THE HOME OF BREAD LIKE MOTHER MADE

ANNIVERSARY SALE

Five years ago we opened our store in Medford—opened in a small way, but with a firm conviction that if our business was so conducted as to bring down living costs our success was assured. Those of you who were here at that time will remember our promise to bring down prices and will also remember what happened to prices at that time. Your response to our efforts was very generous, and with your continued co-operation our store is now the largest of its kind in Oregon. We are still confident of further growth, building our hopes upon a strict adherence to our one and only business policy: "SELL UNTO OTHERS AS YOU WOULD HAVE OTHERS SELL UNTO YOU."
