Due to the report that the chinook salmon are reported to be running good in the Rogue river and up some of the smaller streams, many local fishermen planned to leave today on an all-day fishing trip. Though the run has been on for several days, no big fish have been reported by local fishermen. The season on fish less than ten inches long will continue to be closed until after the first of April.

Jackson county orchardists have every reason to expect a bumper crop this year. It was the cheering message of L. P. Wilcox county agent in charge of the horticultural division, who is making his first of what will be regular trips to Ashland. Mr. Wilcox will devote every Tuesday to this community and will have his headquarters at the chamber of commerce. The county official explained that the original statement further by declaring that the rainfall of last year was so abundant that it gave the trees every opportunity to secure a healthy, thrifty growth, which has resulted in excellent buds. The only thing now that could bring disappointment would be the frost hazard. The official explained that this hazard did not bother the Ashland orchardists as much as it did those residing in the upper Rogue river valley. Ashland Register.

## GENERAL ELECTRIC Refrigerator

YOU will miss the General Electric Refrigerator for the way it lightens household tasks. It makes two trips to market take the place of six. It keeps all foods at just the right temperature. It makes the preparation of those delightful salads and desserts a matter of minutes instead of hours. It never needs attention—not even oiling.

As you examine this refrigerator you will notice that it has no drain-pipes, belts, fans, or stuffing boxes to get out of order. That its shelves are generously roomy. That it is unusually quiet. That it is portable. That all its moving parts—with a permanent supply of oil—are enclosed in a single hermetically sealed casing. All these advantages are the result of fifteen years of painstaking research by the General Electric Company.

Come in and see the various models. In the meantime, mail the coupon below and we will gladly send you an interesting descriptive booklet on this new-day refrigerator.
