

SIXTH ST. COSTS WON'T BE READY FOR SIXTY DAYS

Although the board of appraisers' work relating to assessment of costs on property owners benefited by the Sixth street improvements has been completed, ready for submission to the city council, probably at its meeting next Tuesday night, when the report will be enacted into an ordinance, because of the necessary legal details to be conformed with, it will probably be about 60 days yet before the property owners affected by the improvements will receive mail notice of their assessments.

The basis of assessment decided on by the board, consisting of C. W. McDonald, V. J. Emerick and R. H. Williams, who were appointed some time ago by Mayor Alexander, and which report must be approved by the council, ranges from \$4.50 per front foot on Sixth street to 50 cents and 50 cents per front foot as property benefited recedes from Sixth street.

Before final action is taken, the council will have a hearing, at which property owners, who desire, may appear and make a re-adjustment of their assessments.

The total cost of the improvements on Sixth street, including the grading, paving and walk on the extension from Oakdale to West Main street, abolishing of the crossing, other paving work, and purchase of needed property in connection with making the extension, amounted to about \$28,000.

UNIVERSITY OF OREGON ORCHESTRA TO PLAY HERE 21ST

UNIVERSITY OF OREGON, Eugene, Mar. 15.—(Special.) Thirty-six members of the University of Oregon orchestra will make the tour of southern Oregon next week. A concert program will be given at the Craterian theatre, Medford, Wednesday, March 21. Three performances will be offered.

Featured on the program will be Miss Dorris Helen Patterson, one of the outstanding harpists on the Pacific coast. Complete personnel of the traveling orchestra includes the following:

First violin—Gwendolen Lampshire Hayden, principal, Edward Best, Kenneth Brown, Juanita Oskins, Beatrice Wilder, Margaret Inwood, Roy Ford, Buelah Wray, Martha Patterson and Helen Elliott.

Violincellos—Marlam Little, principal, Kattie Potter, Roberta Spicer, Ray Tolin.

Trumpets—Lawrence Wagner, Leslie Roeder.

Trombone—Edward Sullivan, Dorr Huffman.

Contra bass—Pauline Oskins, Corrine Combs.

Second violin—Mabel Kullander, principal, Bertha Alm, Carolyn Cooper, Edna Brockman, Glen Potts, Theodora Tarbell.

Clarinets—Marcus Woods, Naomi Grant.

Viola—Esther Wicks, principal, Clarence Veal, Charles Nadvornik.

Bassoon—John Sprouse.

Piano—Helen Falconer.

FROST FIGHTING EXPERT ARRIVES

The frost warning service for the valley is about ready to swing into action in the way of affording protection to the fruit growers, as R. T. Rogers, assistant to Floyd D. Young, the frost expert, and who was stationed here in the same capacity last spring with Mr. Young, arrived in the city from southern California this noon and reported at the local weather bureau headquarters in the Liberty building, where he at once prepared to begin the work of setting up of the paraphernalia for the frost warning season.

Mr. Young will not arrive until the 20th, but he will find everything ready for the reason's work on arrival. In the meantime the orchardists are urged to bring in their orchard thermometers at once for testing at the weather bureau headquarters in the Liberty building, which will be the headquarters of Messrs. Young and Rogers.

AMERICAN RANCHER ARRESTED, MEXICO

MEXICO CITY, March 15.—(AP) Arrest of an American and execution of six natives, including a priest, caused attention today to be centered on the government's continuing efforts to suppress the insurgent movement.

A dispatch from Guadalajara to Execlior today said Alonzo L. Taylor, owner of the San Felipe

The Weather

Lowest temperature this morning, 27.

Precipitation for 24 hours, ending 5 a. m., none.

Yesterday's weather here: Highest temperature, 69; highest this month since 1912, 85. Lowest

More Charm—no blemishes now

UNDERNEATH a clear, smooth skin, healthy tissues—full of rich, red blood—thrive. No worry about pimples now. Instead there is a certain satisfaction that gives confidence.

All this because rich, red blood is Nature's way of building and sustaining the body.

Without plenty of rich, red blood, there can be no strong, sturdy, powerful men, or beautiful, healthy women.

You know a clear skin comes from within. Correct the cause—through the blood—and pimples, boils, eczema and that sallow complexion will disappear.

Thousands have regained their strength and charm by taking a few bottles of S.S.S.—Nature's own tonic for restoring the appetite—building strength—and clearing the body of so-called skin troubles.

"I was troubled with pimples and blackheads. I took a course of S.S.S. It cleared my face and back. I think S.S.S. is wonderful. I have told many friends about S.S.S., and they are getting as much benefit as I did."—Miss Ruth Gahn, 1134 Elden Ave., Los Angeles, Calif.

All drug stores sell S.S.S. in two sizes. Get the larger size. It is more economical.

ing rebels in that state. were executed at El Saucito cemetery. A Roman Catholic priest and very military authorities at San five civilians, convicted of rebellion. Luis Potosi announced.

