

FRENCH VILLAGE BALL GALA EVENT, PROCEEDS LARGE

RED CROSS WINS FIRST PRIZE IN ARMISTICE PARADE

A large crowd attended the Armistice ball and French village at the Natatorium last night, despite the inclement weather, and celebrated the close of Armistice day with enthusiasm. The large oriental ball room was packed with dancing couples and many turned to the French village in order to find room to raise the festive foot.

Excellent music was in evidence in both halls, Wilson Walte's augmented orchestra being located in the large ballroom and Herb Alford's Imperial orchestra in the smaller hall. The crowd was in a festive mood and called for repeated encores, being loath to sit down until the orchestra gave up for want of wind. Specialty numbers and entertainment features were welcomed and heartily applauded.

A beautiful stage setting presenting a huge Legion emblem flanked by large American flags brought forth many comments of praise, as well as the other patriotic decorations.

The French village drew hundreds of interested visitors, who found amusement in the special features presented there, as well as food and drink in the cafe presided over by the ladies of the Legion Auxiliary. Dancing was continued in this hall until 1:30 a. m. The larger dance being closed at 12:30 a. m.

Results of the total revenue derived from these two attractions are not yet available but it is understood that the Legion realized a goodly sum to apply on the Drum Corps uniforms and equipment.

'ABE' WILLIAMS HAS CLOSE SHAVE

A. B. Williams is walking around town in his spare time introducing himself to close friends, who become especially close and hold their hands over their pockets as he approaches, and when he reported in the Mail Tribune composing room for duty this morning the foreman ordered him out. Later, when he gave the hailing sign to a fellow Odd Fellow the latter at once edged away and notified the police.

All this because of having shaved off his mustache last Monday, after 17 years continuous wear of that hirsute appendage, as they called it in Richfield, Utah, from which place he came to Medford that many years ago. Mr. Williams parted with it Monday. That day was his 58th birthday, and his wife requested the change as an aid to the Medford beautiful movement.

'FULLBACK' PERRY GETS IN MOVIES

Arthur Perry "broke into the movies" yesterday while enjoying the Medford-Ashland football game. Here's how it came about. He was located as usual on the side lines where he could get an unobstructed view of the game. For some unknown reason he had squatted down in order to allow those behind him to glimpse an occasional play.

It so happened that the movie man was behind "Admiral" Perry, "shoot" an interesting play over his head. Just as the action was at its height, Perry became excited, rose to his feet, completely obstructing the camera so that the net result was an excellent "close up" of not the quarter-back and the team, but the "fullback" of Mr. Perry himself. And there he remained despite repeated shouts of "down in front," "sit down," "get off the earth," and other more forcible and lurid remarks. The cameraman finally gave up in disgust and moved to a new location where he could get more interesting results.

TO DARKEN HAIR APPLY SAGE TEA

Common garden sage brewed into a heavy tea with sulphur added, will turn gray streaked and faded hair beautifully dark and lustrant. Just a few applications will prove a revelation if your hair is fading, streaked or gray. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get a bottle of Wyeth's Sage Tea and Sulphur Compound at any drug store all ready for use for only 75 cents. This is the old-time recipe improved by the addition of other ingredients.

While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared, and, after another application or two, your hair becomes beautifully dark, glossy soft and luxuriant. Many words of praise were heard on all sides today for the splendid Armistice celebration which was put on yesterday by Medford Post No. 15 of the American Legion. The whole program of entertainment was effectively carried out and it was felt that every visitor was well satisfied with the results, with perhaps the exception of a few Ashland people who were disgusted with the results of the football game.

The list of prize winners in the Armistice Day parade has been announced as follows:

Patriotic float—First, Red Cross. Honorable mention, Daughters of American Revolution.

Best commercial float—First, Judy and Frobbach, General Petroleum Co. Honorable mention, the California Oregon Power Co.

Best fraternal float—Fleet, L. O. O. F. Honorable mention, Redmen.

Best decorated automobile (local)—Pacific Fruit and Produce Co. Honorable mention, Rogue Valley Floral Co.

Best decorated automobile (out of town)—Jacksonville Native Sons and Daughters.

Best Comic Float—Medford Veterinary Hospital, D. W. Stone.

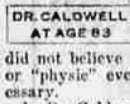

Each of the above first-prize winners was awarded a beautiful silver loving cup given by Medford Post of the American Legion, with the exception of the comic float, which received a cash prize of \$10. In addition to the above entries there were scores of other floats and cars, both unique and attractive in design, all of which assisted materially in making the whole parade a big success.

The American Legion wishes to express its sincere thanks for the excellent assistance and cooperation rendered by all those who participated in what will long be remembered as one of the best patriotic parades in the history of southern Oregon.

Mother! Don't "Physic" a Child

To Dr. W. B. Caldwell, of Monticello, Ill., a practicing physician for 47 years, it seemed cruel that so many constipated infants and children had to be kept constantly "stirred up" and half sick by taking cathartic pills, tablets, salts, calomel and nasty oils.

While he knew that constipation was the cause of nearly all children's little ills, he did not believe that a sickening "purge" or "physic" every little while was necessary.

In Dr. Caldwell's Syrup Pepsin he discovered a laxative which regulates the bowels. A single dose will establish natural, healthy bowel movement for weeks at a time, even if the child was chronically constipated. Dr. Caldwell's Syrup Pepsin not only causes a gentle, easy bowel movement but, best of all, it is often months before another dose is necessary. Besides, it is absolutely harmless, and so pleasant that even a cross, feverish, bilious, sick child gladly takes it.

ACHES AND PAINS ARE SOON FIXED UP

Simple, easy treatment brings quick relief

Quick, sure relief from pain is what men want when they get lamed up from over-exercise or exposure, or when they get a sprain or bruise. A soldier in the Sixth Pennsylvania Infantry writes from camp: "Sloan's is a great thing for us boys in the army. After a stiff hike or drill your muscles are bound to ache, but they are soon fixed up with Sloan's. It's great stuff for muscle-bound legs, lame backs, stiff necks, sprains or bruises." The reason that Sloan's Liniment gives such remarkable relief is that it gets right at the cause of the pain. It stimulates the circulation throughout the place where the pain is, and clears out congestion. Right away you feel relief. Stiff muscles limber up, the aching stops, and soon you are fit as ever. No need to rub. Sloan's does the whole job. Just pat it on. Get a bottle today. All druggists—35 cents.
