## YALE SHAKES UP LINE FOR BROWN. TIGERS FIND STAR

NEW YORK, Oct. 22.—(A. P.)—Princeton has uncovered a ball carrier, Colgate has lost a veteran back, Yale has decided upon a re-formed line, Brown has had trouble in conquering its second team, and Harvard, behind closed doors, has developed a defense against Dartmouth's aerial attack.

Such is the general eastern football situation, with only two days before one of the big Saturdays of the fall schedule.

Charlie Weeks of Philadelphia is the Tiger defy. He has been in the Princeton backfield in many battles but always as an interferer. But yesterday a quarterback handed him the ball 40 yards from the second team's posts and he covered the distance by circling an end. He is a track man of caliber with two lightning feet. If he continues to progress as a ball toter Colgate will have trouble in Palmer stadium this week-end.

Gene Helwig, Eddie Tryon's running mate at Colgate, has been hurt and will be on the sidelines throughout the game. But Tryon remains and Bill Roper undoubtedly will be prepared.

Captain Cheek has returned to the backfield that will carry the hopes of Harvard against Dartmouth. Captain Joss, Bento, Richards, Webster and Hurt remain in the center of Yale's line and they are likely to be there when the line faces Brown at Providence.

Pennsylvania, the undefeated, is putting in its final two days of rehearsal at Absecon, N. J., for Chicago. Stagg is bringing what he calls a strong team, but he will face an eleven that battered down a Tad Jones project that had gone undefeated for three seasons.

## CORVALLIS GIVES FOOTBALL TEAM A BIG SENDOFF

CORVALLIS, Ore., Oct. 22.—(A. P.)—Coach Paul J. Schissler and thirty of his squad of Oregon Agricultural college football players and the student football manager, N. H. Traux, left here this morning for Palo Alto, Cal., cheered by more than 3000 students and townspeople. Dave Luby, flashy half of the light backfield, was left behind in the hospital, unable to make the trip.

Although Schissler did not announce his starting lineup before leaving, indications point to the following men taking the field at the first call:

Ward and Logan, ends; Dixon and Dickerson, tackles; Liebe and Reichert, guards; Balcom, center; Edwards, quarter; Jenman and Schulmerich, halves; Snider, full.

Twenty-four of the team went by train. Business men making the trip by automobile took the other members. Loss of Luby will break up the fast "pony" backfield, but otherwise the team will be stronger than at any time this season or last.

## GARDNER WINS GOLF TOURNEY

Clyde Gardner, clerk at the Hotel Medford, won the handicap tournament at the Medford golf club yesterday when he defeated J. D. Russell and Weldon Biddle, with a net score of 74, against a net 76 for Russell and an 89 for Biddle.

In the tournament held last Saturday and Sunday, Gardner Russell and Biddle were tied for first honors with a 76 each. All thre men play with a 12 handicap, and yesterday Gardner shot an 86, Russell and 88 and Biddle, who was off his usual game, a 91.

Gardner gets a dozen new golf balls as a prize.

## SPORT BRIEFS

(By the Associated Press)

Middlebury's college football eleven has made a record for leaps from depths to heights. Harvard rolled up 68 points against Middlebury on October 12. Middlebury buried St. Michael's 61 to 0, a week later.

Next Sunday at City college stadium at New York Willie Ritola will attempt to lower the American mark for a ten mile run of 51 minutes 3 2-5 seconds, made by Hannes Kohlemainen in 1913

An eastern football conference with Harvard, Yale, Princeton, Dartmouth, Brown and Pennsylvania as charter members, is in the discussion stage.

Edouard Mascart, who bore the hopes of France to this country some months ago in search of the world's featherweight boxing championship but failed to establish contact with the title-holder, Kid Kaplan, meets Lew Hurley, of New York in a twelve round test in Brooklyn tonight.

Christy Mathewson, Jr., elected director of the Boston Braves yesterday has not followed in his father's footsteps in the athletic realm. He stands high in his classes at Bucknell, is a saxophone artist and is a favorite with the students.

