

COLLEGE STUDENTS RETURN TO ENJOY ASHLAND TURKEY

ASHLAND, Ore., Nov. 27.—Thanksgiving day dawned bright and lovely and continued with the most favorable weather conditions for the numbers of family reunions and gatherings of friends which marked the day and for the annual Thanksgiving football game between Ashland and Medford high schools. The final score in Medford's favor left the Ashland team still undented and playing hard to the very end of the season. Possibly it is worth more to a school to fight manfully through a program of defeats than to go through a successful season. Ashland has had a light team with a good many new men, but has not lacked in quality of playing and in spirit.

College boys and girls were home to eat turkey with the home folks. Chester Woods from Corvallis and Marcus and Harvey Woods from Eugene came home Thursday morning. John Galey, Edith Dodge and Marion Leach came home from Eugene on Wednesday night. Paul Wagner, Gains Crosby, Vernon McGee and George Francis Barron reached home from Eugene on Wednesday evening. They came by auto with Mr. and Mrs. F. D. Wagner. Donald Wright and Robert Wright came home from Corvallis Wednesday night. George Virgil Gillette came home from Corvallis on Wednesday morning.

Mrs. Charlie Homes of the Bellview district is making an extended visit with her daughter, Miss Louise Homes, who is a professional nurse of Oakland, Cal.

Misses Edna Kennedy and Miss Robertson, junior high teachers, were guests of Miss Ethel Reid and her mother for Thanksgiving day. The Reids are occupying their new home on East Main street.

Mrs. Harriet Choadles, who came to Ashland to spend the winter, has taken one of the Vista apartments on Vista street.

Mr. and Mrs. Fred C. Homes Jr. of Bellview entertained with a fine turkey dinner Tuesday evening at 6:30. The rooms and table were lovely with touches of seasonal decorations and the fine meal was served with faultless care. Guests who enjoyed the hospitality of Mr. and Mrs. Homes were Mr. and Mrs. J. H. McGee, Mr. and Mrs. John H. Fuller and Irving E. Vining.

John Enders is to be the head of Ashland post No. 14, American Legion, for the coming year. Mr. Enders is the only nominee for the office. Election will be held at the next monthly meeting. Clyde Malone is the retiring commander.

Mrs. Emma Oeder and daughter, Miss Lynda, drove to Portland on Thanksgiving day to remain in the city until Sunday, when they will return in time for Miss Lynda to enter school. They were accompanied on their trip by Mr. and Mrs. Arthur Cogging and little daughter, Alice.

Mr. and Mrs. W. G. Tuckler and Charles Homes were Thanksgiving day guests at the home of Mr. and Mrs. Floyd Carter in Jacksonville.

Thanksgiving praise service was held at the Baptist church Thursday morning at 10:30. The churches of the town united in a union service. Rev. J. C. Mergler read the proclamation issued by President Coolidge, and Rev. J. P. Rodman read the proclamation of Governor Pierce. Rev. V. K. Allison of the Christian church preached the Thanksgiving sermon. The music by the choir and the special number, a duet by V. D. Miller and C. N. Gilmore, were appropriate to the occasion and very much appreciated by the audience. The offerings taken at the Thanksgiving services are always used by the ministerial relief for charitable purposes and to meet calls for help during the winter season.

Two babies, a boy and girl, were born on November 21 to gladden the home of Mr. and Mrs. William Smith of Portland. The babies have been named Donald and Marie. Mrs. Smith was an Ashland girl, grand-daughter of Mrs. Mary Dunn of this city.

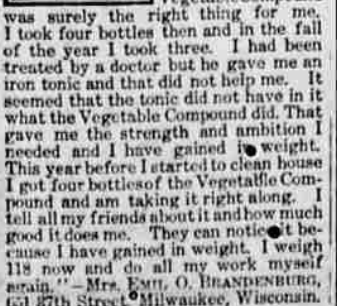

Mr. and Mrs. A. T. Haines and H. P. Haines of Marshfield have returned to their home after a visit at the home of Dr. and Mrs. Charles Haines of this city.

Mike Tuckler is building a fine new bungalow on the Boulevard. Bert H. Greer of Burbank, Cal., is a business visitor in Ashland and will remain for a few days.

