

Local and Personal

Much rain has fallen this week, the fall during the 24 hours ending at 8 a. m. today being .14 of an inch, and the fall of the 24 hours prior to that time being .21 of an inch, making a total of .35 of an inch. So far this month, up to this morning, the rainfall amounted to .58 of an inch. Light rain continued to fall steadily during today, and probable rain is predicted for tonight and Friday.

The COLONIAL Southern Oregon's Finest Bakery

Looks as if the Rogue valley were going to receive that long delayed moisture. We won't complain if the rain starts falling, for the miners and farmers have long been awaiting its arrival. The rains are badly needed to soften the ground for clearing operations and to provide water in the small creeks for the miners.—Grants Pass Courier.

T. G. Heine, M. D., physician and surgeon. Eye, ear, nose, throat. Glasses fitted, 214 Liberty building. 222*

Another new book with the sound of the sea, at least in it's title, is by an Oregon author. It is "Ocean Gold," by Edison Marshall. "Ocean Gold," however, is not a sea story, but a corking good adventure tale. It is laid in an untraveled part of Alaska, and records several experiences with Kadiak bear, as well as suspense and thrill in the search by four boys for the "Ocean Gold" left to Little Joe.—Portland Journal.

All classes of carburetors repaired and adjusted. Williams & McCurley, 1*

Dancing at the Shasta Friday night. 50c a couple. 202*

How to Quickly Limber Up Sore, Stiff, Swollen Joints

It was a high-class pharmacist who saw prescription after prescription fail to help hundreds of his customers to get rid of rheumatic swellings and stiff, inflamed, pain-tortured joints.

And it was this same man who asserted that a remedy could and would be compounded that would make creaky, swollen, tormented joints work with just as much smoothness as they ever did.

Now this prescription, rightly named Joint-Ease after being tested successfully on many obstinate cases is offered through progressive pharmacists to millions of people who suffer from ailing joints that need limbering up.

Swollen, twingy, inflamed, stiff, pain-tortured joints are usually caused by rheumatism, but whatever the cause, Joint-Ease soaks

The Most Advanced Styles in Bags, Pouches and Other Purses Are Here

The newest creations for the completion of your fall wardrobe are here. It takes a nice bag or a purse of some sort to just set off the new coat or the new dress so that the outfit looks complete. The Mushroom bags, the Pouch, the new Underarm Envelopes, the French beaded and embroidered Pouches, such new and novel ideas in purses of all kinds that we feel sure you will be highly interested in the display. Then, too, we are showing Boxes again in many different shapes and styles, especially is the Kodak Box in demand.

The colors are varied and in most cases you will be able to match the color scheme of your wardrobe. The two-color combinations are very good right now.

While all the new things are shown the prices on all will be found very reasonable.

\$1.98 \$2.98 \$3.98 \$5.98
