ARRESTS FOR DEFECTIVE CAR LIGHTS IN TWO CITIES

A light raid was staged at Grants Pass last night and at Ashland the night before by State Traffic Officer J. J. McMahon and C. P. Talent. As a result four arrests, two at each place, were made.

A total of 115 cars were examined at the former city the lights of which on 46 were found to be defective, while at Ashland out of 101.—40 were found defective.

Free Movies at Copco Saturday

In response to numerous requests a special showing of the Copco football films will be given Saturday night at the Copco building on West Main street. These films include the recent Medford victories over Grants Pass, Marshfield and Ashland and contain many familiar scenes in which local people play the leading parts.

Pictures of the Armistice Day parade and other celebration activities also will be shown at this time as well as a number of other local events of interest.

The films will be shown in the winodws of the Copco building by means of a special transparent screen upon which the pictures are projected from behind. The program will start promptly at 7:30 p.m. and will be free to all.

Plans are underway to secure some good films of the Medford-Salem game on Dec. 5 and these will also be exhibited at the Copco building at some future date.

FOUR ROBBERIES ATTEMPTED, BUT LITTLE IS TAKEN

Two public buildings and one business establishment on West Main street were entered by thieves last night, while entrance to an east side store was attempted. The loss was small, not over $5. In each case entrance was made by jimmying a window.

Every classroom desk in the Washington school was thoroughly rummaged, but no money was taken as none was on hand, according to school officials. Papers were promiscuously thrown about in the rooms and disorder was caused in general. A south window of the public library was forced open, allowing the night prowlers to enter and steal 86 cents worth of pennies, eight dimes and $4.61 in change from the money drawer. Nothing else was disturbed.

Entrance to the Sherman Clay music store was made through a rear window, but there efforts proved unfruitful. The cash register was opened and rummaged of papers and records, all money having been taken out. A heel print on the top of a piano setting near the window was the only clew left.

Much force was expended on the rear door of the Medford Sporting Goods store, but a heavy iron pipe withstood the attempts, as a result of which several door boards were torn loose.

Several suspects were held by the police this morning, but were later given their liberty. The crimes are attributed to the season of the year, as at this time employment is scarce, putting many homeless wanderers or tramps on the road.

Healthy Hair

Gleamy, Thick, Wavy —Full of Life

Try this for one week! While combing and dressing your hair, moisten your hair brush with a little "Danderine" and brush it through your hair—the effect is startling! Your hair immediately takes on new life and that healthy, youthful lustre, becomes incomparably soft, wavy and appears twice as thick and abundant. "Danderine" costs only 35 cents a bottle at any drug store.
