pector has banned the Charleston in one downtown dance hall because all of the joists and rafters were becoming loosened. "If other halls show signs of premature old age, due to the ravages of this dance, the order may become general," the inspector declared.

To Raise Sunk Tanker. SAN FRANCISCO—Captain T. P. H. Whitehaw, veteran Pacific coast wrecker, will make the re-floating of the tanker Lyman Stewart, wrecked near the Golden Gate several years ago, his last job before retiring.

Movie Merger Abandoned. LOS ANGELES—Plans for the merger of the United Artists and the Metro-Goldwyn-Mayer moving picture producing corporations were "permanently abandoned by mutual consent" of the principals.

Sam Must Be Long. NEW YORK—Says Samuel Vauclair: "Anyone who sells 1926 short is going to lose money."

Not a Political Move. BOSTON—Prince Paul of Greece has a trip from New York on the U. S. S. Marblehead through the courtesy of Secretary Wilbur.

BEFORE THE HOME COMES THE LOT

Do you know that you can buy excellent building lots—city paved lots—in a district which we believe to be the best location for an early increase in value—the West Side and in the vicinity of Medford's new high school?

Consider the demand that is sure to come for homes within a radius of six or ten blocks from the new high school, and the West Jackson grade school.

City also contemplates opening streets this winter that will improve this section.

Paved lots will sure double in price and now is when you should buy. The low price offered by the city will not last long. Only \$50 down and \$10 a month, 6 per cent interest.

—A FEW EAST SIDE LOTS STILL ARE OPEN—
