DETROIT TO RELY ON OLD GUARD TO DO THEIR STUFF

By Brian Bell, Associated Press Sports Writer

SAN ANTONIO, Texas, March 22.—(AP)—Detroit will depend on the old guard in the approaching pennant race. The Tigers will make places for some players whose services were gained in trades during the winter, but none so young as baseball players go, so the seniors will be called on to bear the brunt while the younger generation stands and waits.

Hope of the club for better position at the close than the fourth place occupied last year lies in the same pitchers with better arms.

Earl Whitehill, a left-hander with a marvelous curve ball, and Sam Gibson, a big right-hander with a wild of stuff, were in and out of the last campaign. In the spring tuning up, they seem to have definitely returned. Addition of Elmer Vangilder, formerly of the Browns, for relief calls, will release Lil Stoner for starting duty with Kenneth Holloway, George Smith and Haskell Billings, the collegian who is up and coming. Owen Carroll, another collegiate contribution, may team up with Vangilder in the reserves. This array of pitching talent leaves little room for additions from the 1928 recruits.

Nic Sorrell comes from Toronto with a good chance to stay, and Carl Hubbell, a left-hander from Oklahoma, may crowd in. The infield will be made up of the same men who played in 1927, but they will be re-cast. Johnny Neun will play first base on a whole time instead of a part time basis, and Marty McMann will be assigned to third base. Charley Gehring will take care of second and Jackie Tavener, completely recovered from his injuries, will play short and show how hard a little fellow can hit. Harry Rice, who came from the Browns, will play center field and show a fast pair of heels on the bases. He will be flanked by slower performers but hard hitters in Harry Heilmann and Bob Fothergill. Heilmann led the league in hitting last year and has been pounding the ball hard enough in practice to suggest that he may repeat.

Fothergill has many days of strenuous work and much over-rotation ahead of him, as he is several pounds in excess of the ideal weight for an outfielder. Fred Wingo will play the outfield utility role.

Larry Woodall and Merwyn Shea of last year's catching staff are not but are being crowded for first consideration by two new catchers, Phillips from Nashville and Harrarave from Toronto.

Morarity came to Detroit as manager last year with a fixed determination to have the Tigers run the bases, and they ran so well they led the league in this department. The manager thinks the experiment in an art regarded as departed from the game was a success, and he will have the boys running again.

Yanks Win Ball Game at Last
ST. PETERSBURG, Fla., March 22.—(AP)—Whether it was due to Walter Hoyt, who made his first mound start of the year, or other causes, the New York Yanks have won a ball game at last.

Beaten in their first four games, three times by Boston's pesky Braves, the world's champions rose in their wrath yesterday and gave the Braves an 8 to 2 beating.

Hoyt pitched the first four innings and allowed only two hits.

Babe Herman Shines
TAMPA, Fla., March 22.—(AP)—It begins to look like there's no way to keep "Babe" Herman out of the Brooklyn lineup this season. The Dodgers trimmed the Washington Senators 3 to 2 yesterday, but it's pretty hard to figure how they would have done it without Herman's big bat. He accounted for six runs all by himself. He drove out a home run with two of his mates on base and a double, again with two on, and scored a moment later on a single by Riconda.

White Sox Win Again
WICHITA FALLS, Texas, March 22.—(AP)—With a determination worthy of a place in the regular season records, the Chicago White Sox repeated their victory over Wichita Falls, the Texas League champions, 11 to 9 yesterday, in spite of some weird pitching and worse fielding.

"Speed" Luque, fresh from the sand lots of San Francisco, blew up hopelessly in the fourth inning, and Chalmers Cissell, the expensive shortstop, did the same. Luque worked time the first three innings and then forgot where the plate was. Eventually, by rolling up 16 safeties, the Sox won.

HUESTON BREAKS COURSE RECORD; TOURNEY SAT.

A tombstone tournament will be held at the Medford Golf club Saturday and Sunday of this week, and a large field is expected to compete.

The tournament will be based upon the new handicaps, and therefore those players who have not sent in their latest scores for a new rating are requested to do so at once. Only 25 new handicaps have been arranged thus far, because only this number of cases has been returned.

The tombstone tournament plan has been tried out here before, and has always been successful. Each player has as many strokes as he gets by adding his handicap to the par 70, and he stops when these strokes have been used up.

The player who goes the farthest gets the first prize. Three prizes will be given in this tournament.

