## WHITE SOX HOPES DEPEND ENTIRELY ON TWO PLAYERS

By Brian Bell, Associated Press Sports Writer

SHREVEPORT, La., March 21.—If the Chicago White Sox management knew the answer to two questions, it would have a fair idea of what the 1928 baseball season holds. Will Chalmers, high-priced shortstop, hit American League pitching and can Johnny Mostil come back to a point approximating his former greatness after a year out of the game?

If Cissell hits and Mostil brings his fancy outfielding back with him, the team will furnish spirited opposition. Good pitching is seemingly assured for the White Sox.

Ted Lyons and Alphonse Thomas take their places in any complete array of the best pitchers in the league, and Ted Blankenship, who suffered a poor season last year, has shown an indicated return to form this spring. George Connally may be expected to turn in some victories, and the veteran Urban Faber can stem the tide on occasion. Charley Barnabe, a southpaw who failed to win a game for the White Sox last year, may have to give way to a recruit.

Roy Wilson, a left-hander from San Antonio in the Texas League, has shown promise, and Willie Goodell, coming from independent baseball at Tulsa, Okla., without minor league experience, may jump from the lots to the majors without a stop along the route.

At Williamson, who pitched for Shreveport in the Texas League, seems to have an excellent chance to stick with Chicago.

Manager Ray Schalk, who caught only 16 games last year, will be more active in the approaching season. Some of the catching will be done by Morris Berg, who played the infield until he suddenly found that he was a catcher. Berg still has something to learn about backstopping, but as he can study the problem in several languages acquired at Princeton, the outlook is bright.

Johnny Clancy has returned to first base and Willie Kamm will again play third. Changes have been made in the middle of the infield. Cissell, who has been assigned to short, brought a great record with him from England, and his early exhibits of his wares have impressed Manager Schalk and Coach Blackburn. He has shown that he can field and throw. Bill Hunnefeld has been moved from short to second and will be the regular custodian of the bag.

The club will retain six outfielders. The hard hitting Bill Falk will remain play left. The comeback of Johnny Mostil leaves center in doubt, but Mostil will play there if he gains his old form, with Alex Metzler holding away over right. If Mostil does not play regularly Metzler will play center, while Bill Barrett takes care of right.

## PADDOCK LOOKS LIKE BEST BET FOR OLYMPICS

(By Alan J. Gould, Associated Press Sports Editor)

NEW YORK, Mar. 21.—(AP)—Of the two southern California speed kings upon whose ability much of America's Olympic sprint hopes will be erected this year, the blonde veteran, Charley Paddock, appears to be rounding into better spring form than the curly-haired youngster, Charley Borah.

Borah, the present intercollegiate champion, already has suffered three setbacks on the Pacific coast while Paddock has taken enough time off from lecturing, writing and movie acting to flash a lot of real speed.

Attired in "baby blue and white striped pants," so the account runs, Paddock dashed the century in 22 flat in a recent meet at Stanford.

Paddock has tallied more points for Uncle Sam than any other American sprinter in his two previous Olympic trips. The stocky veteran's comeback will be one of the most colorful features of the Olympic campaign. Charley has always been a big favorite abroad. His style and personality appeal to the track fans as much as Babe Ruth's does in baseball. There was a big cheer for "Paddy" from the French enthusiasts with the accent on the last syllable, every time the veteran trotted on the Olympic track at Colombes four years ago.

The Tunney-Rickard combination may be entirely serious in counting Jack Dempsey out of the picture this year.

Then again, the promoter may be trying out a little "silent treatment" in the hopes that the champion will change his mind and stake another comeback.

No one knows better than Rickard how much it will annoy Dempsey to read about heavyweight plans in which he isn't included for 1928. The call of the ring is difficult to resist, especially if it happens to echo to a half-million dollar tune.

"When it's in a fellow's blood it is going to quit," remarked 40-year-old Ty Cobb as he donned his uniform for another season with the Athletics.