Of priceless value as a protection to health

Frigidaire maintains temperatures that keep foods fresh and wholesome and gives vital protection to health—a service that cannot be appraised in dollars and cents. Yet, it costs but little to buy, and easy terms can be arranged.

CONVICTED SLAYER RUSHED TO SALEM

MARSHFIELD, Ore., March 15.—(AP) Robert Green, sentenced yesterday to hang, was taken from the county jail at Coquille secretly at 4 a. m. today by three officers and speeded to Salem. Sheriff W. W. Gage, Chief Deputy Frank Osmond and County Commissioner James Jenkins took Green north in a private car.

Green was convicted of killing his neighbor, Caleb Green at Coquille in 1925.

Brevities

More than 1000 graceful white swans have soared into the Klamath country recently and taken up their abode in the Government Hump, 15 miles south of Klamath Falls.

When the honor roll of Medford post No. 15 is published in the near future, there will be included the largest list of World war veterans ever assembled by the local legion post. With a present total membership of over 460 and new names being added daily, it appears that the desired goal of 500 members will soon be reached and passed.

Every ex-service man and woman in Jackson county is extended a cordial invitation to join Medford post at once and be included on this unique honor roll. Dues may be paid to any legionnaire or to Adjutant Garlock at the Chamber of Commerce.

Several members of the Medford Rotary club drove to Ashland today to attend a meeting of the newly organized Ashland club at the Lathia Springs hotel. The program was put on by the Klamath Falls Rotarians in charge of John Boyle, president, and featured an inspiring address by Rotarian Willson, "International Peace." President Moon of the Ashland club outlined plans for their big "charter night" program which takes place Saturday, March 24th, and invited all Rotarians and their ladies to be present. Among the Medford Rotarians present today were President W. W. Allen, Perry Crawford, Carl Swanson, Homer Bronley, Al Miller and Emil Mohr.

Colonel C. G. Thomson, superintendent of Crater National park, was the main speaker at the forum of the Klamath Falls chamber of commerce yesterday noon. While his subject related to park affairs, he is unable to give out the full details yet of the park improvement program, as President Coolidge has not yet signed the appropriation bill for national parks, which has passed both houses at Washington.

W. B. Rucker has purchased and taken charge of the auto stage line between Medford and Jacksonville from Charles B. Howard, and will maintain the excellent service furnished the public under the former ownership.

Wedding Bells

(Contributed)

On Wednesday, Mar. 14th, at 12 noon, at the residence in Phoenix of Dr. and Mrs. T. J. Malmgren, their daughter Marie Hull Malmgren was married to Virgil Davis Jackson of Roseburg, in the presence of about thirty of the relatives and friends of the happy couple. Rev. Joseph W. Angell of Glendale officiated using the "circle" ring ceremony.

The bridal pair stood among banks of ferns, the home being beautifully decorated with sweet peas, smilax, trumpet-narcissus and maiden hair ferns. The bride wore a gown of white chiffon bordered in edelweiss, over a white satin slip, and bridal veil, and carried a beautiful shower bouquet of white roses and lilies of the valley. Wagner's Bridal Chorus from Lohengrin was played by Miss Mildred Ward, as the wedding march, the bride being accompanied by her father, Dr. T. J. Malmgren.

At the completion of the brief, impressive ceremony, Mr. and Mrs. Jackson received hearty congratulations and best wishes from the members of their families and the guests present, including, besides those already mentioned: Mrs. Malmgren, Mrs. D. Jackson of Roseburg, the groom's mother; Mr. and Mrs. Ylvan Jackson, the groom's brother, and their son and daughter, Elton and Dorothy Jackson of Roseburg; V. R. Rayner and Miss Marjorie Myers of Eugene; Mrs. J. W. Angell of Glendale; Dr. and Mrs. A. E. Woods and son Clarence, and Mrs. K. M. Haan, of Ashland; and the following from Phoenix: Mrs. Lillie Blackwood, Dr. and Mrs. J. B. Webster, Mr. and Mrs. Joan Bonar, Mrs. C. H. Ward, Mr. and Mrs. Walter Frazer Brown, Mrs. V. Frost and granddaughter Billie Carless, and Miss Sybil Furry.

Punch and waters were then served and several pictures taken, after which all present were invited to the Blue Flower lodge for the four course wedding breakfast, beautifully prepared and served, the tables being decorated in sweet peas and smilax by the Medford decorator who also furnished the decorations for the home.

After the fine wedding cake had been duly cut by the bride and served to all, about a dozen of those present responded with brief toasts and heartiest good wishes and advice to the bride and groom, at the call of Mr. Brown as toastmaster.

Mr. and Mrs. Jackson met while students at the University of Oregon, from which she graduated in 1925, after which she took the librarian's course at the University of Washington, and has served for two years in the library of the Oregon State college at Corvallis. Mr. Jackson has a very responsible position with the Southern Pacific railroad at Corvallis where they will make their home for the present. Many of those present spoke of what a fine looking couple they were, and how very pretty the bride was. A host of best wishes from many friends will go with them into their new life together.

Bladder Weakness