NOW DOES ALL HER WORK

Has No Backache, No Bad Feelings Because Lydia E. Pinkham's Vegetable Compound Drove Her Illness Away

Milwaukee, Wisconsin.—"I was in a badly run-down condition and I would get weak spells and terrible headaches. I felt so badly last year that I could not do any housecleaning. The minute I would lift or stoop it seemed as if I was going to fall to pieces. I told a neighbor how I felt and she said that Lydia E. Pinkham's Vegetable Compound did. That gave me the strength and ambition I needed and I have gained 15 weight. This year before I started to clean house I got four bottles of the Vegetable Compound and am taking it right along. I tell all my friends about it and how much good it does me. They can notice it because I have gained in weight. I weigh 118 now and do all my work myself again."—Mrs. EMIL O. BRANDENBURG, 651 27th Street, Milwaukee, Wisconsin.

ASHLAND BEATEN EASILY, BUT GET ONE TOUCHDOWN

The Medford high school football team—for the fourth time in succession—won the championship of southern Oregon Thanksgiving day, by defeating the Ashland high school on their own grounds, 51 to 7. Outside of the first and last quarters, second and third string Medford players waged the battle, and Ashland's lone touchdown came on Ben Luck's through the Medford line.

Tilton, Ashland quarterback, was the whole show for his team and ripped off gains, through the Medford line, passed, and punted in great style.

The most spectacular play of the game was a 60-yard run by Conrad, after he had intercepted a forward pass, running through a broken field, behind perfect interference by Senn and Singler. Senn's defensive work was one of the outstanding features of the game. The entire Medford back field worked like a clock, but the line was handicapped by the absence of Neff and Morgan, though Ball and Zeek, their understudies, put up a good game.

Coch Callison made many substitutions.

Ashland opened up with an aerial attack in the first quarter, and varied it with line bucks. The local secondary defense broke up forward passes. Ashland tried 25 forward passes and completed seven; Medford tried six and completed five. Ashland made seven first downs; Medford made 23.

Touchdowns for Medford were made by Senn, 2; Conrad, 3 and Moore, 1. A wild pass to Tilton, in point formation behind his own goal also gave Medford a touchdown.

The locals did not open up with any new plays, but used straight football throughout the contest.

The smallest crowd that has witnessed a Medford-Ashland game in years saw the game.

The line-up:

Ashland	Medford
Cotter	C
Farris	G
Tucker	G
Nutter	T
Gosnell	T
Bosson	E
Katzer	E
Watson	H
Gandy	H
Gillette	H
Tilton	Q
Substitutions: Medford, Dun, for Herriot; Putney for Ball; Wilson for Jackson; Archer for Senn; Green for Singler; Kelly for Sanders; McLee for Hughes; Hammond for Moore; Herriot for Conrad. Goals kicked, Conrad, 7. Referee, Manerud; umpire, Bliss; head linesman, Evans; Timers, Bowers and Stewart.	

I. O. O. F. Encampment. Work in Patriarchal degree this evening. Refreshments to follow. All local and visiting Patriarchs requested to be present.

MURPHY TRIAL IS ADJOURNED OVER UNTIL MONDAY A. M.

The trial of O. W. Murphy for manslaughter, under way in the circuit court, adjourned Wednesday noon until Monday morning, when the defense will continue. Murphy is accused of the death of his wife last spring, following an alleged beating.

An affidavit by Dr. C. R. Sweeney of this city, who was called to California suddenly owing to the serious illness of his daughter, was introduced Wednesday last before noon. Dr. Sweeney, in response to a hypothetical question by the defense, deposed that "deaths where the causes are unknown" are frequent, and cited incidents he encountered while coroner at Great Falls, Mont., for eight years, where he conducted over 100 autopsies.

Medical testimony for the state held that Mrs. Murphy died from an embolism, caused by bruises on her body, and reached their conclusions by a process of elimination. Testimony of the doctors making the autopsy showed all the vital organs to be in a healthy condition.

The case is expected to go to the jury late Tuesday afternoon.

