., ever since. Miss Towne did publicity work for the state board of health in that city for some time but is now doing publicity work for trade journals.

She sees wonderful improvement all over southern Oregon and especially in Medford since she left. She will spend the winter in California, leaving tomorrow.
