## CHANGES MADE IN U. OF O. LINEUP, TEAM ENTRAINS

EUGENE, Ore., Oct. 29.—Twenty-four University of Oregon football players accompanied by the football coaching staff, will leave Eugene this afternoon for Palo Alto, Calif., where the football men of Stanford university will be met Saturday afternoon.

Three changes have been made in the Oregon lineup for the Stanford game. Nick Carter, substitute center, will replace Carl Johnson, a veteran. Carter's weight caused the change.

## TELEPHONE SUPERVISOR

Tells of the Benefit Received by Taking Lydia E. Pinkham's Vegetable Compound

Leavenworth, Kansas.—"My work was long-distance operating and supervising, and I got into a very nervous state and was all run down. I was easily annoyed at trifles, was extremely nervous and always had a tired feeling which made me awfully listless. Through a newspaper I learned of Lydia E. Pinkham's Vegetable Compound and thinking it would help me I tried it. It quieted my nerves, I was less annoyed and more lively. It took away that dragging feeling and improved my health in every way. I was able to continue my work with more vigor than before and I recommend the Vegetable Compound to all young girls. I am married now and have a big baby boy and am in the best of health. If I should ever have any trouble I'll take the Vegetable Compound again, for I know it will help me as it did before."—Mrs. O. W. THIEL, 925 Pawnee Street, Leavenworth, Kansas.

Lydia E. Pinkham's Vegetable Compound is a dependable medicine for all these troubles. For sale by druggists everywhere.

If his present line is not heavy enough Coach Smith said, he will put in new men as his substitutes, who will average 200 pounds from tackle to tackle.

## FOOTBALL LEADERS ADVOCATE PLAYING OFF TIED SCORES

NEW YORK, Oct. 29.—(A. P.)—When the football rules committee holds its next annual session two major issues dealing with the scoring system in football will be up for renovation. One deals with the indecisive tie game and the other with the extra point after touchdown.

Agitation against both issues has developed in all sections of the country as a result of a wholesale number of the games and the great number of contests decided by the point after touchdown which, it is claimed by many critics, puts too great a penalty on a team matching one touchdown with another.

Football's scoring rules are unique in that they provide no relief for the tie game. No other major American college sport outside of track and field, fails to supply a means of breaking deadlocks.

The extra point after touchdown was incorporated in the play with the idea of breaking ties, but it does not appear to be generally effective. In the east this year fourteen games have resulted in tie scores, while seven have been decided by the extra point after touchdown.

While opponents of the extra point after touchdown feel that there is little likelihood of any change in this ruling next year, they contend the rule makers will endeavor to bring about a satisfactory solution of the tie game question.

## HIGH SCHOOL IN PRACTICE SMEARS J'VILLE WARRIORS

The Medford high school football team played a practice game with Jacksonville yesterday afternoon and in two quarters ran up nine touchdowns. The first string scored seven of the lot. The county seat team offered slight resistance.

Coach Callison took his proteges to a verbal cleaning after the game and knocked the notion out of a number of his stars that they were football players. Over-confidence, the downfall of football teams, was beginning to show up and the ex-Oregon center announced that players who do something this week instead of sailing on their reputations, would start the game Saturday with Marshfield. Members of the squad who had Grants Pass fingers accidentally jabbed in their eyes are all fit again.

The game with Marshfield will be the hardest of the year for the locals, and fair weather is the prayer of all concerned. The heavier Coos bay aggregation would go best in the mud against the light Medford team.

The out-of-town crowd at the game promises to be larger than usual, as delegations from Klamath Falls, Ashland and Grants Pass will be on hand. It is not likely they will do much rooting for the phone boys, who will need all the vocal aid they can muster from their own folks.

The Medford team, if it wins Saturday, will go after a post-season game with the champions of the Willamette valley. If the upstate squads shy at the prospects, as they have in the past, a Portland team will be invited, and if the metropolis is diffident a California high school—Sacramento or Stockton—both these schools being willing to start athletic relations in southern Oregon.

## SAN FRANCISCO IS BEATEN SIX TO TWO

SAN FRANCISCO, Oct. 29.—(A. P.)—Nick Cutton, veteran American association southpaw had the Indian sign on the San Francisco Seals yesterday and the Louisville club defeated the champions of the Pacific Coast league 6 to 2. The series now stands San Francisco 4; Louisville 3.

San Francisco needs but one more game to win the nine game series.

Big Chief Tineup, who shutout the Seals in the opener is slated to start for Louisville today.

**Theatre**

There were three exceptionally good numbers on the Western Managers' association vaudeville bill at the Criterion last night. They were the Pelnova dancers, one young lady in the troupe being able to fold up like a Corona typewriter, while her partner were dancers of Spanish, oriental and jazz styles. The cleverest comedy acrobatic act ever seen in this city was presented by Tony and George, and besides being thrilling they were funny. Gallick and Claret offered a roller skating turn that was out of the ordinary. The remainder of the bill was as good as the average, consisting of ukelele playing by Harry Cody and Jack Trigg and a fast-moving playlet by the Wanda Ludlow company.

