STRAIGHT AND TO THE POINT

ARE YOU GAME?—If so, we are going to give you a chance to show your judgment by bidding on a year orchard which is very fortunately situated with reference to frost and water—above one and below the other, and within reasonable distance of both highway and railroad. All Bartlett's old enough to produce a full crop at once, and, while somewhat neglected, fairly good trees, owing to the fact that the man who set orchard knew his business. Start the bidding. See HOLMES FOR HOMES!

PERUSE WITH ATTENTION AND CARE—One of the best combined dairy and orchard farms in Southern Oregon, out of the front belt, all in fruit and alfalfa, district water rights for all; in best pear district, and at a price which will enable proper care and attention to make the land pay for itself in a few years. No better land anywhere and within one-half mile of highway. Personal inspection only can give an idea of its desirability. See HOLMES FOR HOMES!

NOW AS ALWAYS—The pear orchards of this valley are the best investments and those who show their good judgment by purchasing now can give the merry law-haw to those of less sagacity in the future. We can show you some mighty good ones, and at far less price than the cost of production. It is on the cards that the near crop of this valley in 1928 will sell for greater prices than ever before known. See HOLMES FOR HOMES. Nash Hotel corner.