## BEARS EN ROUTE TO PORTLAND FOR GAME WITH U. O.

BERKELEY, Cal., Oct. 22.—(A. P.)—With three days of hard scrimmage tucked under their belts, California's varsity football squad, 25 strong, was speeding toward Portland today, where the Bears will clash with the University of Oregon next Saturday.

It will be the first conference test for the Blue and Gold. Realizing that he is up against a formidable team in the Webfooters, despite a somewhat weak early season showing, Coach Andy Smith put his charges through three hard days of practice this week. Yesterday saw no letup and the squad scrimmaged until within a couple of hours of entraining time.

The team, accompanied by coaches, officials and rooters, are traveling on a special car. The squad will get a light workout Friday.

EUGENE, Ore., Oct. 22.—While California's Golden Bears were speeding northward to Portland, where they will engage Saturday in a football tilt with the University of Oregon eleven, the Webfooters were preparing for another strenuous workout this afternoon.

Hard drill on new plays is featuring the secret practice of the Oregon varsity, according to the dope that leaks through the cracks and crannies of the locked gates. First the coach, Dick Smith, tells the men of the play. Then they walk through it. Next they snap through it and then the substitutes are called into action and the varsity tries the play out on them.

Oregon's stock has risen a little with the instigation of secret practice. The fans are at least mystified, and most of them believe that Oregon may spring a surprise or two during the game.

## Highest Wages Are Paid in America In Spite of H. C. L.

WASHINGTON, Oct. 21.—(A. P.)—Wages, as measured both by their amount and what they will purchase, are higher in the United States than in any of eighteen countries according to a monthly index compiled by the international labor office.

The index based on wages for various lines of skilled and unskilled labor and on food and rent costs in principal cities for each country on on July 1, places the figure for Philadelphia at 183. The next highest in the list was Ottawa, Canada, with 165, while the lowest, 42, was reported for Lisbon. London, with 100, was used as the index base.

Rice and Cady, a comedy team, who appeared here a year ago in Association vaudeville, were the popular number on the program at the Craterian theater last night, and their song, "You Can't Tell the Good Ones from the Bad," tickled a large audience as much as it did the first time.

Other numbers of a good bill were the Lind-O-Tree acrobats, who performed on ladders adeptly; Helen Rinehart and Erminie Duff, who sang new and old songs; the "Fashion Follies," in which a clever young lady made gowns out of raw material, and Ray Sided, a team that sang better than they joked.

## It's Cruel to "Physic" a Child

DR. CALDWELL AT AGE 83

To Dr. W. B. Caldwell, of Monticello, Ill., a practicing physician for 47 years, it seemed cruel that so many constipated infants and children had to be kept constantly "stirred up" and half sick by taking cathartic pills, tablets, salts, calomel and nasty oils.

While he knew that constipation was the cause of nearly all children's little ills, he did not believe that a sickening "purge" or "physic" every little while was necessary.

In Dr. Caldwell's Syrup Pepsin he discovered a laxative which regulates the bowels. A single dose will establish natural, healthy bowel movement for weeks at a time, even if the child was chronically constipated. Dr. Caldwell's Syrup Pepsin not only causes a gentle, easy bowel movement but, best of all, it is often months before another dose is necessary. Besides, it is absolutely harmless, and so pleasant that even a cross, feverish, bilious, sick child gladly takes it.

Buy a large 60-cent bottle at any store that sells medicine and just see for yourself.

Just ask yourself what it is you most desire in your car.

Acceleration? Speed? Everyone knows the case of Chrysler's 70 miles plus.

Roadability? Comfort? No car, no matter how many hundred extra pounds it is burdened with in the effort to obtain greater riding ease, equals the new Chrysler Six in these features due to the low center of gravity and the Chrysler type of rear spring mounting.

Freedom from mechanical attention? The Chrysler Six has a world wide reputation for notably uninterrupted service.

All this the new Chrysler Six at the new low prices gives its owners at half the purchase price of cars presumably having comparable quality—yes, and at far, far less than the operating and maintenance cost of the more cumbersome cars.

We are eager to have you prove all the new Chrysler Six does. Then you'll see why no other car, at any price, affords what has come to be trade-marked in the public mind as "Chrysler Six performance."
