First Offering of Big Sale CITY LOTS—PAVED

Low Price. Liberal Terms. Last Chance

64 beautiful homesites, varying in size from 50 feet to 75 feet frontage on paved streets with sewer, water, and in most cases sidewalks. Will be sold clear of any assessments or liens. City of Medford warranty deed.

This sale is put on by members of the Medford Realty Board with no great idea of profit, but a service is offered to the City of Medford. We ask all your support in making this successful and we look especially to the business men of Medford to give us unlimited help in getting these valuable paved lots back on the tax rolls of Jackson county. Over half of these lots will no doubt be built upon within the next year and will help the present shortage of houses. Loan companies will finance your home on any of these lots and when you start to establish that home you have taken a big step toward stability and permanence.

In purchasing a paved city lot you are making, not a donation, but an investment. Medford has arrived at a generally recognized new era and without any semblance of a boom, but is going strong ahead. Are not new railroad developments within sight? Have we not added within a few months about a million dollars to the bank deposits of city banks? Have we not built and under construction over 200 residences and about 15 business buildings? A new high school under construction costing about \$200,000. A new pre-cooling and cold storage plant just finished at a cost of improvements only \$100,000. L. A. Banks and associates, in addition to acquiring large fruit acreage in the valley, have recently completed a new dehydrating plant and still contemplate larger developments which will be of a great benefit to the fruit industry. Large apartment house now under way, new fruit packing and shipping houses, and then within the next month or so construction of the Medford water system will start, at a cost of nearly a million dollars. Will not all these things move you to believe that Medford is a good place to invest? We need your help to make one thing more possible, make the tax rolls of Jackson county clear of Medford's paved lots. The city cannot hold this investment any longer, it's your opportunity now to get a fine homesite, they are sure to go fast on the special terms offered; make your selection now.

NO ADVANCE IN PRICES: Terms \$50 Cash, Balance \$10 Month; Only 6 Per Cent Interest.