BIG STAND OF TIMBER SOLD AT PELICAN BAY

According to reports filed by Lumberman John Holst and E. U. Cambers, recently returned from the Pelican Bay timber sale area of the Crater National forest, forty-five million board feet of timber were sold in that area this year, an increase of ten million over 1924.

The timber, which is yellow pine, is logged systematically, 20 per cent of the thrifty stand being allowed to stand with the reproduction for reforestation. Brush, resulting from logging operations, has already been disposed of. The last was burned with several inches of snow on the ground.

SECRET RECORDS IN EVIDENCE

nine months. This plan would fix the responsibility of command in emergency according to the paramount interests prevailing between the army and navy. The paramount interest during the maneuvers was with the army, he added.

"Should the navy have co-operated with the army under the paramount interest plan?" he was asked.

"Yes, sir."

"Did they?"

"No, sir."

Special communication Medford Lodge No. 103, A. F. & A. M., Friday evening, November 27th at 5 p. m. Dinner at 6:20 p. m. Central Point and Jacksonville lodges will participate. Work in M. M. degree. By order W. M. A. J. Crose, Secretary.

JOY RIDE THIEVES HERE ARE WARNED

"Joy thieves, stealing cars for rides, are due for full prosecution in accordance with law," said Chief of Police Adams today in regard to the promiscuous stealing of cars from streets for joy riding purposes, after which they are abandoned. When saying this, the chief had a particular case in mind.

It was that of the theft of Miss Maurine Carroll's car, which was found yesterday on South Grape street, after an absence of several days.

"I feel sure," the chief continued, "that this thieving is done by youths who then take girls out riding. It is my intention, if a stolen car is caught, to prosecute the driver as well as all occupants, whether they may be boys or girls, for they are law violators as well as the original car stealer."

PETTY THIEVES ARE BUSY AGAIN

Two burglaries, netting a set of carpenter's tools, were committed last night by prowlers, who have not been captured. The Roosevelt school and the garage of W. H. Dyer were the two places concerned.

From Dyer were stolen two hand-saws, one finish saw, metal level, jack plane, joint plane, 11 wood chisels and 12 drills. This property was in a heavy tool chest in the garage, which was broken open through force. Dyer had been absent from his home for two days and only discovered the loss when he returned early this morning.

With the exception of the rummaging of several drawers of desks at the Roosevelt school, nothing was disturbed, entrance being made through a window.

2 BILLIARD GAMES AT BROWN'S TONIGHT

Because of Thanksgiving, no games were played yesterday in the annual 18.2 ballline billiard tournament now in progress at Brown's. However, three games were played the day before and two are scheduled for tonight.

In Wednesday's games, Paul Scherer was defeated by H. Van Hooenbourg by 130 to 91. Maru de-

feated Tom Waterman by 219 to 78 while Fuji beat Walker, 250 to 84.

H. A. Fallon is to play F. Clark tonight at 130 to 125, while Chris Gottlieb will also play, but his opponent has not been announced. There is no elimination in the tournament, as all of the 13 entries must at some time before it is over play each other individually. Ted Hill is regarded by many billiard fans to be a strong contender for the city title together with Fuji, present champion, Maru and Gottlieb.

YOUTH IS ARRESTED ON LIQUOR CHARGE

Facing charges of resisting an officer and driving while intoxicated, Huse McKinney, local youth was to-

have had a hearing this afternoon before Judge Glenn O. Taylor, following his arrest last night on Kings Highway by State Traffic Officer C. P. Talent and Special State Officer T. A. Talent.

McKinney is alleged to have broken a bottle containing a quantity of presumed spirits upon the officers' arrival and then to have tussled with them in an effort to resist arrest. After a battle of five minutes, marked by the screams of a woman companion, handcuffs were placed on McKinney's wrists, after which he was brought to the city jail, where he was still held, until noon today.

In addition to the handcuffs McKinney also received a bloody nose and a cut cheek.

McKinney's arrest was prompted by the officers' search for a stolen car, their suspicion being aroused by the McKinney car taking a side road.

Large cotton rags wanted at Mail Tribune office.

A FULL RATION

Science holds that cod-liver oil is important to assure children or adults a full ration of health-building vitamins.

Scott's Emulsion

is the form of cod-liver oil that millions have been using so successfully since 1873. It builds health and strength.