Yesterday Jack Hueston, the club "pro," playing with Rayard Getchell against his assistant, T. Marks and Bob Hammond, Jr., broke the course record with a 67, three under par. This beats Chan Esan's record by one stroke. The following score shows how it was done. An eagle on No. 9, birdies on 12 and 14, and all the rest pars except one above par on the eleventh, tells the story. Marks made a 76, Hammond an 81 and Getchell a 91.

GODFREY WANTS A GO WITH TUNNEY

LOS ANGELES, March 22.—(AP)—George Godfrey, negro, through the medium of a challenge, has thrust his massive frame and ham-like fists to the fore of the feather-pushing field encamped on Gene Tunney's trail, seeking a title duel with the champion.

"The Black Menace," through his manager, Jim Dougherty, sent forth last night the word that he is ready to fight Tunney at any time, any place and for any consideration. He made this known in wires to Tex Rickard, Madison Square Garden promoter, and the New York Boxing commission.

A demand that Godfrey's name be put ahead of other challengers being considered at the present time was made of the boxing commission. It added that the \$2500 forfeit necessary accompaniment to a challenge was being sent.

GENE TUNNEY MAY BE THROWN OUT OF ITALY ESCAPES

MENTONE, France, March 22.—(AP)—Information from Italy says Domizio Torrigiani, head of

New York state athletic commission may consider the advisability of suspending Gene Tunney, world's heavyweight champion.

The commission yesterday announced receipt of a telegram from the champion in which Tunney said he had signed with Tex Rickard to defend his title "against the best available opponent as soon as Rickard has arranged a selection."

The telegram, which was in reply to one from the commission, however failed to deal specifically with the challenges, now on file here, of Tom Heene, Jack Sharkey and Johnny Risko. The commission, in its telegram to Tunney, had informed the champion that his six months period of grace expired today and asked him what he was going to do with the challenges.

KARASICK BEATEN FOR FIRST TIME

PORTLAND, Ore., Mar. 22.—(AP) Clete Kauffman, Columbus, Ohio, craboid expert, defeated Al Karasick, Portland, in their light-heavyweight wrestling bout here last night. Kauffman won the first fall in 31 minutes, 22 seconds, with a Japanese wristlock. Karasick took the second in eight minutes, 22 seconds, with a series of flying headlocks. Kauffman took the third fall in less than a minute with a double step-over toe grip, and while Karasick's neck was resting on the ropes, Karasick declared the rope had cut off his wind and his wild waving was in an effort to call the referee's attention to the fact he was being strangled. It was the first match Karasick has lost here since his return from Australia.

RECIPE TO CLEAR A PIMPLY SKIN

Pimples, sores and boils usually result from toxins, poisons and impurities which are absorbed in the bowels and then absorbed into the blood through the very ducts which should absorb only nourishment to sustain the body.

It is the function of the kidneys to filter impurities from the blood and cast them out in the form of urine, but in many instances the bowels create more toxins and impurities than the kidneys can eliminate; then the blood uses the skin pores as the next best means of getting rid of these impurities, which often break out all over the skin in the form of pimples.

The surest way to clear the skin of these eruptions, says a noted authority, is to get from any pharmacy about four ounces of Jad Salts and take a tablespoonful in a glass of water each morning before breakfast for one week. This will help prevent the formation of toxins in the bowels. It also stimulates the kidneys, thus coaxing them to filter the blood of impurities and clearing the skin of pimples.

Jad Salts is inexpensive, and is made from the seed of grapes and lemon juice, combined with lithia. Here you have a pleasant, effervescent drink which usually helps make pimples disappear.

Italian Free Masonry, has accomplished the difficult feat of escaping from the Lipari Islands. Torrigiani, who was condemned to five years' confinement on the islands last April as an enemy of the Mussolini administration, is believed to be in Corsica. All ships, except police vessels are barred to the islands, and it took four months for Torrigiani to effect his escape. Loyal Masons are understood to have aided him in getting away.

HOLLYWOOD, Cal., Mar. 22.—(AP)—Ten weeks ago Blanche Mehaffey, screen actress, and George Hansen, oil well supply dealer and sportsman, were married at the Jontakan club here.

Twelve days ago Miss Mehaffey instituted divorce proceedings. She said her husband of two and a half months insulted her in the presence of guests and committed various other acts that caused her mental distress and were responsible for a nervous breakdown.
