### ENROLLMENT AT TALENT H. SCHOOL NEARLY DOUBLED

TALENT, Nov. 20.—The enrollment of the Talent high school went to 50 this week. This is nearly double what it was three years ago. The Talent school will have a Thanksgiving program Wednesday afternoon at 1:30 in the auditorium. Each room is busy preparing two numbers. The high school for its part will put on a play entitled, "The Mysterious Thanksgiving Guest." Everyone is cordially invited to attend. M. L. Alford of Medford was a business visitor Sunday. Word received from H. L. Turnbaugh, our school janitor, who went to Portland last week for medical treatment, is that he will probably return this week-end and be ready for duty Monday. C. W. Martin is filling his place while he is away. Mrs. Chester Wolters attended the meeting of the Daughters of the Nile Saturday at Grants Pass. William Heller, who has been visiting friends and relatives in Portland, has returned to Talent. George Galbraith, now living on the

Ragley ranch, bought a new radio of L. I. Crawford this week. The traveling salesman made a fine demonstration at Mr. Galbraith's home. L. I. Crawford will distribute radios for the Talent district. Miss Velda Waglenott and Warren Barr were quietly married at Grants Pass Thursday, November 12. After the chivaree Friday night the car driven by Richard Petri skidded on the hill in front of Abbott's on account of the lights failing. None of the riders were hurt, although the car was temporarily out of fix and a little damage resulted to the property at the roadside. J. S. Crawford, a civil war veteran, marched in the parade Armistice day. During the war he served with the First Michigan sharpshooters. After that he served until 1870 in the standing army, which was doing extensive construction work in the south. The Misses Helen Snook and Beulah Burnette were Talent visitors Sunday. They are living in Medford, where they have been working in the fruit packing houses. Don't forget the waffle supper at the Community hall this evening given by the Ladies' Civic club. Delicious waffles and coffee for everyone.

Miss Rose Jones and George and Harry Egan. The teachers of the Willow Springs school, the Misses Moore and Greenleaf, and their pupils are giving a Thanksgiving program on Wednesday evening, November 25th at 7:30 o'clock. All parents and friends are cordially invited to attend.

### RIVERSIDE RIPPLES

Mr. and Mrs. G. C. Salisbury of Milwaukee, Wis., returned Wednesday evening to their home, after spending a few days at the home of Mrs. Abbie Champlin. Mr. Salisbury is a son of Mrs. Georgia Kettle. Miss Muriel Matthews, who teaches near Canyonville, spent the weekend with her parents, Mr. and Mrs. G. W. Matthews of Foothills Creek. The regular business meeting of the club was held Sunday afternoon. There was a very good attendance and plans were made for the annual Thanksgiving dinner. Mrs. Maude Champlin attended a one o'clock luncheon on Friday at the home of Mrs. Charles Furnas. Mrs. Viola Kershaw had the misfortune Wednesday evening of losing her dog. He was riding on the running board of her car, when he jumped off in front of the car and was run over and killed instantly. Mrs. Maude Champlin was hostess to a luncheon on Wednesday in honor of Mr. and Mrs. G. C. Salisbury of Milwaukee, Wis. Those present were Mrs. Abbie Champlin, Mrs. Beatrice Jones, Mrs. Georgia Kettle and Mr. F. L. Champlin.

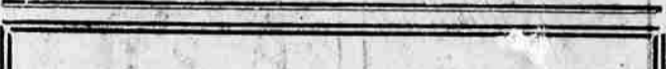

### CLIMAX CLIMBS

Old Grizzly being covered with a blanket of snow put Fred Dutton, Bill Bigham, Floyd Charley and Ham Fox to thinking of their poor cows. Therefore they rode the mountains the latter part of the week. Miss Alice Dennis closed a most successful term of school here Friday, returning to the valley Saturday, making the first eight miles on horseback on account of the recent storm making the roads impassable for a car. We appreciate the economy of our state of Oregon and our county of Jackson for letting our muddy roads be muddied and having sticky on our graveled highways. The board being able to realize that Miss Dennis is a good teacher, hired her for another year. S. P. Coy, A. J. Grissom and W. F. Charley started in to remodel the interior of our school house the first of the week. Nim Charley returned home the last of the week from the bedside of his brother Lem, who is greatly improved, which we are glad to hear. Oscar, Carl and Hilda Hanson and Ed Holman and Miss Peterson spent Sunday visiting at the Hanson home.

### "Kellogg's ALL-BRAN is the only thing that relieved me of constipation"

Beware of the dangerous diseases which are constipation's toll. Constipation is dreaded, not only for its insidious self, but for the serious diseases which may be traced to it. Mr. Palludon tells us the helpful story of his relief: Doing hard work while constipated brought on piles, from which I suffered for two years. I tried almost every remedy without success. Finally I tried Kellogg's ALL-BRAN and it has made me fit again. It is the only thing that helped me and I want everybody to know about it. (Signed) JOHN PALLUDON, Clifton, N. Y. You can get sure, prompt, permanent relief from constipation. Simply eat Kellogg's ALL-BRAN regularly. Two tablepoonfuls daily, or in chronic cases, with every meal. Doctors recommend ALL-BRAN. It is nature's own way of cleaning the intestine. It is a bulk food which sweeps the system of constipation's poisons and stimulates normal, healthy action. Kellogg's ALL-BRAN is guaranteed to be permanently effective, if eaten regularly, or your grocer returns the purchase price. Eat it with milk, cream, fruits, or try the recipes printed on the package. Made in Battle Creek, Michigan. Served in leading hotels and restaurants. Your grocer sells it.
