#### FABER'S STORE AT CENTRAL POINT IS ROBBED AGAIN

By F. M. JONES.  
CENTRAL POINT, Oct. 29.—The store of the E. C. Faber company was entered again sometime last Saturday night and a number of articles of clothing taken which included shirts, and an expensive coat as well as a lot of smoking tobacco. A case of eggs had been taken as far back as the back door, but for some reason was left there. This is the second time in a month that this store has been robbed and it seems that somebody must "have it in for them."

Last Thursday the national inspector for the Woman's Relief Corps, Mrs. Seoby, visited the local post and was pleased to find everything in its top shape. Mr. H. P. Cunningham, president of this post was highly commended for the efficient manner in which the books had been handled, and the post in general was complimented on their good showing for the year.

Mr. Emmitt Crouse of Glendale, spent a few days in Central Point last week; his sister, Mrs. William Schleich came down with him to visit friends, returning with him Sunday.

Mr. and Mrs. J. Fry have as their guest, their eldest daughter, Mrs. Knowles, who arrived from Portland Wednesday. Mrs. Knowles will be here for some time.

Mrs. T. Lathrop, president of the local branch of the P. T. A. left Monday morning to attend the P. T. A. convention in Portland. While there she will also take in the stock show in that city. Mr. Lathrop and two sons, James and John, will leave Saturday to attend the show. James won the grand prize and a trip to the Portland show when he exhibited at the Jackson county fair; John also won one or more prizes and the two young gentlemen will exhibit their stock, pigs and calves in Portland.

Mrs. May Lewis has again taken over the theater here and will run every night instead of three nights a week.

Mrs. Lewis has some fine pictures booked and will guarantee a pleasant evening to her patrons.

Quite a surprise was sprung on the community last Tuesday morning when it was learned that Miss Gladia Brenner and Mr. Clifford Webber had been quietly married that morning at the home of the bride's parents, Mr. and Mrs. John Brenner, who live two miles north of town, only a few relatives and close friends being present. While many had long known that Dan Cupid was very busy in that locality, it was not expected that the goal of his efforts would be reached for some little time.

The Rev. Joseph Johnson of the Brick church officiated while the bride's brother, Thurman Brenner, acted as best man and Miss Donna Broomer was bridesmaid. The bride was a member of the C. P. H. S. class of '24, and is very popular with the young people of this community, while the groom is the son of Mr. and Mrs. Webber, now of Klamath Falls, but formerly of Central Point, and has many close friends here. After the ceremony the happy couple left by auto "for parts unknown," but it is understood that they will live in Klamath Falls where the groom is employed. Their many friends wish them much happiness.

On Friday night, October 23rd, the P. T. A. held a meeting at the gym which proved a very pleasant affair; the occasion was "Fathers' Night," and all the fathers of the community were especially invited. The result was a goodly gathering with a large representation of the daddies as well as the mothers of school children. The evening was spent with music, stunts, addresses and other forms of amusement, including refreshments, after which the assemblage disbanded, well pleased with their evening of entertainment.

A party composed of Mrs. Sadie Kohler, Mrs. Kincaid, Mr. and Mrs. Leonard Freeman motored to Corvallis Thursday to take in the "homecoming."

Mrs. Georgia Adams, who underwent an operation in a Medford hospital some time ago, is again able to attend her school duties and is much improved as a result of the Medical treatment and operation.

Persistent coughs and colds lead to serious trouble. You can stop them now with Creomulsion, an emulsified creosote that is pleasant to take. Creomulsion is a new medical discovery with two-fold action; it soothes and heals the inflamed membranes and inhibits germ growth.

Of all known drugs, creosote is recognized by high medical authorities as one of the greatest healing agencies for persistent coughs and colds and other forms of throat troubles. Creomulsion contains, in addition to creosote, other healing elements which soothe and heal the infected membranes and stop the irritation and inflammation, while the creosote goes on to the stomach, is absorbed into the blood, attacks the seat of the trouble and checks the growth of the germs.

Creomulsion is guaranteed satisfactory in the treatment of persistent coughs and colds, bronchial asthma, bronchitis and other forms of respiratory diseases, and is excellent for building up the system after colds or flu. Money refunded if any cough or cold is not relieved after taking according to directions. Ask your druggist. Creomulsion Company, Atlanta, Ga. (ad.)

ASHLAND, Oct. 30.—The Vining theater, redecorated and recarpeted, may in new colors and rearranged lighting, was a happy scene on Wednesday when the management reopened the popular playhouse to the public after the orgy of general house cleaning. H. B. Hurst, the proprietor, has from the time he took over the business, been working on plans to keep the Vining on a par with the best show houses on the coast, and has spared no expense in making the recent alterations. The expense of the work amounts to \$10,000. Wednesday night a capacity house witnessed the opening number, "The Iron Horse." Irving E. Vining spoke during the evening on behalf of the management, sketching the history of the theater from its beginning. Again, for the public, Mr. Vining spoke strong words of appreciation for Mr. Hurst's splendid efforts to give Ashland clean and worthwhile shows.

The fine new projection equipment adds much to the comfort of the public and makes possible effects which heretofore have been impossible.

The French class met with Mrs. W. M. Foley on Gresham street and reorganized their work for the coming year.

The vanishing chain has entered as a factor into Ashland's giving for worthy objects. By this plan a group of several meet at luncheon as the guest of a friend. Each one contributes a dollar for the worthy object to be financed. The hostess vanishes. The other seven become hostesses to six friends and vanish, as each of the six become hostesses to five others, and so on, each one in turn giving her dollar. In this way a large sum of money is raised by small contributions without burden to a few and gives many a chance to partake in notable charities who have to be careful givers.
