## ASHLAND HAS CAVE MAN WHO SLAYS A COYOTE WITH STONE

"Los Angeles and Corvallis have their primitive men, who hunt their game with the yewwood bow and steel tipped arrows," says the Ashland Tidings. "Ashland has a man even more primitive, who, clothing himself in the conventional breech cloth, sallies forth in search of fish and game armed with only nature's weapons. It is Detrick, well known local man, is the noted hunter.

"Yesterday while enjoying a day fishing on the Rogue river, Detrick discovered a full grown coyote in the water, where the animal had gone to throw bounds which were pursuing it, off the scent.

"Dashing after the animal and armed only with a rock, Detrick climbed it to death. What is more, he has the coyote as proof of his skill. "It is believed that the Grants Pass Cavemen are making overtures to Detrick to obtain him as a member of that body."
