MEDFORD REALTY BOARD

STRAIGHT AND TO THE POINT

ARE YOU GAME?—If so, we are looking to give you a chance to show your judgment by bidding on a fine orchard which is very fortunate and situated with reference to front and water—above one and below the other, and with reasonable distance of both highway and railroad. All Bartletts old enough to produce a full crop at once; and, while somewhat neglected, fairly good trees, owing to the fact that the man who set orchard here is in the city and the bidding. See HOLMES FOR HOMES!

PERUSE WITH ATTENTION AND CARE—One of the best combined dairy and orchard farms in Southern Oregon, out of the front hills, all in good and fertile soil. District water rights for all; in best pear district, and in a price which will enable proper care and attention to make the land pay for itself in a few years. No better land anywhere and with one-half mile of highway. Personal inspection only can give you the full details. See HOLMES FOR HOMES!

HOW AS ALWAYS—The pear orchard of the valley are the best investments and those who show their good sense by purchasing now can give the merry law to those of less sagacity in the future. We can show you some mighty good ones, and at far less price than the cost of production. It is on the cards that the pear crop of this valley in 1928 will sell for greater prices than ever before known. See HOLMES FOR HOMES. Nash Hotel corner.
