Brisbane's Today

(Continued from Page One) To get rich yourself, make others rich. If a man catches six fish for you, let him keep one.

General Motors, with DuPont and Sloan at the head, know that mere salaries are not enough, do not bring out 100 per cent of what a man has in him.

The eighty executives, great and small, bought General Motors stock that is now worth \$27,000,000 more than it cost and every one of them is a millionaire.

The census bureau says United States population, on July first next will be 129,013,000.

In the last eight years, population has increased 14,302,380. The annual arrivals of babies exceeds by one million the number of the dead.

A New York banker says, "Mr. Coolidge will run again. That good news is all around Wall Street."