## COUNTER REVOLUTION UNCOVERED IN RUSSIA, SCORES ARE ARRESTED

MOSCOW, Oct. 29.—(A. P.)—Discovery of daring plans for the destruction of railways, bridges, airdomes and military depots in soviet Russia is claimed by the state police, formerly known as the cheka.

The plot, according to the police, was to be engineered by a counter revolutionary espionage organization on behalf of the general staff of a bordering state. The police allege that this organization has been collecting military and political information for one of the great powers.

Several scores of persons have been arrested in connection with the plot, many of them former officers and citizens of the soviet republic.

## PIERCE BEFRIENDS ANOTHER CRIMINAL

SALEM, Ore., Oct. 29.—Alton McLaren, Portland youth who is under sentence to the state penitentiary for a statutory crime and who was due to arrive at the prison today, was today granted a reprieve of thirty days by Governor Pierce, dating from today.

Gladwyn Laupugh, another youth convicted in connection with the same case has begun to service his state prison sentence and Archie Livingston, a third offender, was paroled from the bench by Judge J. U. Campbell of Oregon City, according to information here. The three were convicted in Clackamas county. McLaren is a son of W. G. McLaren, a member of the state parole board.

Laupugh was sentenced to serve five years, McLaren four years and Livingston two.

## 4 PER CENT BEER IN CANADA A FAILURE

WINDSOR, Ont., Oct. 29.—(A. P.)—Only one Windsor cafe, District License Inspector Maxine N. Mansau announced, has asked for a renewal of its license to sell 4 beer. The fiscal year ended today and time for application of renewal of licenses was fixed for this date, but it was unofficially reported the time will be extended until May 1.

Brewery reports of sales indicate the 4 beer demand has been declining steadily until it has reached virtually the vanishing point.

## STADIUM PROPOSED FOR ROSE FESTIVAL

PORTLAND, Ore., Oct. 29.—(A. P.)—Plans were unveiled at the annual meeting of the Rose Festival association last night for construction of a stadium in which to stage pageants and other features of the fete as well as civic functions which demand a greater area and a greater seating capacity than is now available.

J. R. Raleigh, general manager of the 1925 festival said that a tract of ground not less than 500 feet square should be provided for a stadium; that it should be equipped with a covered stage 200 feet wide and that the seating capacity of the amphitheater should be not less than 20,000.

The cost would be approximately \$150,000, he said.

During the past year \$17,000 was paid for rental of grounds and other things which would not be necessary if a permanent pageant theater were available, he said.

## GRANGE WITHDRAWS STATE POWER BILL

SALEM, Ore., Oct. 29.—The State Grange has withdrawn from the secretary of state its petition for an initiative bill for state control of hydroelectric development, and has filed a new petition that will limit state bond issues under the proposed constitutional amendment. A new ballot title will be necessary.

The original measure as proposed allowed an unlimited bond issue. The new one will limit bond issues to four per cent of the assessed valuation of the state. A similar measure being initiated by the Housewives Council of Portland places a five per cent limitation on bond issues, but provides in addition for an appropriation of \$250,000 from the general fund of the state.

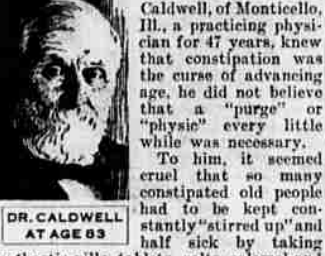

## DENTAL COLLEGE URGED FOR U. O.

SALEM, Ore., Oct. 29.—A department of dentistry to be maintained in connection with the medical college of the University of Oregon is urged in the annual report of the state board of dental examiners to Governor Pierce.

"The only dental institution in the state of Oregon, in the entire northwest, for that matter," says the report, "is a privately owned and controlled institution."

At the close of the fiscal year ending March 31, the report says there were 1883 dentists registered in the state and seven dental office proprietors and managers.

## If Past Fifty, Stop "Physics"

While Dr. W. B. Caldwell, of Monticello, Ill., a practicing physician for 47 years, knew that constipation was the curse of advancing age, he did not believe that a "purge" or "physic" every little while was necessary.

To him, it seemed cruel that so many constipated old people had to be kept constantly "stirred up" and half sick by taking cathartic pills, tablets, salts, calomel and nasty oils every day or two.

In Dr. Caldwell's Syrup Pepsin he discovered a laxative which regulates the bowels of old folks. A single dose will establish natural, healthy bowel movement for weeks at a time, even for those chronically constipated. Dr. Caldwell's Syrup Pepsin not only causes a gentle, easy bowel movement, but best of all it is often months before another dose is necessary. Besides, it is absolutely harmless and pleasant to take.

If past fifty, buy a large 60-cent bottle at any store that sells medicine and just see for yourself.
