HIGH SCHOOL GIRLS' LEAGUE ADOPTS DRESSING RULES

BY MARY McKENDREE.

The Girls' league of Medford high school even though it be a very new organization, has been making itself heard. At a recent meeting the girls adopted some rules and regulations as to the dress. The idea in the regulation dress is to promote simplicity, modesty, good taste and inexpensive clothing. The regulations forbid the following:

Velvet, georgette crepe and pale shades of silk, except blouses and velvet jackets. Dark silk may be worn if made simply.

Thin materials with too scant camisoles, or no slips.

Low neck dresses and no sleeves.

Extreme styles in shoes.

Rolled-down stockings and fancy garters worn below the knees with short dresses.

Extremely short or extremely tight skirts and dresses.

Extreme styles of hair-dress.

Extravagant or elaborate clothing in general.

Excessive use of cosmetics, (a) lipstick, (b) rouge, (c) eyebrow pencil.

A meeting of the Dramatic club was held last week. The purpose of this meeting was to appoint four members to take charge of three one-act plays and the Christmas program. The plays will be chosen by the ones who are to direct them, and will be given some time in January. Those chosen to direct them were: Katherine Fabrick, Esther Palmer, Mary McKendree and Philip Lounsberry.

Monday of this week the senior class chose their announcements. By choosing this early they were able to take advantage of a reduction in price. The juniors at the same time chose their class rings and pins.

The Screen

By Ye Press Agent.

Midshipman at Rialto.

Disclosing, in a fashion delightfully interesting, the intimate details of the life at the United States naval academy at Annapolis, with a sweet love story, Ramon Novarro's new film, "The Midshipman," is at the Rialto theater, starting today.

The story pictures the life of an ambitious "middy" who not only passes through his four years of training with flying colors, but wins a pretty blonde lady in the bargain. "Plebe" (freshman) pranks, students undergoing all the thrilling sports and practices of their daily life, the social life which cahracterizes the Annapolis humerous episodes, lots of exciting action, and love making of the sort Novarro is famous for, are included in the film.

Harriet Hammond is the leading lady, Wesley Barry is featured in the funmaking portions, while Margaret Seddon, a large number of cadets and naval attaches make up the rest of the support.

Our Gang comedy, "Circus Fever," International News and Bertrand Wortman at the organ top off the bill.

Criterian Bill Good One.

The Hunt's Criterian has a good program tonight, with interest divided equally between the new feature, "The Teaser," in which Laura La Plante is starred and Pat O'Malley featured, and comedy, "Going Great."

Miss La Plante has the role of a flirty flapper in "The Teaser," spoiled young woman. Hedda Hopper, Walter McGrail, Vivian Oakland, Byron Munson, Wyndham Standing, Margaret Quimby and Frank Finch Smiles are in the splendid cast.

Pimples

What can I do?

OH, why can't I have a skin like other girls? Why do I have to have these ugly pimples, blotches and blackheads?

"If I could only find something that would clear up my skin and give me back my soft, rosy complexion, I know I would be the happiest girl in the world! What can I do?"

Is that you talking? If it is, you don't have to worry a minute! Just build up the rich, red blood in your body. Then your skin will be as clear and soft as anybody's.

That's what S. S. S. has been doing for generations—helping Nature build rich, red blood! You can build red-blood-cells so fast that the impurities that cause breaking out on the skin hardly get into the system before the pure blood annihilates them — kills them right out—stops them from breaking out through the skin.

And then this rich, red, pure blood feeds and nourishes the tissues of the skin and keeps it looking healthy.

That's all there is to it. Healthy, vigorous, red blood such as S. S. S. helps Nature build, makes you healthy all over. It beautifies your skin — drives away pimples, blackheads, blotches, rash, boils and eczema—gives you back your appetite—builds firm, plump flesh and fills you full of new life and energy.

All drug stores sell S. S. S. Get the larger bottle. It's more economical.

SCOUTING

Another new troop of Boy Scouts will be organized at Central Point Wednesday afternoon, under the leadership of Scoutmaster D. Henderson. About 15 boys have expressed their intention to join and to make this one of the best troops in Crater Lake council. They will be known as Central Point Troop No. 1.

Court of Honor will be held at Scout headquarters office on Thursday, October 29th. This is the first session of this court this fall and a large attendance is expected. A number of star badges will be awarded to those who have earned them during the summer, and other Scouts will attempt advancement in rank.

Scouts Are All Ready to Go on the Big "Bundle Day" Campaign.

Next Saturday all the Scout troops in the city will take part in the first part of the "Bundle Day" campaign, when they will visit each house and leave tags that are to be placed on bundles of old clothing to be collected the following Saturday and sent at once to the Near East relief committee, for the relief of the suffering refugees in Athens and other cities in Greece. This will be an inter-troop competition and it is expected that every member of every troop will be on his toes ready to go when the signal is given.

Scout leaders training rourse being open to all men in the community, will be well attended next Thursday night at 7:30 at the Scout headquarters, 500 West Main street. Several new men have enlisted in this new troop, for the study of the Scout program and ways to teach it to Scouts. The method used is doing the things that one would expect boys to do when they are trying to be real Scouts.

