CIVIC CLUB DANCE AT EAGLE POINT TOMORROW NIGHT

EAGLE POINT, Nov. 19.—The Civic Improvement club will give a dance Saturday night, November 21 at the new hall. Supper will be served by members of the club. Everybody come and have a good time.

The club is near the close of a very successful year which started in the early spring with the many civic activities, the principal one being the maintenance of the free auto park. The club has felt more than repaid for the amount expended by the many favorable comments from tourists who camped there during the summer.

The last meeting of the club was at the Sunnyside Hotel, where Mrs. Howlett and daughter, Hattie, entertained with an all-day session. A wonderful chicken dinner was served at the noon hour. About 25 ladies were present to sew for two families of motherless children in and near Eagle Point.

Mrs. S. B. Holmes and Mrs. John Rader will entertain the club December 3 at the home of the former.

NEW SAW MILL IN GOLD HILL IS STARTED UP

GOLD HILL, Nov. 20.—Clem Cleveland, an old time sawmill operator in the north end of Jackson county, and who has been operating a saw mill on the Hays tract on Gall creek the past year, has purchased the Bilger timber tract further up the creek and will move from his present site to the new site and begin sawing about the first of February for the coming season. He has been joined by his brother, C. R. Cleveland, also an experienced saw mill man in this district, and will operate their business under the firm name of Cleveland Bros. They have considerable lumber sawed at the old mill site and are having it hauled down to the highway so that they will be able to ship and deliver their local orders all winter. They also purpose to put in a yard in Gold Hill as soon as a location is assured for that purpose.

John D. Williams, who recently sold his pool room busines sin Gold Hill to John Hays, and his home property to Harry Tresham, has just returned from an extended trip looking for a new location for business. He visited Klamath Falls, and Yreka and other California points and reports a very wintry condition east of the mountains, and in northern California and most of the industries tied up due to winter conditions. He is still unsettled as to business plans and where his future domicile will be.

W. Ferguson, a mining man of considerable experience and late from Portland is developing a quartz vein on the right hand fork of Foots creek onthe Grant Matthews tract. He was in Gold Hill during the week buying supplies and reports that he has a very promising prospect in a large vein of low grade ore porphry, which he will be able to make pay in reducing the ore in a large capacity arrastra which he is erecting at the mine. He has been testing his ore at the Derwent local assay plant and reports that the local plant is the best equipped in the state for sampling and testing ore.

Mrs. Arretta E. Zan, formerly of Gold Hill, now a resident of Ashland, was here during the week looking after her business interest in Gold Hill and extended her visit on down to Grants Pass, where she also has property interests. She reports that she ha ssold her timber holdings in the Climax district and taken a timber tract located out near her homestead tract on the Ashland-Klamath Falls highway in the trade in selling the Climax timber claims. The Climax timber tract is the tow claims held by Mr. and Mrs. G. A. Landas at the time of Mr. Landas' death several years ago. Mrs. Zana relates yquite an experience during last week's rain storm with a surveying crew in locating the corners of her Climax holdings. They expected to do the work in a couple of days, but was nearly a week o nthe job and found it a very wet and disagreeable undertaking during the storm.

FIR TREE SAVES BYBEE RANCHER IN AUTO WRECK

By Mrs. E. W. Scott.

ROGUE RIVER, Nov. 19.—Grant Walter, who lives at Bybee Springs ranch, says he owes his gratitude to a fir tree which stands by the road. While returning home from lodge Tuesday night, Mr. Wolter's car skidded over the grade and turned over against this fir tree, the only damage being done was a cracked windshield and a broken top. If it had not of landed against the tree it would have rolled down several feet and Mr. Wolter would very likely have been hurt, if not killed.

The funeral of Webb Neathammer was held Friday afternoon at 2 o'clock at the Hope Presbyterian church in Rogue River. A large crowd of friends and relatives attended. Webb Neathammer was born in Evans valley and had lived there most of his life. He was 20 years, two months and 21 days old at the time of his death. He was married about a year ago to Miss Wilmot Howell, who, with his parents and brothers and sisters are left to mourn. The entire community extend their sympathy to this bereaved family.

The Civic Improvement club met Friday afternoon at the library. After a short business meeting the afternoon was spent in a social way, at the close of which refreshments were served by Mrs. Reed, Mrs. Dr. Carey and Mrs. Stevens.

A. K. Earhart was a Medford visitor Monday.

We are sorry to report the serious illness of Grandma Whipple. Her many friends are all hoping for her recovery.

Earl Scott and James Wiley were Grants Pass shoppers Wednesday. Mr. Wiley was delivering some very fine turkeys.

Mr. and Mrs. Bill White and Billy Moore have returned from Worden, where they have been employed all summer.

The members of Live Oak Rebekah Lodge enjoyed a few hours after lodge Thursday evening playing cards and visiting. Cake and coffee was served and everyone had a very pleasant time.

In a letter recently received from Thomas Mooney, a graduate of last year from Rogue River high school. He states he is attending Albany college and is staying with former residents of this city, the Rev. Gray. We are glad Tom is going on with his education.

Grant Wolters returned Sunday night from a hunt in Klamath and reports he got 24 ducks and one goose.

Mrs. Bob Grummitt has returned home from Worden after a few weeks spent there. Mr. Grummitt has a logging contract over there.

Bill White has purchased the Grandma Sanborn property and will remodel the house so as to live there this winter.

Mr. and Mrs. Earl Scott and son, Richard and Mrs. M. R. Bliss were dinner guests Sunday at the home of Mr. and Mrs. Fred Dingler.

Next Sunday will be old ladies' day at the Hope Presbyterian church and a special sermon has been prepared. At noon a dinner will be served to all ladies 60 years of age or older.

The Live Oak Grange will hold a special meeting Saturday night and would like to have as many members attend as possible.

If Back Hurts Flush Kidneys

Drink Plenty of Water and Take Glass of Salts Before Breakfast Occasionally

When your kidneys hurt and your back feels sore, don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salts which helps to remove the body's urinous waste and stimulate them to their normal activity.

The function of the kidneys is to filter the blood. In 24 hours they strain from it 500 grains of acid and waste, so we can readily understand the vital importance of keeping the kidneys active.

Drink lots of good water—you can't drink too much; also get from any pharmacist about four ounces of Jad Salts. Take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys may then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help clean and stimulate clogged kidneys; also to neutralize the acids in the system so they are no longer a source of irritation, thus often relieving bladder weakness.

Jad Salts in inexpensive; can not injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to help keep their kidneys clean and active. Try this; also keep up the water drinking, and no doubt you will wonder what became of your kidney trouble and backache. By all means have your physician examine your kidneys at least twice a year.
