

FAIR DIRECTORS NOT DISCOURAGED BY LOSS OF MONEY

The directors of the Jackson County Fair association met last evening and spent several hours going over the events of this year, all of which lost money except the auto races in June, which netted a small amount.

As is well known, the principal reason for the loss was due to the rainy, cold weather during the week of the fair. The evening was so cold the special attractions for night performances had to be called off. The vaudeville was never presented and when the sham battle was put on it was a stormy night and less than \$100 was taken in at the gate. It is estimated that 1500 to 2000 people witnessed the sham battle from outside the fair grounds, which did not help swell receipts.

The people generally all over the county were highly pleased with the wonderful exhibits and the program the directors were able to put on under the conditions and are willing to help in any way, realizing the fair is one of the best methods of advertising southern Oregon and encouraging stock raising, horticulture, agriculture, manufacturing and all other industry.

The fair directors are not discouraged but have commenced planning for a larger and better fair next year.

Youths Warned Not to Break the Law, Hallowe'en

"We want the youth of the city to have a good time tomorrow night, seeing it is Hallowe'en," said Chief of Police Adams today, "but they must observe the rights of others. Furthermore, they must be off the streets by 11 o'clock."

"When Hallowe'en time rolls around each year, the boys become daring enough to damage property by breaking windows and to steal furniture left outside, only to leave it in some isolated spot. This will not be tolerated in any way this year. If such pranks are carried to the extreme prosecution will be sure to follow. Likewise it is against my wish for the 'No-Parking' signs to be removed from their positions near fire hydrants and taxi stands and scattered in different places about town, as has been done in the past."

"Although no special officers will be employed tomorrow night, special motorcycle patrolmen will be on duty to prevent the possible blockading of streets, which is strictly against city ordinances, and in addition be on duty for general utility."

"I will be on the street till 12 o'clock," continued the chief. "At that time I will go home and I expect each Hallowe'en reveler to do the same."

G. O. P. Candidate For U. S. Senator Visits Medford

J. J. Crossley, prominent attorney of Portland, who is a candidate for the republican nomination for United States senator, was in Medford Wednesday in the interests of his candidacy.

Mr. Crossley is a graduate of the Iowa University and a post graduate of Yale, was United States attorney six years under Roosevelt and Taft, was in the state senate five sessions, saw service on the Mexican border as a member of the National Guard and served in the World War over seas in Champagne and One-Alone sectors and with the Rainfore division in the Argonne.

At the beginning of the World War Captain Crossley had charge of the Portland company guarding the railroad bridges and tunnels in the Blue River mountains and other places in southern Oregon. Medford people will remember the splendid personnel of the Portland boys and their gentlemanly behavior under the leadership of Capt. Crossley and his officers.

GOLD HILL CASE GOES TO JURY

The case of Walter Williams, 17, Gold Hill youth charged with a statutory offense, will be given to the jury in circuit court this afternoon, the evening arguments being made this morning.

The principal witness at the Thursday session was the defendant, who denied the charge, and who became badly confused under cross-examination by counsel for the state.

The case attracted considerable attention in the Gold Hill district and was characterized by Assistant District Attorney Moulton Thursday as a "controversy involving the entire community."

A motion to dismiss the case at the close of the state's case was denied by the defense by the court.

The trial of Lyman Huntley, charged with murder in the first degree as a result of a stabbing affray that resulted in the death of Jesse James (1888) last September, will be started Monday. It is expected the entire week will be devoted to the presentation of the state's case and the same amount of time required for the defense.

Morgan Flowers Wins GLENCOVE. N. Y.—Chrysanthemums that the late Mrs. J. P. Morgan loved at her country estate have won blue ribbons at a county flower show.

REV. LAWRENCE REPORTS RESULTS MISSION MEETING

Rev. E. P. Lawrence returned from Portland yesterday having been in attendance with the national missions committee of the synod in conference with Rev. William P. Shriver of New York, who came as a representative of the board of national missions of the Presbyterian church. Plans were made for the assisting of the home missions churches of the synod with funds for the coming year. Strong emphasis was placed on the necessity of eliminating waste of home mission money on fields where there is competition, by working out exchange with other denominations and combining the work of two or three churches wherever possible.

Rev. J. R. Lamb of Sutherlin, was recommended to the board as a successor to Rev. W. H. Amos who recently resigned his position as Sunday school missionary for southern Presbytery. Mr. Lamb is exceptionally well qualified for his work having previously had six years experience in such work in Colorado.

Arrangements were made for the settling as pastor over the Bohemian colony and church at Malin, Oregon, of Rev. Joseph Mikosovsky, a Bohemian minister, who is already on that promising, growing field.

The cornerstone laying for the new Albany college building of administration was postponed until next Friday afternoon at 2 p. m. A committee of the synod appointed to assist in the exercises are Rev. Harold L. Bowman, D.D., of the First Church of Portland, Rev. W. H. Tully, the new pastor of the Presbyterian church at Salem and Rev. E. Percy Lawrence of Medford, moderator of the synod of Oregon.

With Medford trade is Medford made.

THRILLING GAME IS EXPECTED HERE TOMORROW P. M.

Ideal weather, a fast field, a record crowd, and a thrilling contest is the forecast tomorrow for the annual game between the football teams of the Marshfield and Medford high schools, to be played tomorrow afternoon at 2:30 at the Holly street grounds. The Marshfield team accompanied by a large delegation of Coos Bay rooters, will arrive this afternoon, and will work out tomorrow morning.

The local team had a skull practice Thursday evening, and went thru their entire repertoire of plays. Tonight they will limber up, and receive final instructions from Coach Callison. The opening local lineup will probably be as follows:

Melice, center; Neff and Jackson, guards; Hubbard and Morgan, tackles; Singler and Sanders, ends; Dunn, quarterback; Conrad and Williams, halfbacks, and Senn, fullback.

The substitutes for the game will be Archer, fullback; Moore, halfback; Herriot, quarterback; Putney, guard; Zeek, tackle; Kelly and Green, ends.

The high school band under the direction of E. Wilson Waite, will make its first public appearance under the new leader, at the game, and "Chuck" Stillman, will make his bow as yell leader, with the full rooting strength of the student body on the sidelines.

Though no definite selection has been made, the referee will probably be Ted Cramer of Grants Pass, former O. A. C. star.

The Roseburg and Ashland teams, who play at Ashland this afternoon, will be among the spectators. Grants Pass plays Klamath Falls at Klamath Falls tomorrow.

Cook with gas 4th.

RUSSELL'S Men's and Boy's Store

Economy Buying in Men's Suits Does Not Always Mean to Buy Cheap

But when good clothes, 100 per cent Virgin Wool clothes, can be bought at a low price with the knowledge that you are buying high quality materials, newest patterns, latest styles and "long wearing shape holding fabrics", then is the time to investigate and invest.
