

Help Make Motoring Safe!

IT IS CARELESSNESS, NOT SPEED, THAT KILLS THOUSANDS

STOP!

Let us inspect your brakes before the police do.

Don't take chances. If your brakes won't hold, let us reline them with Raybestos.

Raybestos High Speed System gives a factory job in quarter usual time.

We take your brake worries.

Flat cash rate—you know in advance what you will have to pay. Let us quote you.

Billings Carriage Shop

The City of Medford is initiating a city-wide campaign for safety, assisted by the State Traffic Department. Members of the city police department are to take an active part in the campaign to spread the gospel of "Safety" and acquaint the public with the city traffic ordinance, the strict observance of which will assure greater safety for motorists and pedestrians.

An operator intending to turn his vehicle to the left shall extend his arm in a horizontal position for a reasonable length of time and slow down.

An operator intending to turn his vehicle to the right shall extend his arm with his forearm raised at right angles, for a reasonable length of time.

When intending to stop extend arm and move up and down in vertical direction for a reasonable length of time.

CITY TRAFFIC ORDINANCE

SPEED (same as state law) 20 miles per hour; 12 miles per hour passing schools. Passing cars at intersections prohibited.

The fire siren is a signal for all cars to pull to the curb until fire trucks have passed. Parking near fire hydrants prohibited. Fire trucks have right-of-way. Do not drive over fire hose. Use extreme caution when approaching intersections marked "SLOW" or "SCHOOL." No parking on streets between 1:00 and 5:00 A. M. Cars restricted to one hour parking on marked streets between 8:00 A. M. and 5:00 P. M. on week days.