Fighting is in Dempsey's blood and always has been. At 32 he is still young enough to be in the thick of the fray. Corbett, Fitzsimmons and Jeffries were nearer to 40 when they quit.

## SINCLAIR HORSES BARRED BECAUSE OF TEAPOT DOME

NEW YORK, March 21.—(AP)—The debarring of Harry F. Sinclair's horses from Maryland tracks created a stir in turf circles today.

The action of the Maryland Racing commission, taken because of the Teapot Dome scandal, is the first instance in many years wherein a large owner has been prohibited from racing his stock.

It is one of the few times, if any, that an outstanding operator on the thoroughbred tracks of America has been the subject of such action for reasons outside racing itself.

In communications to the officials of the four racing establishments in Maryland—Pimlico, Bowie, Havre de Grace and Laurel—the Maryland commission stated:

"In view of the widespread adverse criticism that has resulted from pending court proceedings and the investigation of the United States senate committee regarding the action of Mr. Harry F. Sinclair, the commission deems it advisable for your association not to permit the starting of any horse owned by, or to be run under the name of, Mr. Sinclair or the Rancocas stable at your coming race meeting, until further action of this commission."

Interest is now directed as to whether the New York and Kentucky racing bodies will take official cognizance of the procedure of the Maryland commission.

Sinclair maintains one of the biggest stables in the country, with an investment of more than \$2,000,000 in his horses and breeding farm at Jobstown, N. J. He has more than 60 horses in training, 40 of which are two-year-olds.

**BERLANGER WINS FROM JOE LOHMAN**  
PORTLAND, Ore., Mar. 21.—(AP)—Joe Lohman, Toledo, Ohio, heavyweight, proved himself a good shock absorber last night in his 16-round match with Charley Berlinger, Canadian light-heavyweight champion, here last night. In spite of the punishment absorbed, Lohman thrilled the crowd in the tenth round when he bombarded Berlinger with an avalanche of haymakers that rattled off Berlinger's ribs and head, but lacked the power to overturn him.

Hobby Lamar took the four-round curtain-raiser from Jimmy Wilde, Winnipeg, in a close decision. Teddy Fox, Salem featherweight, added another knockout to his impressive string in the first round of his scheduled four-round go with Jimmy Warfield, negro boxer of Seattle. The six-round special for heavyweights proved the highlight of the card with Jack James winning a viciously contested fray with Young Peter Jackson. Every round saw crippling punches to the jaw and heart. Don Mack took the six-round semifinal from George Hval. Berlinger was given the decision.

**BOSTON, JUBILANT, SMEARS YANKEES**  
ST. PETERSBURG, Fla., March 21.—(AP)—Their yesterday's victory over the New York Yankees was not half the cause for joy to the Boston Braves today that the news was that Lester Bell, Cardinal third baseman, would wear a new uniform this season. There was so much pep in the Braves when they learned of the High-Bell deal that they looked like the champions instead of the Yanks.

## JOHNNY FARRELL BEATS RECORD, GARNERS \$5000

MIAMI BEACH, Fla., Mar. 21.—(AP)—Johnny Farrell, the "beautiful Irishman" from Mamaroneck, N. Y., tucked away a \$5,000 prize in a round of 18 holes and added the \$15,000 LaGorce open championship to a titular list here yesterday with a 274 for the distance.

Johnny was followed closely by Bobby Cruikshank with 278. Farrell took down \$5,000 of the big prize money, while the Scottish runner-up is \$2,500 richer today. Joe Kirkwood of Albany, Ga., also got into the major money with a \$1,000 morsel which his third place 275 won for him.

Farrell's sensational 63 yesterday pared eight strokes from LaGorce par and was acquired by means of six birdies and an eagle with never a flight over regulation figures. Farrell found the tiny Scott matching him shot for shot on the outward nine of the afternoon 18. Both turned in 30, but Johnny's inward 33 was three strokes better than the best Cruikshank could manage. Farrell's record also established a new course record for the layout.

