

BELLVIEW ENJOYS TALK ON ALASKA AT VALLEY CLUB

The Upper Valley Community club met in the club rooms Wednesday afternoon with a large attendance.

A short business meeting was held after which Mrs. Richie played two beautiful piano selections. The remainder of the afternoon was given over to Mrs. William Glenn of Valley View who gave a most interesting talk on Alaska, its people and customs and many other very interesting things. Mrs. Glenn spent several years in Alaska as a teacher, later she lived near Kayuka. She just recently returned from Alaska where she spent some time on a visit. Mrs. Glenn brought with her a number of articles that she had collected while in Alaska which proved very interesting to the ladies.

At the close of the very delightful afternoon refreshments of cake, Bavarian cream and coffee were served by the hostesses, Mrs. Oscar Martain and Mrs. L. J. Hessebauer. The serving table and the auditorium were very beautiful with bowls of almond blossoms and ferns.

The Bellview P. T. A. will hold its regular meeting at the school house on Friday evening, March 16. A very interesting meeting is being planned. A St. Patrick's day program is to be presented. Mrs. S. K. Barnes will give a reading.

Ralph Gilmore, youngest son of Mr. and Mrs. N. H. Gilmore cut a finger quite badly while chopping kindling wood and was taken to the doctor who attended to his wound which was found to be quite severe as the bone of the finger as well as the flesh was injured.

Mr. and Mrs. M. M. Tucker and Mr. and Mrs. Mark True attended the meeting held on the Hoover ranch west of Medford on Sunday afternoon. Many people from all over the valley attended this meeting as the bulbs and grass have attracted much attention in the past year. Many farmers have already planted a small amount of seed but after seeing the wonderful crop Mr. Hoover has on his farm many more farmers will no doubt plant it quite extensively in another year.

Prof. Home, Edwin Dunn, A. C. Joy and Dick Joy of the Bellview district had parts in the play given at the Ashland armory Monday and Tuesday nights by the Kiwanis club. The play was entitled "The Womanless Wedding" and was a riot of fun from start to finish.

The home of Mr. and Mrs. H. C. Metcalf was the scene of a surprise party last Saturday afternoon, when the Up-Stream class of the Baptist church and their teacher, Miss Carabell McHouse, and the Willing Workers' class and their teacher, Miss Graves, arrived to help Donald Metcalf celebrate his 14th birthday. Games and stunts of different kinds were played during the afternoon, and at a late hour refreshments of salad, sandwiches and birthday cake with cocoa were served by Mrs. Metcalf. This party turned out to be a joint celebration for Francis Smith, whose birthday was on Tuesday of the same week. The boys were very happy to be remembered, each with a huge cake, with 14 candles.

Mrs. S. K. Barnes, chairman of the county council, P. T. A. non-instant committee, Mrs. Inch and Mrs. Beach, met at the Medford library on Saturday and made plans for the election of new officers, which will take place at Jacksonville early in April.

Mr. and Mrs. Harry Nordwick of Medford spent Sunday evening at the home of Mr. and Mrs. Merzman.