SUPER-ROAD DIST. PLAN EXPLAINED

At the Kiwanis meeting yesterday, Robert Boyle, secretary of the Chamber of Commerce explained the move to establish a super-road district comprising Medford, western Jackson county and part of Josephine county, through which the proposed road to the Oregon caves would pass.

He said in part: "There is a paved and macadam road from Medford to five miles beyond Williams and the proposed road to build is only nine miles to the caves. This would make the route to the Oregon caves 40 miles nearer from Medford, Ashland, Klamath Falls and other southern Oregon points, also make Crescent City 40 miles nearer these same points than it is now and make the route to the caves from Grants Pass 20 miles nearer."

Mr. Boyle asked that all Kiwanians attend the meeting of the Highway Commission, county court and representatives of the district interested at the court house in Jacksonville Friday, October 30.

C. E. Gates told of the splendid dinner and dance given by the Ashland Kiwanians in Lithia hotel last week and said he was proud of the attendance from Medford—about 30 couples.

Attention was called to the Near East dinner this evening at the Christian church and tickets were furnished to Kiwanians desiring to attend by the Medford Ministers association.

Next week being apple week, C. C. Lemmon agreed to furnish the apples for Monday's meeting.

C. S. Butterfield won the attendance prize furnished by A. L. Hill.

Rev. Temple of the Methodist church, a Kiwanian, and J. C. Ceral, the new S. P. agent, were guests.

Meetings next month will be held at the Hotel Medford.

Vaudeville

The bill of Western Association Managers vaudeville at Hunt's Craterian theater tomorrow matinee and night, presents a wide range of entertainment.

"A Whirl of Dance," is presented by the Fehnova Dancers, headed by Ivan Fehnova, showing dances of all nations, by a group of young lady artists.

Harry Cody and Jack Trigg, offer "Two Special Delivery Males," giving ukulele duets, comedy songs and the latest patter.

Two acrobatic comedians — Tony and George—accompanied by a young lady, call their act "Watch 'Em Walk." What everybody does is parodized in a hilarious manner.

Ludlow and Co., present "Room 515," headed by Miss Wanda Ludlow, who plays the role of a camping female insurance agent, meets a divorce attorney, and the comedy situations are rib tickling.

Gallik and Claretl, roller skate experts, give a bewildering routine of plain and fancy skating, with a beautiful stage setting.

The photoplay portion of the program consists of the ever popular "Topics of the Day," and a funny Mack Sennett comedy.

BUSINESS MEN— REMEMBER:

This office will duplicate prices made by out-of-town printers and book-binders for duplicating sales slips of all kinds, blanks, ledger sheets, bills, etc., for all kinds of bookkeeping machines, and other printing.

If you believe in "No Peddlers or Agents Allowed," begin with yourself and never give any printing, book-binding or other work to any out-of-town solicitor or firm before asking some home printer first if he can do the work and get his price.

BILLY SUNDAY WILL HOLD REVIVAL IN ASHLAND IN MAY

The Rogue River Valley Association of Ministers held their regular monthly meeting at Grants Pass yesterday. The session opened with luncheon at the Oxford Hotel and continued at the First Christian church until 4 o'clock. Ministers from all parts of the valley were there, and the session was said to be one of the most successful yet to be held.

The half hour given over to devotions was led by the president, Rev. J. B. Coan. Much routine and special business was cared for and the reports of the various community associations was especially interesting. The Christian churches of Medford and Ashland reported each the construction of religious educational departments to the amounts of five and six thousand each. The Presbyterian church of Medford reported on the promotion of plans for a church edifice in the near future.

Grants Pass reported a successful series of simultaneous revival services of very gratifying results. The Ashland pastors reported on the progress of plans for the Billy Sunday meetings. The date is now set for seven weeks beginning late in May. The association went on record by adopting a resolution pledging the support of the ministers of the valley to the Ashland campaign with this noted evangelist.

The association directed a letter of congratulations to Rev. Chaney recently of Ashland and promoted by his church to the office of district superintendent of the southern Oregon district. A survey of the religious denominations of the valley was authorized and tickets for the Golden Rule dinner this evening in this city were furnished the out of town ministers.

Two papers were given at the program hour. W. R. Nelson of Phoenix on the subject, "Reading the Bible in Public," and Rev. Woodworth of Ashland on "Introduction to the New Testament."

Relieved of lame back overnight

STIFFNESS AND ACHE GONE IN ONE NIGHT

Sportsman is "as good as new" after one treatment

Sportsmen have learned a simple way to take out pain and stiffness when they get lamed up from exposure or over-exertion.

A Philadelphia sportsman writes that he caught cold in his back while out gunning and the next day found himself so stiff and lame he could hardly bend.

"I went to work, but had to come home," he writes. "I applied Sloan's freely and went to bed. The next morning I was as good as new, thanks to the quick and sure action of Sloan's Liniment." (Name and address given on request.)

It is amazing what Sloan's does for any kind of muscular pain. Just pat it on lightly. No need to rub. Sloan's alone does the work.

Instantly it sends a healing tide of fresh, new blood right to the sore spots. Your muscles limber up, stop aching and get back their tone. So clean and pleasant to use, too. Get a bottle today. All druggists—35 cents.