John McDowell, student president, was arrested and released to await hearing.

## DOUBLE KNOCKOUT IN FRIENDLY BOUT RESULTS FATALLY

LOS ANGELES, Mar. 21.—(AP)—What seemed to have been a double knockout in a friendly boxing bout between two students in the University of Southern California turned to tragedy last night when it was found that one of the boxers was dead.

The dead boxer was Michael Carnakis, 29, of Bakersfield, a sophomore. His opponent, Phil Bromley, 19, of Los Angeles, was unconscious for an hour and 45 minutes after being knocked out in the furious exchange of blows.

Fast and furiously the boxers, both welterweights, pounded each other for three rounds. In the fourth they were engaged in a swift exchange of punches when suddenly, to the surprise of the spectators, both tumbled on their faces in the ring. Bromley was the first to fall. Carnakis was declared the winner. Then attendants began to try to revive them. Carnakis was dead.

Examination at the Georgia street receiving hospital by Police Surgeon Sebastian disclosed that the dead boxer had once suffered a basal fracture of the skull. His death was caused by a cerebral hemorrhage, according to Dr. Sebastian.

## MARATHON RACE GETTING DOWN TO REAL CONTEST

HOLBROOK, Ariz., March 21.—(AP)—Handicapped by an attack of tonsillitis, Andrew Payne, youthful Claremore, Okla., distance runner, today contested Arne Souminen's lead in the Los Angeles to New York marathon.

One hour, sixteen minutes and ten seconds separated the pair in total elapsed time following yesterday's run from Winslow to Holbrook, and today they matched paces on the road to Navajo, 40 miles from Holbrook.

"Hoofers" will have covered 649 miles, approximately, when they reach Navajo.

Payne took eight hours to complete yesterday's hike, the seventeenth since the cross-country run began, and finished well down the list. He dropped from first into second place, Souminen, Detroit runner, having a total elapsed time of 1:00:59, and Payne's standing at 1:07:17.

## What Doctors Think of the Laxative Habit

What do YOU do when the bowels need a little assistance? If you clear-up the condition with some laxative made with CASCARA, there is nothing better for the system—for the blood.

But if you don't KNOW the laxative you have learned to depend on is of harmless cascara, here's some truly valuable advice:

The bark of a tree called cascara is the most marvelous conditioner mankind has yet found. It stimulates the bowels' muscular action, but does NOT weaken. A violent laxative forms the laxative HABIT. You always need more on the morrow. With cascara, you don't. Its gentle influence carries on sometimes for days. With less and less need, any and as time goes on.

So, the very next time you feel sluggish, take only a candy cascaret, weightier to the taste, sweet and acceptable to any stomach, and just as efficient as the powerful purges that fairly paralyze the peristaltic walls of one's intestines. The only habit you'll get from cascarets is the one of going weeks and months without ANY help of the kind. And when you do invoke their aid again, the same small dose suffices. Any doctor can tell you about cascara; and any druggist has the candy cascarets.

**RICKARD DECIDES ON ONLY 1 BOUT FOR GENE'S TITLE**  
MIAMI BEACH, Fla., Mar. 21.—(AP)—Tex Rickard said here today there would be only one heavyweight boxing championship match this year, and he will stage it. His announcement followed a conference with Gene Tunney, the champion, and he added:

"Other promoters who want Tunney's services might just as well think up something else to want." The fight will be in July against an opponent to be selected and at a place not yet determined," he said.

**MAYOR ROLPH TO FLY TO WASHINGTON, D. C.**  
SAN FRANCISCO, March 21.—(AP)—The Examiner says Mayor James Rolph of San Francisco has accepted an offer to fly to Washington next week for an appearance before a congressional committee in charge of a bill to permit building a bridge across San Francisco bay.

Martin Jensen, second prize winner in the Hawaiian flight races last summer, was named as the pilot. The flight is expected to require only 30 hours. Official business requires the presence of Mayor Rolph here until the day before the hearing opens.
